RELEVANT ORDINANCE SECTIONS: Section 15-62 Expiration of Permits

BACKGROUND

The applicant/property owner, Harris Teeter, has requested that the date on which a previously issued Special Use Permit-A (SUP-A) that expires on October 24, 2025 be re-established to an expiration date of October 24, 2027.

The Town Council originally granted the Special Use Permit-A on October 22, 2019, and subsequently extended the permit expiration date in 2021 and 2023. The SUP-A allows for the construction of Lloyd Farm, Phase 1 including a Harris Teeter grocery store, out buildings and related infrastructure (ie. roads, sidewalks etc).

APPLICABLE LUO PROVISIONS

Extensions to the date on which a permit would otherwise expire must be granted in accordance with Section 15-62 (Expiration of Permits) of the LUO. Specifically, please note that Section 15-62(a) of the LUO dictates that the SUP-A would expire on October 24, 2025 in this case because less than ten percent (10%) of the total cost of all construction, erection, alteration, excavation, demolition, or similar work on the development authorized by the permit has been completed on the site.

Section 15-62(c) gives the permit-issuing authority (Town Council) the authority to grant an extension to the date on which the permit would otherwise expire. Section 15-62(c) reads as follows:

“(c) The permit-issuing authority may extend for a period up to two years the date when a permit would otherwise expire pursuant to subsections (a) and (b) if it concludes that (i) the permit has not yet expired, (ii) the permit recipient has proceeded with due diligence and in good faith, and (iii) conditions have not changed so substantially as to warrant a new application. Successive extensions may be granted for periods up to two years upon the same findings. All such extensions may be granted without resort to the formal processes and fees required for a new permit.”

Staff offers the following information related to the conditions outlined in Section 15-62(c):

1. The permit has not yet expired.

COMPLIANCE: *No, the permit has not expired. The permit is set to expire on October 24, 2025.*

2. The permit recipient has proceeded with due diligence and in good faith.

COMPLIANCE: *Yes, the permit recipient has proceeded with due diligence and in good faith. Please see the attached letter from the applicant, Harris Teeter.*

3. Conditions have not changed so substantially as to warrant a new application.

COMPLIANCE: *Yes, it is true that conditions have not changed so substantially as to warrant a new application. No changes to the property have taken place since the permit was originally approved.*

RECOMMENDATION

Town Staff recommends that the Town Council adopt the attached resolution approving the permit extension request. The new expiration date for the permit would be October 24, 2027.
