Authorization for Town Manager to execute an Interlocal Agreement with the Town of Chapel Hill and Orange County for Sharing Costs Related to Sewer Lateral Connections for Low and Moderate Income Homes in Historic Rogers Road Neighborhood

PURPOSE: The purpose of this agenda item is to provide the Board of Aldermen an opportunity to authorize the Town Manager to execute an interlocal agreement between Orange County and the Towns of Chapel Hill and Carrboro to establish responsibility for cost sharing related to connecting sewer lateral service lines to low and moderate income homes in Historic Rogers Road Neighborhood following installation of a sewer system to serve the area.

INFORMATION:

Following installation of sewer mainlines to serve the Historic Rogers Road Neighborhood, it is nearly time to begin attaching homes to the system and abandoning existing septic systems. An interlocal agreement that proposes a framework for sharing the costs of connecting sewer lateral service lines to low and moderate income homes is attached (*Attachment B*).

Orange County has pre-allocated \$243,000.00 to pay for connections to the system for low and moderate homes in the neighborhood. No formal paperwork has been received yet to establish which homes qualify as low and moderate income, but it is estimated that eleven homes in Carrboro's jurisdiction may qualify. If eleven such connections are made in Carrboro, then an estimated cost for the town is \$34,020.00, representing 14% of the overall costs in accordance with the longstanding 43 / 43 / 14 costs split between the county and two towns. Sherrill Hampton of Orange County Housing & Community Development has offered, as a courtesy, to help process the paperwork and related process associated with qualifying homes in Carrboro's jurisdiction.

Staff recommends that the already established sewer reimbursement funds, titled *Procedure for Providing a Subsidy for Sewer Connections for Existing Dwelling Units* be utilized to cover associated costs. The entire costs of connecting will be covered for low and moderate income homes. Non qualifying homes remain eligible for the up to \$2,000.00 costs reimbursement under the existing policy should they choose to connect.

Agenda Date: 5/7/2019

File Type:Agendas

In Control: Board of Aldermen

Version: 1

Of note that Interlocal Agreement as written covers 100% of the costs for the first two years, and 50% of the costs for the third year. Beginning with the fourth year, anyone choosing to connect would only be eligible for the existing \$2,000.00 in costs reimbursement. The agreement is designed in this manner to encourage citizens to connect to the system quickly following the completion of installation of mainlines to serve the neighborhood.

In order to utilize this funding source, the previously mentioned funding source, the procedure and policy must be amended. A resolution is included amending the procedure and policy accordingly (*Attachment C*).

Also of note as additional information regarding anyone not qualifying as low to moderate income, Orange County has an existing loan program which may be of interest. If a home is owner occupied and is connecting to a sewer system that Orange County owns, then the homeowner is eligible to receive a ten year interest free loan to get connected. The loan may be paid back in numerous ways as owners are financially able to do so, but the typical method of paying it back in their experience to date involves a voluntary annual addition to their county tax bill. In other words, the costs of the loan are divided into ten equal payments, assessed annually on the tax bill, thereby completing full payment of the loan over the course of ten years.

FISCAL & STAFF IMPACT: The Town's share of the proposed Interlocal Agreement is up to \$34,020.00, to be pulled from the existing Subsidy for Sewer Connections to Existing Homes funds.

RECOMMENDATION: Staff recommends that the Board of Aldermen authorize the Town Manager to sign relevant agreements on its behalf and amend the existing *Procedure for Providing a Subsidy for Sewer Connections for Existing Dwelling Units*. Two resolutions are attached for the Board's consideration (*Attachments A and C*).

RESOLUTION

**A RESOLUTION AUTHORIZING THE TOWN MANAGER TO EXECUTE AN
INTERLOCAL AGREEMENT WITH ORANGE COUNTY AND THE TOWN OF
CHAPEL HILL**

NOW, THEREFORE BE IT RESOLVED, that the Town of Carrboro Board of Aldermen hereby authorize the Town Manager to execute an interlocal agreement with Orange County and the Town of Chapel Hill for sharing costs related to connecting private sewer lateral service lines to low and moderate income homes in Historic Rogers Road Neighborhood.

This the 7th day of May 2019.

**NORTH CAROLINA
ORANGE COUNTY**

**INTERLOCAL AGREEMENT BETWEEN AND AMONG ORANGE COUNTY AND THE
TOWNS OF CARRBORO AND CHAPEL HILL REGARDING THE REIMBURSEMENT
OF COSTS FOR INSTALLATION OF PRIVATE SEWER SERVICE LATERAL
CONNECTIONS FOR LOW-TO-MODERATE INCOME HOMEOWNERS OF
HERITAGE LOTS WITH EXISTING DWELLINGS IN THE ROGERS ROAD SEWER
PROJECT AREA**

THIS AGREEMENT, made and entered into this ____ day of _____, 2019 between and among the Towns of Carrboro and Chapel Hill, both North Carolina municipal corporations (hereinafter jointly referred to as the “Towns”), and Orange County, a political subdivision of the State of North Carolina (hereinafter referred to as the “County”), for reimbursement to the County by the Towns for the County’s expenditures for the installation of private sewer service lateral connections for low-to-moderate income homeowners of Heritage Lots with existing dwellings in the Rogers Road Sewer Project Area (hereinafter referred to as “LMI Heritage Lot Households”). County and Towns may be referred to collectively as the “Parties”.

WITNESSETH

WHEREAS, the County and Towns are public bodies, politic and/or corporate, under the laws of the State of North Carolina and are vested with the power and authority by Article 20 of North Carolina General Statute Chapter 160A to enter into this Interlocal Agreement (hereinafter referred to as the “Agreement”); and

WHEREAS, the Historic Rogers Road Neighborhood Task Force Report (dated September 13, 2013) identified 86 parcels in the Rogers Road Sewer Project Area as Heritage Lots, as defined and shown in exhibits therein; and

WHEREAS, representatives of the County and Towns have previously agreed in principle that the total number of Heritage Lots in the Rogers Road Sewer Project Area has been reduced from 86 Heritage Lots to 81 Heritage Lots, due to lot configuration corrections that were completed subsequent to the release of the Historic Rogers Road Neighborhood Task Force Report; and

WHEREAS, representatives of the County and Towns have previously agreed in principle that 62 of the 81 Heritage Lots in the Rogers Road Sewer Project Area had existing dwellings located on the respective Heritage Lot parcels concurrent with the release date of the Historic Rogers Road Neighborhood Task Force Report (based on the evaluation of March 2013 aerial imagery), and have identified the 62 Heritage Lots with existing dwellings; and

WHEREAS, the 62 Heritage Lots in the Rogers Road Sewer Project Area with existing dwelling units may have household income levels at or below moderate incomes as defined by US Housing and Urban Development (HUD); and

WHEREAS, representatives of the County and Towns have previously agreed in principle to jointly fund the installation of private sewer service lateral connections for the 62 Heritage Lots with existing dwellings and with household income levels at or below moderate incomes (LMI Heritage Lot Households) to the public sewer system under construction; and

WHEREAS, as defined in the following schedule, the timeline for joint funding coverage will begin after the execution of this Agreement by all Parties and upon the County's receipt of a valid dated application from the LMI Heritage Lot Household: Year 1 and Year 2 (100% cost coverage); Year 3 (50% cost coverage); Year 4 and beyond (0% cost coverage); and

WHEREAS, representatives of the County and Towns have previously agreed in principle that the County will solicit pre-qualifications from a minimum of five (5) licensed local plumbing contractors for the installation of private sewer service lateral connections for LMI Heritage Lot Households; and

WHEREAS, the County has pre-allocated \$243,000 for the installation of private sewer service lateral connections for LMI Heritage Lot Households wishing to connect, to be reimbursed by the Towns in accordance with this Agreement; and

WHEREAS, the County's expenditures for the installation of private sewer service lateral connections for LMI Heritage Lot Households will include the cost of installation by the pre-qualified plumber of the private sewer service lateral and associated appurtenances (i.e. from the existing sewer service stub-out at the property line to the household to be served), the cost of disconnecting and abandoning the existing septic system per County standards, the Orange Water and Sewer Authority (OWASA) sewer system development fee, and all other applicable fees; and

WHEREAS, the total number of LMI Heritage Lot Households wishing to connect within the specified three-year period for joint funding (i.e. Year 1, Year 2, Year 3) and the exact cost for each LMI Heritage Lot Household wishing to connect are unknown at this time due to the variable sizes of the dwellings to be served, the variable distances between the dwellings and the public sewer service stub-outs, and other specific characteristics of each lot; and

WHEREAS, representatives of the County and Towns have previously agreed in principle on an educated estimate of eleven (11) LMI Heritage Lot Households wishing to connect within Town of Carrboro jurisdictional areas within the specified three-year period for joint funding (i.e. Year 1, Year 2, Year 3) and on an educated estimate of sixteen (16) LMI Heritage Lot Households wishing to connect within Town of Chapel Hill

jurisdictional areas within the specified three-year period for joint funding (i.e. Year 1, Year 2, Year 3); and

WHEREAS, representatives of the County and Towns have previously agreed in principle that each LMI Heritage Lot Household wishing to connect within Year 1 and Year 2 following the execution of this Agreement will have an estimated 100% coverage joint funding cost of approximately \$9,000 per LMI Heritage Lot Household; and

WHEREAS, representatives of the County and Towns have previously agreed in principle that each LMI Heritage Lot Household wishing to connect within Year 3 following the execution of this Agreement will have an estimated 50% coverage joint funding cost of approximately \$4,500 per LMI Heritage Lot Household; and

WHEREAS, the County and Towns desire to formally establish the terms of the Towns' reimbursements to the County for the installation of private sewer service lateral connections for LMI Heritage Lot Households connections.

NOW, THEREFORE, in consideration of the foregoing and based on mutual promises and obligations set forth herein, the receipt and sufficiency of which is hereby acknowledged, the County and Towns agree as follows:

1. TERM AND TERMINATION

- a. This Agreement shall commence upon execution by all Parties and shall continue until all reimbursements are paid in full with such payment in full occurring no later than June 30, 2023.
- b. The Town of Carrboro shall provide payment to the County up to 14% of the current total project estimate, or \$34,020, whichever is less, plus any financing costs (up to 3 percent annually) incurred by the County for the installation of LMI Heritage Lot Household sewer connections within the Town of Carrboro's jurisdiction unless mutually agreed by both the Town of Carrboro and the County. These payments are for the installation of up to 11 LMI Heritage Lot Household sewer connections within the Town of Carrboro's jurisdiction. The Town of Carrboro shall, within thirty (30) days of receipt of a County generated invoice, reimburse the County for the Town of Carrboro's respective share of the total principal and interest associated with the installation of LMI Heritage Lot Household sewer connections within the Town of Carrboro's jurisdiction.
- c. The Town of Chapel Hill shall provide payment to the County of up to 43% of the current total project estimate, or \$104,490, whichever is less, plus any financing costs (up to 3 percent annually) incurred by the County for the installation of LMI Heritage Lot Household sewer connections within the Town of Chapel Hill's jurisdiction unless mutually agreed by both the Town of Chapel Hill and the County. These payments are for the installation of up to

16 LMI Heritage Lot Household sewer connections within the Town of Chapel Hill's jurisdiction. The Town of Chapel Hill shall, within thirty (30) days of receipt of a County generated invoice, reimburse the County for the Town of Chapel Hill's respective share of the total principal and interest associated with the installation of LMI Heritage Lot Household sewer connections within the Town of Chapel Hill's jurisdiction.

