Advisory Board Chair Recommendation Form

Advisory Board Name	Affordable Housing Advisory Commission
Your Name	Quinton Harper
Applicant Name	Gabriel Vinas
Outstanding Qualifications	Previous Service as Vice Chair of the Carrboro Affordable Housing Advisory Commission; has displayed willingness to hear differing perspectives and offer a balanced, objective perspective in return. Furthermore, Gabe's professional experience and how he brings that to his work on the board shows up in the form of advocacy for low income, Black and Brown members of our community.
How applicant compliments current board composition:	Applicant compliments current board composition in that Gabe's presence maintains continuity on the board. Gabe is also a parent of two that works full-time - so his balance of home life forces us to be attentive to work/life balance. Gabe's racial and ethnic diversity is an additional compliment to the current board's composition.
Other comments:	Gabe is one of the committees strongest members!
Applicant Name	Betty Curry
Outstanding Qualifications	Betty Curry has lived in Carrboro for 4 years and Orange County for 10+ years. Betty is rooted in our community and connected with a variety of organizations. Betty's reputation as an advocate for those historically marginalized in our community is well known. I have heard Betty talk about how the composition of communities around her has changed, and how that impacts for example, the school system.
Other Comments:	Betty is a Black woman, whom I personally recommended to join the Affordable Housing Advisory Board. With Betty's addition we would have two Black women, two Black men, two white women, and one Hispanic/Latinx. I furthermore believe Betty's presence is importance in that her diversity continues to

allow different voices to participate in local government.

I frequently volunteer at my kids' schools, as chaperone, classroom parent, school committee member, etc. I have been involved in community service projects since adolescence, most notably serving as a Peace Corps volunteer for two years in the island nation of Vanuatu. I am also active in community activities, such as the walk in Carrboro to raise attention to gun violence, the 2017 Women's March in Raleigh, Keep Carrboro Beautiful Day, and serving on the Landscape Committee on my neighborhood HOA.

Experience to Aid You in
Working on Advisory
Boards

I have and continue to serve on several advisory boards and technical working groups. From 2016-2018 I served as one of the parent representatives of Seawell Elementary's School Improvement Team (SIT). I currently serve on several technical working groups related to my job as a Research Associate-Family Planning Technical Advisor on a large global health project. This experience, working with a team of individuals to

gather information, research issues, and offer recommendations, will serve me in a role with the Affordable Housing Advisory Commission.

Reasons You Wish to be Appointed

When my husband and I moved from Boston to Chapel Hill and were looking to buy our first home, we were fortunate to hear about Community Home Trust (CHT). In 2011 we purchased a home through CHT (which we still reside in) and are firm believers in affordable housing. I would like to use my expertise in research and helping to develop evidence-based recommendations, coupled with my desire for volunteer service, to serve on this board.

Experience to Aid You in
Working on Advisory
Boards

I work with the Latinx community on a daily basis as a Spanish Medical Interpreter. Many of my patients are low-income, and experience challenges with housing and meeting their family's other basic needs. I am aware of the challenges many Latinxs and other low-income people face in finding affordable housing in our community. I am passionate about affordable housing and have gotten to know many of the nonprofits working to address affordable housing issues in Carrboro. I look forward to being part of helping identify resources and solutions to address these issues.

Reasons You Wish to be
Appointed

After living in Carrboro for several years, I am interested in becoming more engaged in the community where I am raising

my children and plan on living for a long time. As a bilingual Latino, I feel that I might be able to add unique insights to the issues facing Latinxs and immigrants in our community. Carrboro is a wonderful town, and can be further strengthened by having greater diversity on its boards and commissions.
