

# **PARKING PROGRAM DEVELOPMENT**

## **PARKING ANALYSIS TO DATE:**

- **Review of previous town-wide parking study**
- **Discussions with The 203 Project user groups**
- **Public discussions at four (4) public workshops – parking demand and transportation amenities**
- **Additional parking surveys of 203 S. Greensboro surface lot**
- **Initial parking demand analysis**

## **PARKING NEXT STEPS:**

- **Review with user groups – parking demand and transportation amenities**
- **Final parking demand analysis**
- **Site planning: parking design**
- **Alternative parking planning/management – park and ride, shared parking, additional capacity**
- **Transportation amenity design:**
  - **On-site bicycle parking facilities, TNC (Uber/Lyft) drop-off/pick-up, bus amenities**
- **Consultation with Town of Carrboro on off-site parking opportunities**
