### **Transportation Advisory Board Recommendation re: Pleasant Drive parking**

The Transportation Advisory Board discussed the current conditions on Pleasant Drive and the request to restrict parking along the South side of the road, and on the North side from Crest St. until the end of Pleasant. The TAB offers the following recommendation:

Based on the nature of the street and anecdotal evidence from a resident and various TAB members, the TAB recommends that Pleasant Drive be left as it is, with parking allowed on both sides except for near the entrance at Greensboro Street. Pleasant Drive is a neighborhood street and on-street parking serves to slow traffic and makes the street safer.