- d. If overall participation by LMI Heritage Lot Households exceeds the \$243,000 pre-allocated by the County, the County will request additional funds and this Agreement will be amended so as to adjust Sections 1-4 accordingly, subject to funding availability and approval by governing boards of the Parties.
- e. This Agreement may be renewed or amended upon written agreement of the Parties.

2. TOTAL COSTS

Item	Carrboro Cost	Chapel Hill Cost	County Cost	Total Cost
<u>Carrboro Lots</u> (11 LMI Heritage Lot Household connections within Carrboro jurisdiction)	\$34,020	\$0	\$64,980	\$99,000
<u>Chapel Hill Lots</u> (16 LMI Heritage Lot Household connections within Chapel Hill jurisdiction)	\$0	\$104,490	\$39,510	\$144,000
TOTALS	\$34,020 (14%)	\$104,490 (43%)	\$104,490 (43%)	\$243,000 (100%)

3. RESPONSIBILITIES OF TOWNS

- a. As provided in Section 1b above, the Town of Carrboro is responsible for up to 14% of the current total project estimate, or \$34,020, whichever is less. The Town of Carrboro shall, within thirty (30) days of receipt of a County generated invoice, reimburse the County for the Town of Carrboro's respective share of the total principal and interest associated with the installation of LMI Heritage Lot Household sewer connections within the Town of Carrboro's jurisdiction.

- b. As provided in Section 1c above, the Town of Chapel Hill is responsible for up to 43% of the current total project estimate, or \$104,490, whichever is less. The Town of Chapel Hill shall, within thirty (30) days of receipt of a County generated invoice, reimburse the County for the Town of Chapel Hill's respective share of the total principal and interest associated with the installation of LMI Heritage Lot Household sewer connections within the Town of Chapel Hill's jurisdiction.
- c. The Town of Chapel Hill's funding contribution shall be used for the benefit of low and moderate income residents, as defined by HUD, residing within the Town of Chapel Hill's Extraterritorial Jurisdiction (ETJ).
- d. The Towns shall pay their full agreed upon obligation as set out in this Section 3 within thirty (30) days of receipt of the County's invoice.
- e. The Towns shall have no further obligation for the cost of maintenance or repair of the private sewer laterals installed with the assistance of their funding, it being agreed by the Parties that the private sewer laterals and all associated work pursuant to this agreement shall upon completion belong to and be the responsibility of the private resident/homeowners.

4. RESPONSIBILITIES OF COUNTY

- a. The County shall issue an informal request for qualifications (RFQ) so as to pre-qualify a minimum of five (5) licensed plumbers for the installation of private sewer service lateral connections for LMI Heritage Lot Households. The County shall work directly with the pre-qualified plumbers to gather a minimum of three (3) site-specific estimates for each LMI Heritage Lot Household and will formally award the private sewer service lateral connection installation work to the lowest responsible bidder.
- b. Contracts for the installation of the private sewer lateral connections and associated work shall clearly state that neither the County nor the Towns shall have any financial responsibility or liability beyond providing the financial assistance and arranging for payment to the contracted plumbers (other than any permitting or inspections responsibilities they may have in their governmental capacities). Said contracts shall provide that the contracting plumbers shall indemnify and hold harmless the Parties for any and all claims arising out of the contracting plumbers' work for the LMI Heritage Lot Households.
- c. The County is responsible for up to 43% of the current total project estimate as shown in Section 2 above, or \$104,490, whichever is less.
- d. The County shall invoice the Towns for the specified reimbursement amounts and/or percentages as shown in Section 3. This invoice will be in the form of

a single invoice upon the conclusion of the services contemplated in Section 1 and Section 2 within the respective jurisdiction of each Town and said invoice shall be accompanied by a written statement indicating those services have concluded.

5. THIRD PARTY RIGHTS

Nothing in this Agreement is intended to create, grant, or convey rights in or to any third party. Nothing herein is enforceable by any third party and the rights of the parties hereto to terminate or amend this Agreement are not subject to the consent of any third party.

6. ENTIRE AGREEMENT

This Agreement constitutes the entire Agreement of the Parties hereto and is effective the date first above recorded.

**A RESOLUTION MODIFYING AN EXISTING PROCEDURE AND POLICY FOR
CONNECTING EXISTING HOMES IN CARRBORO TO SEWER**

NOW, THEREFORE BE IT RESOLVED, that the Town of Carrboro Board of Aldermen hereby modify the existing procedure and policy to read as follows:

Procedure for Providing a Subsidy
for Sewer Connections for Existing Dwelling Units in Carrboro
(Established 9/2/1997. Amend. 3/9/1999, 1/25/2005. Amend 5/7/19.)

Purpose:

The Town of Carrboro created reserve of \$120,000 over a six year period that was begun in 1995-96 to subsidize providing sewer to those existing dwelling units presently not served by OWASA. OWASA, in 1997, estimated that there were 160 units not served by sewer within the corporate limits of the Town of Carrboro.

Policy:

The Town of Carrboro will pay OWASA a subsidy of \$2,000 per dwelling unit in existence as of January 25, 2005 on behalf of a property owner to cover any fees due to OWASA for the connection of a dwelling unit to a public sewer main. This subsidy will be paid for only existing dwelling units within the corporate limits of Carrboro that are not served by OWASA sewer at the effective date of this policy. This subsidy will be redeemed on first come first served basis as long as the established reserve and its accumulated interest exist. ***For homes in Historic Rogers Road Neighborhood connecting to a public sewer main owned by Orange County and qualifying as low to moderate income, the entirety, 100%, of costs associated with the connection will be paid by Orange County for a period of two years from the effective date of this policy. For one additional year, the third year from the effective date of this policy, 50% of the costs associated with the connection will be paid by Orange County. The Town of Carrboro will reimburse Orange County 14% of the costs of the connection for this three year period.***

Following the three year period, the Town of Carrboro will pay Orange County a subsidy of \$2,000 per dwelling unit in existence as of January 25, 2005 in Historic Rogers Road Neighborhood on behalf of a property owner to cover any fees due to Orange County for the connection of a dwelling unit to a public sewer main owned by the county for the duration of time the county remains the owner of the sewer main

lines in the neighborhood. This subsidy will be redeemed on first come first served basis as long as the established reserve and its accumulated interest exist.

Procedure:

All eligible property owners who have contracted with OWASA ***or Orange County*** to have their dwelling unit served by a public sewer and are interested in receiving the subsidy, ***or full or partial payment for a three year period in Historic Rogers Road Neighborhood*** should contact the Town Clerk to complete a request for the subsidy. The Town Clerk will certify the eligibility of the request and notify OWASA ***or Orange County***. Upon receipt of an invoice, the Town will pay to OWASA \$2,000 of the fees levied against the eligible property on behalf of the property owner, ***or the appropriate monetary amount in accordance with this policy in Historic Rogers Road Neighborhood.***

This the 7th day of May, 2019.

Version: 1

TITLE:

Acceptance of Offers of Dedication

PURPOSE: For more than thirty years, the Town has worked with designers and developers to identify areas that are suitable for public use, including open space and access easements for anticipated future Town projects such as greenways. The purpose of this agenda item is for the Board of Aldermen to consider accepting sections of open space in two subdivisions to provide easements for the Jones Creek Greenway.

DEPARTMENT: Planning

CONTACT INFORMATION: Christina Moon - 919-918-7325; Patricia McGuire - 919-918-7327

INFORMATION: As part of the approval for two residential subdivisions: the Legends at Lake Hogan (recorded in 2009) and Lake Hogan Farms Subdivision, Phase 8 Glen Ridge Townhomes (recorded in 2003) areas of open space were identified as public open space to be dedicated to the Town of Carrboro. The Town has not yet accepted the offer of dedication for open space in either development, but portions of open space in each development has been identified by the design consultant as needed for the Jones Creek Greenway: about 2,703 square feet or 0.062 acres at the Legends at Lake Hogan, and 18,406 square feet or 0.423 acres at the Glen Ridge Townhomes. Legal descriptions (metes and bounds) for the areas of both easements have been prepared. The Town's acceptance of these easements would allow the Jones Creek Greenway to move forward with its current alignment, now at 30% design.

A twenty-foot easement along the eastern end of Ballentine Phase 2 was also dedicated to the Town for greenway purposes and recorded by deed in February 2011. The current alignment for the Jones Creek Greenway is located within this 20-foot easement.

FISCAL & STAFF IMPACT: Fiscal impacts are limited to staff time and costs associated with processing.

RECOMMENDATION: Staff recommends that the Board of Aldermen adopt the resolution (Attachment A) accepting the offer of dedication for areas of open space at the Legends at Lake Hogan and the Glen Ridge Townhomes for the construction of the Jones Creek Greenway.

A RESOLUTION SPECIFYING THE TOWN'S ACCEPTANCE
OF AN OFFER OF DEDICATION

WHEREAS, the Carrboro Board of Aldermen has identified that certain portions of development tracts may be suitable for public use as greenways, open space, and bicycle and pedestrian access areas, and,

WHEREAS, the development review and approval for conditional use permits and final plats for the Legends at Lake Hogan and Lake Hogan Farms, Phase 8, Glen Ridge Townhomes included open space intended to be dedicated to the Town of Carrboro for public use.

NOW, THEREFORE BE IT RESOLVED by the Carrboro Board of Aldermen that the Board accepts the 2,703 square foot area as described by the legal description (Attachment B) for a portion of the open space at the Legends at Lake Hogan dedicated to the Town of Carrboro for public use and recorded in the Orange County Register of Deeds, (DB 5510 Page 505; PB 104 Page 853).

BE IT ALSO RESOLVED by the Carrboro Board of Aldermen that the Board accepts the 18,406 square foot area as described by the legal description (Attachment B) for a portion of the open space in Lake Hogan Farms Phase 8, Glen Ridge Townhomes, dedicated to the Town of Carrboro for public use and recorded in the Orange County Register of Deeds, (DB 5510 Page 205; PB 93 Page 10).

This is the 7th day of May in the year 2019.

