2. What is the frequency of encounters with LEP language groups? Please check a box. If other, please check the box and describe below.

- Daily
 Weekly
 Monthly
 Other (*Specify*): _____

3. What is the nature and importance of activities to LEP persons? Important: Determine whether denial or delay of access to services or information could have serious implications to the LEP customer. Please describe below.

All programs or activities administered by Orange County for the Town of Carrboro take reasonable steps to ensure that persons with Limited English Proficiency (LEP) have meaningful access and an equal opportunity to participate in benefits and services for which such persons qualify. Denial or delay of services could increase housing stability for LEP persons. They could face increased rates of eviction, rental arrears, and utilities disconnection. All language assistance services are free to all LEP individuals who request language assistance services.

4. Indicate the availability of resources, including technological advances and sources of additional resources, and the costs imposed.

No Rounding, please use decimals.

Resources (<i>Describe</i>)	Cost (\$)
Language Line -- offering immediate translation services via phone	\$ -
Translation of applications and other resource materials by qualified translators into multiple languages	\$ -
Translation services by qualified translators for Zoom meetings	\$ -
Quick translation of holiday closings, etc by using Reverso.net	\$ -

5. Does staff know and understand the LAP and how to implement? - e.g. Have employees been trained on your policies and procedures regarding LEP persons?

Please check a box and explain below your answer below. Yes No

If yes, please indicate how and how often. If no, please explain why not.

Orange County is the Administrator for the Town of Carrboro's CDBG-CV grant which follows the Orange County procedures outlined in its LAP, which establishes a unified system for all residents of the Towns of Carrboro, Chapel Hill, and Hillsborough, located within Orange County.

Language Access Training is mandatory for Orange County department directors, supervisors, interpreters, translators, or frontline staff who encounter LEP individuals. Staff receive training on identifying LEP customers and the procedures for accessing language assistance services provided by the County. New employees receive training at new employee orientation on available language access resources. Yearly training is available to existing staff to ensure effective implementation of the policies and procedures. Supervisors are also trained to deliver more targeted LEP training in between the mandatory yearly trainings.

Training for language access services include training on LEP services, cultural sensitivity, and customer service to help staff deliver effective and efficient language access services to our LEP clients. The training is delivered via a blended approach, using a variety of tools, such as in-person classroom style training, and on-line webinars designed to enhance skills, including the language skills of our employees.

6. Have your subcontractors been informed of their obligation to provide language assistance to LEP persons?

Please check a box and explain below your answer below. Yes No

If yes, please indicate how and how often. If no, please explain why not.

Orange County is the administrator for the Town of Carrboro's CDBG-CV grant which follows the Orange County procedures outlined in its LAP. The Orange County LAP plan establishes a unified system for all residents of the Town of Carrboro, Chapel Hill and Hillsborough, located within Orange County. All information provided in this document refers to their implementation of the LAP.

7. Identify sources for assistance available and viable- Describe the tool or method used being used to collect data on participant satisfaction with interpreter/translation services.

LEP persons may complete the Dispute Resolution Procedures for the EHA program administered by Orange County for the Town of Carrboro. They initiate the process by alerting any Orange County staff member who will then escalate the dispute and/or complaint. The Orange County EHA Coordinator addresses the dispute/complaint within 15 days to provide adequate services and assist LEP persons.

8. Have there been any complaints filed because of language access problems?

Yes No If yes, please describe below.

Orange County is the grant administrator for the Town of Carrboro's CDBG-CV grant. This annual report details the data, practices and procedures followed by Orange County which is responsible for 504 compliance.

1. What is the current a disabled/handicap population in the housing jurisdiction, geographic area, or population affected or encountered?

Disabled Population in Orange County, North Carolina is 8.5%± 1.6%. Total population: 148362; disabled 12599. Source: <https://data.census.gov/>

2. What is the frequency of encounters with disabled/handicap persons? Please check a box. If other, please check the box and describe below.

Daily Weekly Monthly Other (Specify): _____

3. What is the nature and importance of activities to disabled/handicap persons? Important: Determine whether denial or delay of access to services or information could have serious implications to the disabled/handicap customer. Please describe below.

Emergency housing assistance applicants are behind in rent or utilities. Others are exiting homelessness and need help to pay costs related to setting up residence in area rentals. Delay in processing applications due to barriers caused by lack of accessibility could result in increased frequency of evictions and/or homelessness and place them at a higher risk for housing instability.
