### Residential Traffic Calming Request on East Winmore Avenue

Motion was made by Doll and seconded by Dalton that the Transportation Advisory Board recommends that the Town Council approve the conversion of the intersection of E Winmore Ave and Jewell Dr to a three-way stop and consider adding pedestrian signage in the center of the street near the existing greenway crosswalk to increase visibility to drivers.

The TAB also recommends that staff continue to study the need for additional traffic calming treatments such as pavement markings, signage and possible modifications to the street cross section to create additional bulb-outs.

VOTE: (4) Dalton, Doll, Keefe, Jones-Peretto