Funding Recommendations from The Affordable Housing Special Revenue Fund Fiscal Year 2018-19

PURPOSE: The purpose of this item is for the Board of Aldermen to consider recommended funding for three nonprofit affordable housing applications for FY18-19 and one application for FY19-20 which was historically funded through the Human Services Commission.

DEPARTMENT: Manager's Office

CONTACT INFORMATION: Anne-Marie Vanaman, Management Assistant, 919-918-7321, amvanaman@townofcarrboro.org <<mailto:amvanaman@townofcarrboro.org>>; Rebecca Buzzard, Project Manager, 919-918-7438, rbuzzard@townofcarrboro.org <<mailto:rbuzzard@townofcarrboro.org>>

INFORMATION: On March 5, 2019, the Board of Aldermen approved the pilot application process for the Affordable Housing Special Revenue Fund.

<<https://carrboro.legistar.com/LegislationDetail.aspx?ID=3875185&GUID=B29FF1CD-DC0B-4627-B6E8-0DDCC1205A46&Options=&Search>>In the first application cycle of the pilot process (April 1, 2019), a total of seven requests were received. Three requests (two for rental deposits and one for urgent repair) fell under the \$5,000 and below threshold and were approved by the Town Manager. The remaining requests were forwarded to the Affordable Housing Advisory Commission (AHAC) for review and scoring.

The Affordable Housing Special Revenue Fund has \$54,018 remaining to fund requests through June 30, 2019. This amount is not sufficient to fully fund all three FY18-19 requests in full.

One of these requests was an anticipated application from Community Home Trust (CHT). On January 15, 2019, the Board of Alderman voted to approve a recommended \$30,000 of a \$50,000 request to CHT to support operating reserves for The Landings with the expectation that CHT would apply for the remaining \$20,000 through the Affordable Housing Special Revenue Fund application process.

<<https://carrboro.legistar.com/LegislationDetail.aspx?ID=3834175&GUID=CB445C1E-255D-4AE3-BBA9-51DCA6B7AB78&Options=&Search>>On April 17, 2019, the AHAC discussed the requests and voted to make the following FY18-19 funding recommendations:

1. Reserve \$5,000 for deposit assistance or critical repairs which may arise before June 30.
2. Fully fund a request from Habitat for Humanity of Orange County of \$7,626 to provide urgent repairs for a home on 1801 North Greensboro Street in Carrboro.
3. Fully fund a request from Empowerment of \$35,000 to acquire an apartment on 124 Fidelity Street, Unit

12, which will add one rental unit to Carrboro's affordable housing stock.

4. Partially fund a request from CHT for The Landing's operating reserves with the unallocated balance of the Affordable Housing Special Revenue Fund, \$6,392. The AHAC encourages CHT to apply for the balance of their \$20,000 request in the next fiscal year's first application cycle (October 1, 2019).

The AHAC reasoned that deposit assistance can determine whether a family is housed or homeless; therefore, reserves are needed for unforeseen requests arising before June 30.

Regarding the applications, there was concern that the critical repair and acquisition projects may not come to fruition without full funding and noted that the CHT application stated that their request, while critical, was not as time-sensitive.

The AHAC passed this recommendation with a vote of five in favor. One member was absent for the vote, and another voted against. This member was opposed to funding CHT at less than 50% of the request in consideration of how critical The Landings is as a rental community for the very-low to low-income.

This recommendation can be found in Attachment A.

In addition, the AHAC recommended to fully fund an application from Empowerment of \$16,000 in support of their affordable rental management program in FY 2019-2020. This application was historically funded through the Human Services Commission. Due to a miscommunication, Empowerment submitted this request to Human Services although all housing related applications should now come through the Affordable Housing Special Revenue Fund. Funds for this application will not be made available to Empowerment until after the Town of Carrboro FY19-20 budget has been approved, and after July 1, 2019.

This recommendation can be found in Attachment B.

A summary of the funding requests can be found in Attachment C and full applications in Attachment D.

FISCAL & STAFF IMPACT: Recommended funding allocations for FY18-19 total \$49,018 which will be drawn from the Town's Affordable Housing Special Revenue Fund. This will leave a Fund balance of \$5,000 for unforeseen deposit assistance or small urgent repair requests for the remainder of the fiscal year.

The FY19-20 funding recommendation of \$16,000 will be drawn from the FY19-20 Affordable Housing Special Revenue Fund which will have an allocation for former Human Services grants.

RECOMMENDATION: Staff recommends the Board consider approving the funding allocations. A resolution for approval is provided in Attachment E.

APRIL 17, 2019

Affordable Housing Special Revenue Fund Funding Recommendations

Motion was made by Gabe Viñas, and seconded by Betty Curry that the AHAC recommends that the Board of Aldermen consider the following funding recommendations:

In the April 1, 2019 application cycle, the AHAC received three applications for funding. With \$54,018 remaining in the Affordable Housing Special Revenue Fund for the current fiscal year (FY18-19), the AHAC recommends to:

1. Reserve \$5,000 for deposit assistance or critical repairs which may arise before June 30.
2. Fully fund a request from Habitat for Humanity of Orange County of \$7,626 to provide urgent repairs for a home on 1801 North Greensboro Street in Carrboro.
3. Fully fund a request from EmPOWERment of \$35,000 to acquire an apartment on 124 Fidelity Street, Unit 12, which will add one rental unit to Carrboro's affordable housing stock.
4. Partially fund a request from Community Home Trust (CHT) for The Landing's operating reserves with the balance of the Affordable Housing Special Revenue Fund, \$6,392. The AHAC encourages Community Home Trust to apply for the balance of their \$20,000 request in the next fiscal year's first application cycle (October 1, 2019).

The AHAC reasoned that the critical repair and acquisition projects may not come to fruition without full funding and noted that the CHT application stated that their request, while critical, was not as time-sensitive. One AHAC member opposed funding CHT at less than 50% in consideration of how critical The Landings is as a rental community for the very-low to low-income and voted against this recommendation.

Affordable Housing Special Revenue Fund Requests, April 1, 2019 Cycle

The Affordable Housing Special Revenue Fund has \$54,018 remaining to fund requests through June 30, 2019. This amount is not sufficient to fully fund all three FY18-19 requests in full.

On April 17, 2019, the AHAC discussed the requests and voted to reserve \$5,000 in the fund and make the following funding recommendations:

FY2018-2019	Requested	Recommended
Habitat for Humanity	\$ 7,626	\$ 7,626
EmPOWERment	\$35,000	\$35,000
Community Home Trust	\$20,000	\$ 6,392
Total	\$62,626	\$49,018

FY2019-2020 (from Human Services allocations in next FY budget)

EmPOWERment	\$16,000	\$16,000
Total	\$16,000	\$16,000

1. Habitat for Humanity: \$7,626

Habitat proposes to replace the roof and install a new stove in a home on 1801 North Greensboro Street in Carrboro. This home was heavily damaged by fire and the leaking roof is causing health issues. The home is without a working stove. The owner has lived in his home for 30 years and is a senior citizen. His daughter, who is a student, lives with him. The household is 30% or below the AMI.

2. EmPOWERment: \$35,000

EmPOWERment requests funds for the acquisition of one apartment unit in the Hillmont Apartment Complex in Carrboro. This unit will be added to the affordable rental inventory. In addition, the 82 year-old seller approached EmPOWERment about purchasing her unit because she is having difficulty paying the rising costs of her mortgage, HOA dues, utilities and other living expenses on a low fixed income. She will pay EmPOWERment \$255 in rent, retain living rights in the unit, and be able to afford other necessary expenses.

3. Community Home Trust: \$6,392

CHT requests funds to bolster operating reserves to protect The Landings and its residents against unexpected losses and to help reach the operating reserves threshold required by NCHFA.

4. EmPOWERment: \$16,000

EmPOWERment requests funds to support operating costs of their rental management program. This request was historically supported by the Human Services Commission.

Summary of Request: In January 2019, CHT requested \$50,000 from the Affordable Housing Special Revenue Fund to build operating reserves for The Landings. The Town awarded CHT \$30,000. CHT was expected to request the remaining \$20,000 through this application process.

Of the \$30,000 award, half has been used to pay outstanding invoices for repairs and replacements. The remaining \$15,000 has been placed in operating reserves.

The current request is to “bolster operating reserves to protect the property and residents against unexpected losses. The NC Housing Finance Agency requires operating reserves to be \$188,000. These reserves were only \$82,000 when we acquired the property.” Currently, the reserves are about \$65,000. (The recent \$80,000 grant from Orange County has been restricted to The Landings replacement reserves.)

Leverage: The project goal is \$123,619 (the balance needed to achieve NCHFA required reserves of \$188,000). The Town of Carrboro is being asked to contribute \$20,000 or 16%. The remainder will be raised from private sources (foundations, donors, etc.).

Section 2: PROJECT DESCRIPTION

Please provide a thorough description of the project (by answering the "who," "what," "when," and "where" questions about your project). Do not assume the reader knows anything about the project.

A. Project Name

1. Project Name: The Landings at Winmore

B. "Who"

1. Who is the target population to be served and how will their needs be addressed through this project? If this is a repair or rehabilitation project, please address how the beneficiary meets eligibility requirements and provide substantiation, such as a deed, homeowner insurance policy statement, etc.

As a tax credit rental property, 15 apartments are required to serve households at or below 30% AMI; 21 apartments are required to serve households at or below 50% AMI. The remaining apartments serve households at or below 60% AMI. Compliance is monitored by the NC Housing Finance Agency. We believe all these residents deserve housing that is affordable, safe, and well-maintained.

2. Please indicate the income of the beneficiaries (households) to be served through the proposed project. Please see **Attachment A** for the current income limits for the Durham-Chapel Hill MSA. Please also provide documented income data for the intended recipients, such as the most recent tax return, if submitting on behalf of an individual.

Income Group (Area Median Income)	Number of Beneficiaries	% of Total Beneficiaries
<30% of the AMI	15	24
31%-60% of AMI	43 = 21 (31-50%AMI); 22 (51-60%AMI)	74
61-80% of AMI		
81-100% of AMI		
101-115% of AMI		
TOTAL		

3. **Project Staff.** Please provide names of staff, contractors, and/or volunteers that will be involved with the project. Describe their responsibilities with the project and track record in successful completion of similar projects in the past:

The Landings is managed by Partnership Property Management, a Greensboro-based company. PPM has been managing apartment complexes for more than 40 years. They manage more than 150 affordable housing apartment complexes throughout the state and region. CHT also devotes staff time to the Landings, notably from the following staff members:

1. Robert Dowling, executive director, who regularly monitors the big picture, including financials, tenant issues, the property manager and the relationship with the larger Winmore community
2. Lori Woolworth, director of operations and finance, who keeps a close eye on monthly financials and assists with budgeting and long-term projections; Lori is also willing to work with individual tenants who have complaints about the management company
3. Felicia Stroud, operations specialist, who meets one-on-one with tenants, organizes tenant outreach events and helps to resolve tenant complaints

4. Deanna Carson, homeownership program manager, who provides financial counseling, homeownership counseling and coordinates our educational activities for residents.

