

Marty Roupe,

I am writing, on behalf of CASA, to request an extension to the conditional use permit (CUP) for Merritt Mill Apartments. The current CUP is set to expire March 27, 2020. We have yet to begin construction on the project, and likely will not by the expiration date. We are in good faith submitting this request, as we continue to work on the funding, and there are no changes in the conditions for which the original CUP was granted.

Best regards,

Neil Ritter

Project Manager, CASA
