Community Activities/Organizational Memberships*

Because of my roles at UNC—which have until very recently required a lot of service to the university and evening events— I have not officially joined any community organizations to this point. However, being a long time resident of Orange County/Town of Carrboro, I promote and support local businesses. For example, Frank Cole Builders built our current home; we have taken our vehicles to Auto Logic for 15+ years; I frequent Weaver Street Market, Tandem, Glass Half Full, and other restaurants; I purchase many supplies at Southern States; and I spend many mornings drinking coffee at Open Eye.

Please enter the requested information.

Experience to Aid You in Working on Advisory Boards*

I have been in administration at UNC-CH for over a decade as Senior Associate Dean and then Interim Dean in the School of Education. In those positions, I have served on multiple advisory boards for the university, e.g., Friday Center Advisory Board, Summer School Advisory Board, Athletic Support Programs Advisory Board, etc. as well as working with advisory and foundation boards for the School of Education as part of my administrator's role. In all of these positions, I have often been in the role of negotiator or mediator (and in fact have certification in mediation). I am a good listener, am often able to summarize salient important points, and find common ground among participants.

Reasons You Wish to be Appointed*

We live in the Northern Transition area and are committed to appropriate growth and development of our rural landscape. I know that our town is changing and I welcome much of what has been done. That said, I wish to be a voice for my neighbors and others whose voices may not have been heard and/or may not be able to dedicate service at this time to planning meetings, hearings, etc. A current job change will enable me to devote the necessary time which I have not heretofore been able to do.

Have you ever served on any Town of Carrboro Committee or Board?*

I have not answered yes to the above questions so I'm unsure what is required here.

After completing two full terms, a member must take off one year before applying for re-appointment to the advisory board. However, a board member may apply to serve on another advisory board if he/she desires. The Board of Aldermen may make exceptions to this rule under the following circumstances: 1. To retain diversity on an advisory board; 2. To provide continuity in oversight of a major, on-going project; 3. To keep a member who provides expertise otherwise unavailable on an advisory board (e.g., an engineer on the Planning Board or Board of Adjustment); or 4. A lack of qualified applicants.