C. "What"

1. **Type of Activity.** Please check the category under which your project falls.

- ☐ Acquisition
- ☐ Pre-development costs
- ☐ Rental subsidy
- ☐ Ownership subsidy
- ☐ New construction for homeownership
- ☐ New construction for rental
- ☐ Rehabilitation for owner-occupied or rental (including urgent repairs - see *)
- ☐ Land banking
- ☒ Grant to land trust
- ☐ Rental deposit / utility connection assistance (Max \$1,000 - see *)
- ☐ Loan payment or loan subsidy
- ☐ Foreclosure assistance
- ☒ Other (specify): The Landings needs to bolster operating reserves to protect the property and residents against unexpected losses. The NC Housing Finance Agency requires operating reserves to be \$188,000. These reserves were only \$82,000 when we acquired the property.

**Starred items requesting no more than \$5,000 or 15% of the existing fund, whichever is lower, do not have to provide performance measures and can apply outside of the funding cycles.*

2. **Project Description.** Please provide a general overview of your project, including what you are planning to produce and how you are planning to carry out the project.

The Landings was built in 2010. Community Home Trust acquired the property at the end of 2017. The property was losing money and in decline due to poor management. CHT determined that we needed to acquire the Landings to retain 58 apartments as viable, affordable rental housing. We are working closely with the new property manager to enable the property to break even on an operating basis in the fiscal 2019-2020 fiscal year. However, the property's operating reserves, which are a buffer against unexpected losses, total just \$65,000. I should mention that the \$65,000 includes \$15,000 of funds from Carrboro. The other \$15,000 has been expended already. We are seeking to bolster operating reserves because we have learned that unexpected losses can inhibit our ability to properly respond to the needs of tenants.

D. "Where"

1. **Project Location.** Please be as specific as possible.

The Landings is in the Winmore development. The rental office address is 100 Andy's Lane, Carrboro, NC 27510. The 58 apartments are located in four buildings on both Andy's Lane and South Camellia Street.

2. **Project Size (if applicable).** Please provide the size of development site: N/A acres

Please attach the following:

- ☐ Site map showing lot boundaries, locations of structure(s), and other site features

☒ General location map (at least ½ mile radius)

E. "When" N/A

☐ Attach a **detailed** timetable showing when each work task will be completed (e.g., planning; obtaining financial commitments; design; environmental review; bidding; loan closing; key milestones in construction; marketing; final inspection; occupancy; etc.)

F. Project Details

If the questions below are not applicable or the requested information is not currently available, please insert N/A.

1. Property Acquisition. N/A

- a. Has your agency acquired real property in order to carry out the project, or is property acquisition planned? _____
- b. Is the property currently occupied? If so, attach a description of your plan to relocate.
- c. Please attach an appraisal of the property.

2. Construction/Rehabilitation Detail. N/A

- a. How many units will be newly constructed?
- b. How many units will be rehabilitated?
- c. What is the square footage of each unit?
- d. What is the number of bedrooms in each unit?
- e. What is the number of bathrooms in each unit?
- f. How many units will have full ADA accessibility?
- g. Is the proposed project located in Carrboro Town limits, ETJ, or transitional area?
- h. Please attach the following:
 - ☐ Floor plan(s)
 - ☐ Elevation(s)
 - ☐ List of Energy Efficiency measures included in the project (if applicable)
 - ☐ List of Universal Design principles included in the project (if applicable)

3. Design, Affordability, Marketing, and Supportive Services.

- a. Describe any methods to ensure long-term affordability of housing units, including subsidy recapture, equity sharing, deed restrictions, etc.: **The Landings must remain affordable until at least 2040, however, since the Landings is a CHT property, we expect it will be affordable in perpetuity.**

- b. What are the *actual* rents (including utility costs) or sales prices for completed units?
 2-bedroom*: \$426 (30% AMI); \$813 (50% AMI); \$836 (60% AMI)
 3-bedroom*: \$485 (30% AMI); \$933 (50% AMI); \$958 (60% AMI)

*Actual rents are discounted to include a utility allowance for gas and electric. Trash collection and water and sewer services are included in the rent.

- c. Explain your agency's process for marketing to ensure an adequate pool of income-eligible renters to buyers: **The Landings is promoted throughout the County: Full-color flyers with pull-aways are placed in local stores; street signage at entrance to the Winmore subdivision; and referrals from Orange County Section 8, CEF, and current tenants.**

Currently, there are 17 people on the waitlist, two of whom are in the final stages of compliance verification for the currently open units.

- d. Describe the use of energy efficient principles, universal design, and/or materials with extended life span. **CHT did not develop the Landings nor did we have input into building materials or universal design components. However, in the future, if we receive sufficient funding from private sector funders, we will increase energy efficiency fixtures and other building materials.**
- e. What supportive services, if any, will be provided through this project? **There are no supportive services offered to residents. However, CHT provides budgeting and financial counseling classes and we hope to provide additional services, such as stronger links to DSS in the future.**

Section 3: PERFORMANCE MEASUREMENTS

A. Goals and Objectives

Please complete the following chart with information about the project's goals and objectives.

Goal/Objective	Measurement
<i>Ex: Provide housing for low- to moderate-income households.</i>	<i>Ex: By 2020, build ten units that are affordable to households earning less than 80%AMI.</i>
Build operating reserves to increase the buffer against unexpected losses.	By December 2019, the Landings' will be breaking even on an operating basis, including making contributions to reserves.
Maintain buildings to ensure healthy environments for all residents.	Every apartment in the Landings will be inspected regularly for leaks, mold and other health-related problems. All unhealthy conditions will be addressed promptly.

B. Alignment with Town Goals and adopted affordable housing strategies.

Please explain how the proposed project aligns with the Board of Aldermen Goals and adopted affordable housing strategies.

This effort speaks directly to the affordable housing goal: 2.4 Reduce erosion of rental housing quality and affordability. The Landings was developed by Crosland as a Low-Income Housing Tax Credit (LIHTC) development in 2010. However, the property was not well maintained and lost money 2015-2017 and continued to lose money in 2018 after Community Home Trust assumed ownership. As a result, operating reserves declined from \$82,000 in January 2018 to \$50,000 in February 2019. The Home Trust has assessed and begun to address the three principal reasons for the losses: 1. deferred maintenance, 2. a high vacancy rate, and 3. excess damages to apartments at turnover.

Section 4: PROJECT BUDGET AND PRO-FORMA

A. Project Budget

☒ Attach a **detailed project budget** in Excel format showing all sources and uses of funds. Indicate which funds are committed or pending and include the % of committed funds toward this project. Attach funding commitment letters where available or copies of funding applications previously submitted.

☐ Has an appraisal been conducted? If so, please attach.

B. Terms of Project Funding

Please specify the type of funding request for which you are applying:

☒ Grant ☐ Loan

C. Pro-forma (for rental property only)

☒ If you are developing a property for rent, please attach a 20-year pro-forma showing estimated income, expenses, net operating income, debt service, and cash flow.

Section 5: ORGANIZATION DESCRIPTION

A. Organization

What is your organization's . . .

1. Mission statement?
To strengthen our community with permanently affordable housing opportunities
2. Incorporation date (Month and Year)? **May 1999**
3. Estimated Total Agency Budget for this fiscal year? **\$ 958,000**
4. Total number of agency staff (full time equivalents): **9.5 FTE**

B. Organization Track Record and Community Support

Please describe your organization's experience and ability to carry out the proposed project, including:

1. Evidence of coordination of this application with other organizations to complement and/or support the proposed project: **Community Home Trust recently obtained \$80,000 of grant funding from Orange County to support the Landings. We are also seeking funding from private sources, such as banks and foundations.**
2. Involvement of intended beneficiaries of the project in the planning process: **N/A**
3. Past achievements in carrying out similar projects and evidence of successful record of meeting proposed budgets and timetables: **Although we are new to affordable rental housing, we have 20+ years of successful development and management of affordable homes in Orange County, including Carrboro. Since we sell homes using a 99-year ground lease, we are well versed in the need for long-term maintenance.**
4. Collaborative relationships with other agencies: **Community Home Trust collaborates with CECI and Habitat for Humanity of Orange County on providing homebuyer education classes. We collaborate with Habitat for Humanity, Self Help Credit Union and the Jackson Center on the Northside Neighborhood Initiative. And we collaborate with Inter-Faith Council for Social Service, Justice United, and Caramore Community on our new master leasing program.**
5. Plans to develop linkages with other programs and projects to coordinate activities so solutions are holistic and comprehensive: **Community Home Trust is/will connect the tenants of the Landings with community resources, including: Department of Social Services, IFC Food Pantry, Piedmont Health Services and PACE, etc.**
6. Any other features relating to organization capacity that you consider relevant, (i.e. property management experience, including accepting Section 8 Vouchers, etc.): **As mentioned previously, CHT has retained the services of Partnership Property Management, which manages the Landings. Additionally, the Landings accepts Housing Choice Vouchers. In fact, more than half of the tenants at the Landings receive vouchers.**

Section 6: DISCLOSURE OF POTENTIAL CONFLICTS OF INTEREST

Are any of the Board Members or employees of the agency which will be carrying out this project, or members of their immediate families, or their business associates:

- a) Employees of or closely related to employees of the Town of Carrboro
YES ☐ NO ☒
- b) Members of or closely related to members of the governing bodies of Carrboro?
YES ☒ NO ☐
- c) Current beneficiaries of the project/program for which funds are requested?
YES ☐ NO ☒
- d) Paid providers of goods or services to the program or having other financial interest in the program?
YES ☐ NO ☒

If you have answered YES to any question, **please explain below**. The existence of a potential conflict of interest does not necessarily make the project ineligible for funding, but the existence of an **undisclosed** conflict may result in the termination of any grant awarded.

Bethany Chaney, Alderwoman for the Town of Carrboro, sits on the Community Home Trust Board of Directors representing the Town. Per the Community Home Trust bylaws, 1/3 (five) of our board is appointed by our four local governments, including the Town of Carrboro, and UNC-Chapel Hill.

Operating reserve analysis

As of 2/28/2019

NCHFA required operating reserves =	188,662	
Operating reserves at CHT acquisition =	81,938	12/29/2017
Interst earned =	746	
NCHFA approved withdrawal =	-22,897	
NCHFA approved withdrawal =	-9,744	
Operating reserve balance as of 2/28/19	50,043	
Appropriated cash from Carrboro =	15,000	
Total funds available for operations =	65,043	
Shortage from required level of reserves	123,619	
Request to Carrboro	20,000	Our current request to Carrboro
Balance remaining	103,619	Funds to be raised over next 12 months

CHT is requesting additional operating reserves from a variety of private sources, including banks, individuals and foundations.

Although no funds have been committed, we hope to raise the remaining balance during the next 12 months.

We are requesting \$20,000, of the needed \$123,619, from the Town of Carrboro

This represents just over 16% of the needed funds

It should be explicitly stated that CHT does not need this \$20,000 in this funding cycle.

Since the funds are needed to protect against unexpected losses, and since Carrboro has already bolstered the financial condition of the Landings with a \$30,000 grant, these funds are not urgently needed

If there are insufficient funds available for all the requests to the Town, CHT can reapply in the fall.

Summary of Request: This request is submitted by Habitat's Home Preservation Program which performs repairs and rehabs for low-income, elderly or disabled homeowners. Habitat has approved a project for Mr. Edric Cotton of 1801 North Greensboro Street, Carrboro, NC 27510. Mr. Cotton has owned his home for 30 years and lives with his daughter who is a full time student. He is 66 years old. The application notes his home was damaged in a fire. This request will install a new roof to replace the current roof which is leaking and causing health issues. It will also purchase and install a new stove. Mr. Cotton is contributing \$100 toward this project.

Leverage: Project Total is \$9,101. The Town of Carrboro is being asked to fund 84% of project, Orange County Human Services 15%, and Mr. Cotton 1%.

Town of Carrboro

Affordable Housing Special Revenue Fund Application

OVERVIEW

The Town of Carrboro established an Affordable Housing Special Revenue Fund in 2007. The goal of the Affordable Housing Special Revenue Fund is to advance the Town's goal of increasing and improving the stock of affordable housing within Carrboro and its planning jurisdiction.

The Affordable Housing Task Force was established in 2012 for the purpose of creating recommendations for an affordable housing strategy. In June of 2014, this goal was accomplished when the Board of Aldermen approved the Town's Affordable Housing Goals and Strategies document. From this work, an Affordable Housing Advisory Commission (AHAC) was formed in 2017. This Commission's responsibilities include:

- Reviewing and making recommendations to the Board of Aldermen for new or revised policies regarding the operation of the Affordable Housing Fund;
- Reviewing and making recommendations to the Board of Aldermen on affordable housing funding applications.

With this in mind, beginning in April 2019, requests for funding (as explained below) will be reviewed by the AHAC who will then make a recommendation to the Board of Aldermen regarding the request.

FUNDING

Source of Funds. The Affordable Housing Special Revenue Fund may be funded by payments made by developers in lieu of providing affordable housing units under the applicable provisions of the Land Use Ordinance. Other revenue sources for the fund may include grants, donations, loans, interest payments, or other contributions or assignments.

The principal and interest earned on funds received from developers, grants, donations, loans, interest payments, or other revenues that may become available also accrue to this fund. As the Affordable Housing Special Revenue Fund develops over time, it is anticipated that funding will be available for time-sensitive acquisition requests that arise outside the established funding cycles.

In June of 2018, the Board of Aldermen passed a half cent property tax increase. This will provide a yearly source of revenue for the fund of approximately \$112,500.

APPROVAL

In 2018 the Board of Aldermen voted to allow the Town Manager to approve or deny funding applications for no more than \$5,000 or 15% of the existing fund, whichever is lower. These applications do not have to provide performance measures and can apply outside of the funding cycles.

Any requests over this threshold that are not appropriated by the Board of Aldermen during the budget cycle will complete the following application. The application will be reviewed by the AHAC and their recommendation to approve or deny funding will go to the Board of Aldermen.

ELIGIBILITY

Nonprofits and individuals working with nonprofits may apply for funds to be used to address projects that meet the Town's affordable housing goals. Please see our website for a list of local housing providers: <http://www.townofcarrboro.org/982/Affordable-Housing>

In order to qualify for participation in the Affordable Housing Special Revenue Fund process, the following criteria must be met by the beneficiaries (individuals), if applicable, and substantiated by the applicant (nonprofit organizations):

- a. Beneficiaries must be a resident of Carrboro or the Carrboro planning jurisdiction, or purchasing a home in Carrboro or the Carrboro planning jurisdiction;
- b. Beneficiaries or applicants must be unable to obtain a loan, either subsidized or unsubsidized, on comparable terms and conditions;
- c. Beneficiaries or applicants must be the owner of the property in fee simple or leasehold estate and have paid or have appropriate arrangements with the county tax assessor to pay the tax bill, if the property is to be rehabilitated, or have clear title if the property is to be purchased or constructed;
- d. Beneficiaries must be residing in the property to be rehabilitated, or if purchased or constructed, occupy the property when the acquisition is completed. The building or affordable unit that is subject to program funding must have an anticipated life of at least 20 years after rehabilitation, or 30 years, if constructed or acquired;
- e. Beneficiaries must have a gross household income of 115% of the Area Median Income or less, with priority given to households at 80% of AMI and below for homeowners, and 60% of AMI and below for renters, unless otherwise described (Please see Attachment A for current income limits.);
- f. Beneficiaries must also have an intact homeowner's insurance policy, if applicable.

PROJECT REPORTING AND MONITORING

Recipients of funds for development are required to submit written progress reports to the Town by the end of the fiscal year (June 30) to monitor progress and performance, financial and administrative management, and compliance with the terms of the performance agreements. Reporting information may include: progress toward achieving performance goals, description of activities/challenges, and revisions of proposed project timelines/budgets. Please submit annual reports electronically by June 30 to: rbuzzard@townofcarrboro.org

Recipients of funds for home repairs/rehab are to submit details of work completed when submitting invoices for reimbursement of funds.

PERMITTED USES OF FUNDING

Development & Acquisition

Loans: 1. To guarantee the payment of loans or subsidize the interest rate on loans made by financial institutions to beneficiaries for the purpose of acquiring affordable housing.

2. To provide direct deferred payment loans to beneficiaries to supplement loans made by financial institutions for the purpose of acquiring affordable housing.

Land Banking: To assist in the purchase of land for conveyance to nonprofit affordable housing agencies.

Construction: To pay some or all of the expenses associated with the construction of affordable housing.

Acquisition: To acquire developed properties suitable for resale to individuals or families. Applicants qualifying under the percentage of AMI shall be approved in advance by the Board of Aldermen.

Pre-development Costs: To pay some or all of the pre-development costs (such as feasibility studies, appraisals, land options and preparation of an application) for projects to be developed for the purpose of providing rental or owner-occupied affordable housing.

Land Trust: To provide grants to organizations for land trust projects that guarantee long-term affordability of a property through a 99-year renewable ground leases or for maintenance of land trust housing stock.

Subsidy: To provide permanent subsidies to reduce the sale price of new or existing housing units so as to make them more affordable.

Rehabilitation & Preservation

- To provide for emergency home repairs of properties in the affordable housing stock. *
- To provide for the maintenance of properties in the affordable housing stock that are falling into disrepair.*
- To guarantee the payment of loans or subsidize the interest rate on loans made by financial institutions to beneficiaries for the purpose of rehabilitating affordable housing.
- To provide direct deferred payment loans to beneficiaries to supplement loans made by financial institutions for the purpose of rehabilitating affordable housing.
- To provide grants or loans to nonprofits to avoid losing homes in the permanent affordable housing stock as a result of foreclosure.

Housing Stabilization

- To provide rental and/or utility deposit grants for Housing Choice Voucher, Permanent Supportive Housing (PSH), Rapid Re-housing, HUD-VASH and Housing Opportunities for Persons w/ AIDS (HOPWA) recipients relocating to rental units in Carrboro as a result of their current rental units no longer accepting a housing subsidy listed above.*
- To provide rental and/or utility deposit grants for those who have been assessed by the Coordinated Entry process as it relates to homelessness and have identified safe, decent, and affordable housing. *
- Assistance may be used for payment of security deposits, utility connections and/or rental payments given extenuating circumstances.*

*Starred items requesting no more than \$5,000 or 15% of the existing fund, whichever is lower, do not have to provide performance measures and can apply outside of the funding cycles.

FUNDING PRIORITIES

The fund is dedicated to the development and preservation of affordable housing. Priority goals include **increasing the supply of affordable housing units, increasing the quality of housing stock while maintaining affordability, and helping people stay in the homes they have (both owners and renters).**

Priority project areas include:

- Rental projects that serve households with incomes 60% and below the Area Median Income (AMI)
- Homeownership projects that serve households with incomes 80% and below the AMI.

GENERAL APPLICATION INFORMATION AND PROCEDURES

Funding applications are accepted three times a year: October 1, January 1, and April 1. Funding is based on the availability of funds. Only as many funding cycles will be completed as necessary to use the available funds. All application documents should be submitted electronically to Rebecca Buzzard, 919-918-7438 or rbuzzard@townofcarrboro.org. Applications are reviewed by the Affordable Housing Advisory Commission and evaluated using a scoring rubric, which is available as Attachment C. The AHAC's recommendations for funding are then forwarded to the Board of Aldermen for final approval.

B. Project Information

Project Name: Home Preservation Repair Project at 1801 North Greensboro Street

Total Project Cost: \$9,101

Total Amount of Funds Requested: \$7,626

Please specify which permitted use of funding is being requested (as listed in Section 2: C.1.): This project falls under the following permitted use of funding: To provide for the maintenance of properties in the affordable housing stock that are falling into disrepair. In addition, this project addresses the priority goals of increasing the quality of housing stock while maintaining affordability and helping people stay in the homes they have. This project also serves a homeowner at the priority income level of 80% or less of the AMI.

Proposed Use of Funds Requested (*provide a concise description of proposed project and how it meets the criteria of eligible uses*): Habitat for Humanity of Orange County proposes to use \$7,626 from the Town of Carrboro's Affordable Housing Special Revenue Fund to complete much-needed repairs on the home of Mr. Edric Cotton, located at 1801 North Greensboro Street. Replacing Mr. Cotton's roof and purchasing and installing a new stove in his home will maintain a property in Carrboro's affordable housing stock that is falling into disrepair.

To the best of my knowledge and belief all information and data in this application are true and current. The document has been duly authorized by the governing board of the applicant.

Section 2: PROJECT DESCRIPTION

Please provide a thorough description of the project (by answering the "who," "what," "when," and "where" questions about your project). **Do not assume the reader knows anything about the project.**

A. Project Name

1. Project Name: Home Preservation Repair Project at 1801 North Greensboro Street

B. "Who"

1. Who is the target population to be served and how will their needs be addressed through this project? If this is a repair or rehabilitation project, please address how the beneficiary meets eligibility requirements and provide substantiation, such as a deed, homeowner insurance policy statement, etc. The targeted client group for Habitat's Home Preservation repair program is low-income homeowners (less than 80% of area median income) who live in Orange County, who are unable to maintain their homes themselves, and who need modifications to their homes so that they can continue to live in and enjoy them. The majority of clients served by the Home Preservation program are elderly, and many are also disabled. The recipient of this specific project is Mr. Edric Cotton. Mr. Cotton is 66 years old and has owned his home for 30 years. His daughter, a full-time student, also resides in the home. Mr. Cotton can trace his family history in Orange and Chatham Counties back to the 1700s. These repairs will lift a huge financial burden from his shoulders. If his roof goes unrepaired, then water damage and associated structural and health issues will escalate. Habitat proposes to replace the roof of the home, which is leaking, and to purchase and install a new kitchen stove. After a house fire five years ago, Mr. Cotton was unable to afford to replace his stove, and has been living without one ever since. Mr. Cotton and his home meet all of the eligibility requirements for this funding source. A corresponding letter signed by the homeowner is attached.

2. Please indicate the income of the beneficiaries (households) to be served through the proposed project. Please see **Attachment A** for the current income limits for the Durham-Chapel Hill MSA. Please also provide documented income data for the intended recipients, such as the most recent tax return, if submitting on behalf of an individual.

Income Group (Area Median Income)	Number of Beneficiaries	% of Total Beneficiaries
<30% of the AMI	2	100%
31%-60% of AMI	0	0%
61-80% of AMI	0	0%
81-100% of AMI	0	0%
101-115% of AMI	0	0%
TOTAL	2	100%

3. **Project Staff.** Please provide names of staff, contractors, and/or volunteers that will be involved with the project. Describe their responsibilities with the project and track record in successful completion of similar projects in the past: The activities of Habitat's Home Preservation program are carried out primarily by Marisa Martini, Community Development Manager, and Ed Kuczynski, Home Preservation Manager. Ms. Martini is responsible for marketing the program, processing program applications, meeting with homeowners, recruiting volunteers, and conducting homeowner satisfaction surveys, while Mr. Kuczynski is responsible for assessing potential projects, obtaining supplies, coordinating subcontractors, and supervising volunteers. The program activities will be carried out primarily at the Habitat office and on the project site. Ms. Martini and Mr. Kuczynski began leading the repair program in 2017. Both overlapped with

outgoing program staff, ensuring plenty of time for training and a smooth transition. Ms. Martini and Mr. Kuczynski are both highly qualified for their current roles. After receiving her Masters of Public Health from UNC-CH, Ms. Martini interned with the Orange County Department on Aging. Among other tasks, she worked closely with Habitat staff to coordinate and lead affordable senior housing focus groups, which are still informing Habitat's policy and design decisions as we plan for our first senior housing development. Following this, she interned with Habitat's Homeowner Services Department until she was hired on as full-time staff. Mr. Kuczynski is a licensed general contractor, and comes to Habitat after owning his own residential remodeling company for 25 years. Since they began leading the program, Ms. Martini and Mr. Kuczynski have successfully completed 37 repair projects in Orange County, and improved the housing situation of each of these homeowners.

**Starred items requesting no more than \$5,000 or 15% of the existing fund, whichever is lower, do not have to provide performance measures and can apply outside of the funding cycles.*

2. Project Description. Please provide a general overview of your project, including what you are planning to produce and how you are planning to carry out the project. Habitat's Home Preservation Program provides affordable repairs to low- to moderate-income homeowners in Orange County. The program's target population is elderly and/or disabled homeowners who struggle to afford regular or critical home maintenance. Over 90% of repairs completed have been for older adults ages 50 and up, of which nearly half have lived in their homes for at least 20 years. Additionally, 85% of recipients had deferred maintenance for at least one year due to cost. The Towns and the County all recognize in their goals the need for strong social services that improve residents' well-being. The Home Preservation program directly addresses these goals. Decent and affordable housing is an important factor in mental and physical health. By helping people stay in their homes safely and affordably, the Home Preservation program will directly improve the well-being of 30 Orange County residents this year. By providing affordable home repairs, Habitat has enabled older adults in our community to maintain safe, dignified, accessible places to call home. Repairs may range from minor exterior work such as painting, to more urgent critical repairs such as roof replacements. Depending on the scope of work, Habitat mobilizes volunteers and/or coordinates subcontractors to complete repairs. Exterior repair and landscaping work is often completed by volunteers under the supervision of Habitat staff. The average project requires 250 hours of volunteer labor. Volunteers represent a broad cross-section of the Orange County population, including high school and college students, members of religious groups, local businesses, and residents from within the communities themselves. For more intensive repairs, subcontracted labor will be used to ensure efficiency and safety in the home. Habitat has identified a

number of contractors who are committed to Habitat's mission, as well as sensitive to its budgetary needs. Homeowners are asked to make a small payment towards the cost of the materials for the repairs on a sliding scale based on their income. Payments range from \$50-450, which can be paid over a period of four months to ensure affordability. The demand for this program has remained steady over the years. Upon completion of each repair project, Habitat staff administers a post-repair survey to the homeowner. This survey tool was developed in order to monitor and evaluate the Home Preservation program. The survey includes process and outcome evaluation questions, and also asks the homeowner for feedback about the Home Preservation program. Habitat uses the survey results to continually improve the Home Preservation program, measure impact, and ultimately better serve eligible residents. For this project specifically, Habitat will hire a roofing contractor to replace Mr. Cotton's roof. Habitat staff will install the new stove. Mr. Cotton's payment for the project will be \$100.

D. "Where"

1. Project Location. Please be as specific as possible. 1801 North Greensboro Street, Carrboro, NC 27510

2. Project Size (if applicable). Please provide the size of development site: 0.37 acres

Please attach the following:

- ☒ Site map showing lot boundaries, locations of structure(s), and other site features
- ☒ General location map (at least ½ mile radius)

E. "When"

☐ Attach a **detailed** timetable showing when each work task will be completed (e.g., planning; obtaining financial commitments; design; environmental review; bidding; loan closing; key milestones in construction; marketing; final inspection; occupancy; etc.) After receiving and pre-qualifying Mr. Cotton's application, Habitat's Home Preservation Manager completed an in-person assessment of his home on March 5. Recommendations were presented to Habitat's internal committee on March 12, and the project was approved to move forward. The project has an estimated completion date of April 30, 2019.

F. Project Details

If the questions below are not applicable or the requested information is not currently available, please insert N/A.

1. Property Acquisition.

- a. Has your agency acquired real property in order to carry out the project, or is property acquisition planned? No.
- b. Is the property currently occupied? If so, attach a description of your plan to relocate. Yes, the property is currently occupied. There is no need for a relocation plan. The residents will be able to continue living there throughout the project.
- c. Please attach an appraisal of the property. N/A

2. Construction/Rehabilitation Detail.

- a. How many units will be newly constructed? 0
- b. How many units will be rehabilitated? 1

- c. What is the square footage of each unit? N/A
- d. What is the number of bedrooms in each unit? N/A
- e. What is the number of bathrooms in each unit? N/A
- f. How many units will have full ADA accessibility? N/A
- g. Is the proposed project located in Carrboro Town limits, ETJ, or transitional area? Yes.
- h. Please attach the following:
 - ☐ Floor plan(s) N/A
 - ☐ Elevation(s) N/A
 - ☐ List of Energy Efficiency measures included in the project (if applicable) N/A
 - ☐ List of Universal Design principles included in the project (if applicable) N/A

3. Design, Affordability, Marketing, and Supportive Services.

- a. Describe any methods to ensure long-term affordability of housing units, including subsidy recapture, equity sharing, deed restrictions, etc.: Because of the relatively small-scale nature of Home Preservation projects, no methods to ensure long-term affordability of housing units are in place. To apply restrictions to individuals who already own their homes in exchange for repairs for which they are paying no more than \$450, and which are costing the organization less than \$10,000 to complete, would be an excessive burden. Most Home Preservation recipients are elderly and the repairs enhance their ability to age in place, which helps to ensure that their housing continues to be affordable for them. Additionally, the generational nature of many of the neighborhoods in which we repair homes increases the likelihood that housing will be passed on to family and remain affordable. Habitat continues to work closely with the community to improve housing conditions overall in Orange County.
- b. What are the proposed rents (including utility costs) or sales prices for completed units? N/A
- c. Explain your agency's process for marketing to ensure an adequate pool of income-eligible renters to buyers: Habitat collaborates with other community organizations to market the program among local leaders and residents in its target areas. Habitat makes presentations at neighborhood meetings. Faith congregations and other neighborhood hubs also help to publicize the program. Articles, photos, and application information is included in community publications and on Habitat's website. Word-of-mouth and door-to-door canvassing have also been effective in recruiting applicants.
- d. Describe the use of energy efficient principles, universal design, and/or materials with extended life span. When applicable, Habitat's Home Preservation repair program always strives for low-cost utility expenses by utilizing energy-efficient principles and products, incorporates universal design elements, and utilizes low-maintenance, quality materials to extend the life of the unit. Mr. Cotton's new roof will feature 25-year rated shingles and will help with the energy-efficiency of his home by sealing leaks and drafts. Mr. Cotton's new stove will be a good quality product that will help him remain independent in his home. Habitat always seeks to balance quality and affordability in its materials and purchasing decisions.

- e. What supportive services, if any, will be provided through this project? Through our work with the Orange County Home Repair Coalition we can connect senior homeowners with the Orange County Department on Aging for services to help them age in place, if necessary.

Section 3: PERFORMANCE MEASUREMENTS

A. Goals and Objectives

Please complete the following chart with information about the project's goals and objectives.

Goal/Objective	Measurement
<i>Ex: Provide housing for low- to moderate-income households.</i>	<i>Ex: By 2020, build ten units that are affordable to households earning less than 80%AMI.</i>
Provide affordable home repairs to low- and moderate-income homeowners in Orange County.	<u>Before June 30, 2019, complete one repair project at the home of Mr. Edric Cotton located at 1801 North Greensboro Street in Carrboro.</u>

B. Alignment with Town Goals and adopted affordable housing strategies.

Please explain how the proposed project aligns with the Board of Aldermen Goals and adopted affordable housing strategies. This project aligns with the Town of Carrboro's Priority Affordable Housing Goals to increase the quality of housing stock while maintaining affordability, and to help people stay in the homes they have. Replacing Mr. Cotton's roof and installing a stove in his home will definitely increase the quality of the house, without burdening him financially. It will also ensure that he is able to continue living safely and comfortably in the home he has owned for 30 years. The Home Preservation program was established by Habitat to help preserve affordable homeownership by offering repairs for low-income families. A key to maintaining safe, decent housing is keeping homeownership maintenance and upkeep affordable. Through small financial and sweat equity investments, families are able to install accessibility ramps, repair broken doors, replace damaged siding, remove yard debris, repair damaged flooring, replace a roof, and apply a fresh coat of paint to their homes. While there are no long-term restrictions included in our agreement with Home Preservation homeowners, families are selected based on need and willingness to partner with the Habitat model. Families who apply and are selected for the program are long-term homeowners, most of whom have lived in their current homes for at least a decade. We work with families who desire to maintain their current home with the pride, dignity, and safety that it once held. The Home Preservation program helps to address the development pressures in our community by supporting preservation of single-family residential housing by repairing existing homes. Recipients are often overlooked and underserved members of our community.

Section 4: PROJECT BUDGET AND PRO-FORMA

A. Project Budget

- ☒ Attach a **detailed project budget** in Excel format showing all sources and uses of funds. Indicate which funds are committed or pending and include the % of committed funds toward this project. Attach funding commitment letters where available or copies of funding applications previously submitted.

☐ Has an appraisal been conducted? If so, please attach. N/A

B. Terms of Project Funding

Please specify the type of funding request for which you are applying:

☒ Grant ☐ Loan

C. Pro-forma (for rental property only)

☐ If you are developing a property for rent, please attach a 20-year pro-forma showing estimated income, expenses, net operating income, debt service, and cash flow. N/A

Section 5: ORGANIZATION DESCRIPTION

A. Organization

What is your organization's . . .

1. Mission statement? Seeking to put God's love into action, Habitat for Humanity of Orange County brings people together to build homes, communities, and hope. Our vision is an Orange County where everyone has a decent place to live.
2. Incorporation date (Month and Year)? April 1984
3. Estimated Total Agency Budget for this fiscal year? \$5,166,049
4. Total number of agency staff (full time equivalents): 17

B. Organization Track Record and Community Support

Please describe your organization's experience and ability to carry out the proposed project, including:

1. Evidence of coordination of this application with other organizations to complement and/or support the proposed project. Since its inception, the Home Preservation program has been coordinated with the Orange County Housing and Community Development Department, Rebuilding Together of the Triangle, and JOCCA to match families with the program that can best and most efficiently serve their repair needs. Home Preservation works with local faith congregations, community members, and volunteer groups to provide labor at no cost to the homeowners in order to keep their repair costs low. Habitat has partnered closely with community groups such as the Rogers-Eubanks Neighborhood Association, Fairview Community Watch in Hillsborough, and Northside and Pine Knolls Community Outreach to identify homeowners and volunteers from within their own community as program participants. Agencies such as the Jackson Center and EmPOWERment have assisted in identifying program participants, in sending volunteers to the construction site, and as liaisons between Habitat staff and community members. In 2016, an offshoot of the Northside Developers group was formed. This new group comprised of Habitat, the Jackson Center, and Rebuilding Together met monthly as a repair coalition to evaluate repair needs within Northside, Pine Knolls, Rogers Road, and other areas in the County. The strategy is to serve as many families as possible and make each organization's investment more impactful by dividing the work each agency will perform. Going forward, we will continue our joint efforts in repairing homes in the community.
2. Involvement of intended beneficiaries of the project in the planning process. Habitat's Home Preservation program was designed with community input. In 2010, Habitat first began offering repairs in response to requests in the neighborhoods where we were building new homes. In 2016,

we began offering critical repairs in response to demand. Our program structure has been modified over the years based on feedback from recipients, who fill out a survey post-project and are invited to communicate frequently. For each project, Habitat staff walk homeowners through the application process, and meet with them one-on-one to assess their home and discuss their requests. Habitat staff work closely with the homeowner to ensure that they fully understand and are satisfied with what they will be receiving.

3. Past achievements in carrying out similar projects and evidence of successful record of meeting proposed budgets and timetables. Since 2010, Habitat has completed 130 repairs in Orange County. All of these projects have been completed with funding support from Orange County, the Town of Chapel Hill, and the Town of Carrboro. Habitat works closely with government funders to ensure that progress reports and final reporting are accurate and complete.
4. Collaborative relationships with other agencies. Habitat is a member of the Orange County Home Repair Coalition, comprised of Habitat, Rebuilding Together of the Triangle, Orange County Urgent Repair, and the Department on Aging's Handy Helpers. The purpose of this Coalition is to increase coordination and communication across repair programs in order to better utilize resources and provide more comprehensive repairs. Habitat is also a member of the Orange County Affordable Housing Coalition, a group of housing providers and advocates who are working together to increase resources for the full range of housing needs in Orange County, including home repair.
5. Plans to develop linkages with other programs and projects to coordinate activities so solutions are holistic and comprehensive. Partnerships are essential to every Habitat program. We believe that collaboration is better than competition. We believe that neighborhood revitalization comes when each individual and group contributes its best towards a common goal. In addition to its existing partnerships, Habitat has deepened its coordination with the Jackson Center, Rebuilding Together of the Triangle, and the Promise of Homes program. Habitat will help by completing repairs that are outside of other agencies scope of work, and vice versa. This demonstrates collaboration and coordinated efforts to serve families with demonstrated need through agency-appropriate resources. Families are the ultimate winners here, because they are receiving the comprehensive home repairs they need, through multiple agencies if necessary.
6. Any other features relating to organization capacity that you consider relevant, (i.e. property management experience, including accepting Section 8 Vouchers, etc.). N/A

Section 6: DISCLOSURE OF POTENTIAL CONFLICTS OF INTEREST

Are any of the Board Members or employees of the agency which will be carrying out this project, or members of their immediate families, or their business associates:

- a) Employees of or closely related to employees of the Town of Carrboro
YES ☐ NO ☒
- b) Members of or closely related to members of the governing bodies of Carrboro?
YES ☐ NO ☒
- c) Current beneficiaries of the project/program for which funds are requested?
YES ☐ NO ☒
- d) Paid providers of goods or services to the program or having other financial interest in the program?
YES ☐ NO ☒

If you have answered YES to any question, **please explain below**. The existence of a potential conflict of interest does not necessarily make the project ineligible for funding, but the existence of an **undisclosed** conflict may result in the termination of any grant awarded. N/A

This is a traditional built home.

An assessment of repairs was done on Mr. Cotton's home on March 5th, 2019 and the following items are noted for discussion for possible repair through the Home Preservation Habitat program.

RECOMMENDED REPAIRS:

- 1. Replace roof on home with new roof including the addition of ridge vent.**
- 2. Replace kitchen range/oven. Owner had a fire in the kitchen five years ago and stove was not replaced. Currently living without a stove in the kitchen.**

DISCUSSED WITH HOMEOWNER BUT NOT RECOMMENDED:

- 3. Repair drainage issues around house and in yard**

In discussion with owner it was discovered that while he has some water flowing under the house and in the yard this is the first time it has occurred. The amount of rain received in the area could contribute to this problem. Considering the level of rain we have received, the cost of the repair, and the occurrence only one time this repair is not recommended. Owner is fine focusing on the roof and the stove as this will take all of our budget for the project.

COST AND LABOR:

Reroof house with Carolina Professional Roofing \$5800.00 plus \$300.00 for roof repair - \$6100.00
Purchase and install new kitchen stove with oven \$400.00

TOTAL COST OF REPAIRS \$6500.00

Summary of Request: EmPOWERment requests funding to support the purchase of 1 rental unit to add to Carrboro's affordable housing stock. The apartment is located at 124 Fidelity Street (Unit 12) in Carrboro. The unit is a 1 bedroom, 1 bath, 560 square foot apartment built in 1965. It has a tax value of \$70,400. EmPOWERment plans to purchase the unit for \$44,000. (Closing costs and modest upgrades are expected to cost an additional \$2,000.)

The unit is occupied by its current owner, Emily Gordon. Ms. Gordon is 82 years old and is concerned that she may lose her home because her low, fixed income may not be sufficient for rising HOA dues and mortgage payments. Currently she pays \$440/month for mortgage, utilities, and \$175 for HOA dues.

Ms. Gordon approached EmPOWERment with this proposal to purchase her home. Ms. Gordon will continue to live in her apartment and pay EmPOWERment \$255 in rent. EmPOWERment will be responsible for all maintenance, insurance and HOA fees.

Leverage: Carrboro is being asked to contribute 75% of this project cost. EmPOWERment will contribute 25%.

Section 2: PROJECT DESCRIPTION

Please provide a thorough description of the project (by answering the "who," "what," "when," and "where" questions about your project). **Do not assume the reader knows anything about the project.**

A. Project Name

1. Project Name: Affordable Rental Property Acquisition

B. "Who"

1. Who is the target population to be served and how will their needs be addressed through this project? ? If this is a repair or rehabilitation project, please address how the beneficiary meets eligibility requirements and provide substantiation, such as a deed, homeowner insurance policy statement, etc.

EmPOWERment's typical residents are transitioning from homelessness, living at the poverty level, veterans, seniors, disabled and Housing Choice Voucher (HCV) holders. More than 55% of our tenants are HCV holders, 10% are seniors and 30% live with a disability. Our tenants earn between 30% and 60% of the Area Median Income (AMI). EmPOWERment has begun adding displaced mobile home tenants and has added mobile home units to our rental inventory.

2. Please indicate the income of the beneficiaries (households) to be served through the proposed project. Please see **Attachment A** for the current income limits for the Durham-Chapel Hill MSA. Please also provide documented income data for the intended recipients, such as the most recent tax return, if submitting on behalf of an individual.

1. **Project Staff.** Please provide names of staff, contractors, and/or volunteers that will be involved with the project. Describe their responsibilities with the project and track record in successful completion of similar projects in the past:

EmPOWERment, Inc. has been in the affordable rental property management business for 23 years. The Property Manager and her team carry out all program activities. A special projects manager was added recently to handle rental renovations. The team operates out of the EmPOWERment Office located in the Midway Business Center, Chapel Hill, NC. All of the EmPOWERment staff, UNC Bonner students (2) and volunteers are trained to help with the Rental Program.

Property Manager, Valencia Thompson (previous Assistant Property Manager) holds a MBA in Accounting and Finance and has been a Real Estate Broker for ten years. This role includes overseeing the Rental Property

management program including but not limited to: rental counseling, apartment turnovers, and maintenance, negotiating with vendors, rent collection, working with tenants, handling administrative rental duties, data collection and Website management of the Rental Program.

Special Projects Manager, Mark Weller, is a general contractor and comes to us with over 20 years in the construction business. His expertise is in renovations. Mr. Weller oversees hired contractors.

Operations Manager, LaTanya Davis, holds a BA in Business Management, BS in Economics and a Masters in Business Education. She is also a Broker-in-Charge with over twenty years of experience. Ms. Davis was the previous Property Manager for ten years. She now oversees the entire rental program and works closely the Executive Director in procuring acquisitions and management of renovation projects.

Community Outreach Manager, Sarita Nwachukwu, holds a BA in Psychology from Morgan State University and a MBA from the University of Maryland. She provides In-take services, channeling rental phone calls and those seeking rental assistance to the correct person.

Bonner Students, provide support for the rental management program. They have been responsible for creating electronic files that bring consistency and accuracy to data collection.

Executive Director, Delores Bailey, has 20 years of rental property management experience with EmPOWERment, Inc. With the approval of the Board, Ms. Bailey researches and negotiates potential purchases of affordable rental projects. This unit will be included in EmPOWERment's affordable rental inventory.

- e. What supportive services, if any, will be provided through this project? **None**

Section 3: PERFORMANCE MEASUREMENTS

A. Goals and Objectives

Please complete the following chart with information about the project's goals and objectives.

Goal/Objective	Measurement
<i>Ex: Provide housing for low- to moderate-income households.</i>	<i>Ex: By 2020, build ten units that are affordable to households earning less than 80%AMI.</i>
Increase the number of low to moderate income rental units (currently have 50 units)	Acquire 1 property that can become part of EI's affordable rental inventory
To provide housing for the most vulnerable population.	Provide housing stability for a senior citizen of Carrboro.

B. Alignment with Town Goals and adopted affordable housing strategies.

Please explain how the proposed project aligns with the Board of Aldermen Goals and adopted affordable housing strategies.

EmPOWERment Inc. continues to purchase units to fill and create inventory to address the critical need for affordable housing in Orange County. EmPOWERment, Inc.'s rental program has a proven track record of implementing safe, clean and affordable places for low to moderate income families to live. We have provided these services for the past 20 years.

This project aligns with The Board of Alderman Goals in that is is providing housing stability for one of the most vulnerable populations: senior citizens. It falls directly in the eligibility of non-profits working with individuals to protect housing for one of Carrboro's long-time residents. Ms. Gordon recognized she is at risk of losing her home and reached out to EmPOWERment. EmPOWERment is happy to be able to provide Ms. Gordon life time rites and relieve the pressure of losing her home to potentially mounting bills.

☐

Loan

C. Pro-forma (for rental property only)

☒

If you are developing a property for rent, please attach a 20-year pro-forma showing estimated income, expenses, net operating income, debt service, and cash flow.

Section 5: ORGANIZATION DESCRIPTION

A. Organization

What is your organization's . . .

1. Mission statement? **The mission of EmPOWERment, Inc. is to empower people and communities to determine their own destinies through affordable housing, community organizing and grassroots economic development.**
2. Incorporation date (Month and Year)? **1996**
3. Estimated Total Agency Budget for this fiscal year? **\$ 714,136.00**
4. Total number of agency staff (full time equivalents): **9**

B. Organization Track Record and Community Support

When EI began in 1996, it focused on home ownership for low income families. Over the years, other organizations emerged in the area of ownership and the need for affordable rentals grew appreciably. In 2007-2008, EI changed its focus to affordable rental housing. The change in focus, led by Executive Director Delores Bailey, proved to be even more important during the severe economic crisis that began in 2008-2009.

Since then, EI's portfolio has grown to 50 properties and we remain active in acquiring more, hoping to add 2 to 5 units in 2017. We currently provide housing to more than 125 tenants. We employ a Property Manager and an Operations Manager in-house. They are familiar with the challenges that face low income tenants and are able to balance EI's needs with the tenants' so that the rental

services are sustainable and growing. Our history with rental property is one of success, for the organization and our tenants.

The word "tenant" accurately describes EI's relationship to the 100-plus people who live in our rental properties. However, it is a business term than can seem to distance us from those families. In fact, we are close to them. As a mission-driven organization, we know the families very well. Each of them has a story, and we know those stories. We share their successes and struggles, and we are eager to be able to house and encourage more people. In addition, EmPOWERment owns the Midway Business Center, a small business incubator that provides places for start up entrepreneurs to rent a small office space as they begin to grow their company. EmPOWERment also, has strong roots in the community through its Community Outreach meetings and events that demonstrate our commitment to the neighborhood and the people.

Please describe your organization's experience and ability to carry out the proposed project, including:

1. Evidence of coordination of this application with other organizations to complement and/or support the proposed project

EmPOWERment Inc. collaborates with Social Services, Habitat for Humanity, Community Home Trust, Interfaith Council, Family Success Alliance, Club Nova, UNC Chapel Hill School of Medicine's Department of Psychiatry and Community Empowerment Fund to help place qualified residents in affordable rental units. EmPOWERment has listened to the cares and concerns of the Carrboro alderman and the Advisory Board along with Ms. Gordon who has a keen ear in the Senior community. She has warned us several years about the plight of seniors in the rental community. She has kept us informed.

2. Involvement of intended beneficiaries of the project in the planning process

Ms. Gordon had the foresight to approach EmPOWERment with this problem. Together, we were able to come up with this solution.

As with all our tenants EmPOWERment gives each tenant a survey yearly to document any concerns they may have. Each survey is reviewed and concerns are addressed with the tenant during a one-on-one feedback counseling session and at lease renewal for current tenants. These suggestions and commits are used in the planning process of other projects to better our rental program. Ms. Gordon will become a part of this program as well.

3. Past achievements in carrying out similar projects and evidence of successful record of meeting proposed budgets and timetables :

EmPOWERment has secured funds from other local Government agencies and funding institutions to add units to our inventory. Each of those projects has required the submission of an approved budget. We have also been held accountable to timelines for completing tasks as well as for payment. In the past we have successfully completed several projects using HOME funds, which has strict guidelines. Our inventory currently consists of fifty units.

4. Collaborative relationships with other agencies,

EmPOWERment has partnerships with local churches and faith based organizations to provide temporary financial assistance to residents in need like St. Thomas Moore, St. Paul's Church, First Baptist and St. Josephs Church. EI continues to search out funding sources for emergency assistance programs that were established in 2015. In 2017 the M.O.M utility fund was funded by BB&T which

allows EI to assist over 50 families by providing assistance with utilities when tenants are experiencing financial hardships. Empowerment continues to partner with Community Empowerment Fund to transition homeless individuals into permanent housing through "home sharing" as housemates when possible. As members of the Orange County Affordable housing Coalition and the Northside Initiative we are in constant contact with other housing providers. We work closely with The Family success Alliance addressing families living at or below the poverty level.

5. Plans to develop linkages with other programs and projects to coordinate activities so solutions are holistic and comprehensive

EmPOWERment Inc.'s mission is about the WHOLE community not just about housing but the communities the houses are in and the school systems that educate the students and the places of employment where the breadwinners work. EmPOWERment works constantly with the area police departments, our Community Outreach Program, and with UNC students and administrators to address the needs of underserved individuals in our community through program assistance and information sharing.

EmPOWERment actively collaborates with nonprofits such as Family Success Alliance and Justice United to bring light to neighborhood issues that may require Orange County attention. In conjunction with Justice United and the UNC Chapel Hill School of Public Policy, we have conducted surveys with tenants about the condition of their units. In 2017, EI collaborated with FSA to bring exposure to the traffic profiling issue and conducted surveys in our mobile home communities.

EmPOWERment, Inc. continues to collaborate with Chapel of the Cross Church and local developers to provide free gently used furniture and appliances to low income families.

6. Any other features relating to organization capacity that you consider relevant, (i.e. property management experience, including accepting Section 8 Vouchers, etc.).

EmPOWERment, Inc. has created a one-stop shop for affordable rental management programs and services that serves the populations throughout Orange County. EmPOWERment, Inc. is the primary provider of much needed affordable rentals in Orange County. EmPOWERment will continue to tailor the services of the affordable rental program to include more Housing Choice voucher holders, veterans, individuals transitioning from homelessness, seniors and disabled populations. The property manager position is responsible for the management of 50 rental units throughout Orange County. These units are made available for families and individuals at income levels that range from 30 - 60% Area Media Income. Unfortunately, the waiting list for affordable rentals moves very slowly. Families are forced to live in expensive units they can't really afford or substandard apartments with little recourse. The EmPOWERment Inc. Rental Property Management Program is intentional about our units and the families we try to serve.

Section 6: DISCLOSURE OF POTENTIAL CONFLICTS OF INTEREST

Are any of the Board Members or employees of the agency which will be carrying out this project, or members of their immediate families, or their business associates:

- a) Employees of or closely related to employees of the Town of Carrboro
YES ☐ NO ☒
- b) Members of or closely related to members of the governing bodies of Carrboro?
YES ☐ NO ☒
- c) Current beneficiaries of the project/program for which funds are requested?
YES ☐ NO ☒
- d) Paid providers of goods or services to the program or having other financial interest in the program?

Summary of Request: EmPOWERment requests \$16,000 to support their Property Management Program (Affordable Rentals). The request has traditionally helped support the salary of the Property Manager who oversees the program. This program has a budget of \$367,766 and currently manages 50 units, 14 of which are located in Carrboro. Of these 14, EmPOWERment currently owns 12.

The program entails rental counseling, apartment turnovers and maintenance, negotiating with vendors, rent collection, working with tenants, data collection, website management and other required administrative needs.

Tenants earn between 30-60% AMI. As stated in the application, more than 55% hold Housing Choice Vouchers, 10% are seniors and 30% have a disability.

The Town of Carrboro has historically funded this request through the Human Services application process.

Leverage: Carrboro is being asked to contribute 4.35% of this project cost. Other sources of funding are: Orange County, Town of Chapel Hill and program generated revenue.

Town of Carrboro

Affordable Housing Special Revenue Fund Application

OVERVIEW

The Town of Carrboro established an Affordable Housing Special Revenue Fund in 2007. The goal of the Affordable Housing Special Revenue Fund is to advance the Town's goal of increasing and improving the stock of affordable housing within Carrboro and its planning jurisdiction.

The Affordable Housing Task Force was established in 2012 for the purpose of creating recommendations for an affordable housing strategy. In June of 2014, this goal was accomplished when the Board of Aldermen approved the Town's Affordable Housing Goals and Strategies document. From this work, an Affordable Housing Advisory Commission (AHAC) was formed in 2017. This Commission's responsibilities include:

- Reviewing and making recommendations to the Board of Aldermen for new or revised policies regarding the operation of the Affordable Housing Fund;
- Reviewing and making recommendations to the Board of Aldermen on affordable housing funding applications.

With this in mind, beginning in April 2019, requests for funding (as explained below) will be reviewed by the AHAC who will then make a recommendation to the Board of Aldermen regarding the request.

FUNDING

Source of Funds. The Affordable Housing Special Revenue Fund may be funded by payments made by developers in lieu of providing affordable housing units under the applicable provisions of the Land Use Ordinance. Other revenue sources for the fund may include grants, donations, loans, interest payments, or other contributions or assignments.

The principal and interest earned on funds received from developers, grants, donations, loans, interest payments, or other revenues that may become available also accrue to this fund. As the Affordable Housing Special Revenue Fund develops over time, it is anticipated that funding will be available for time-sensitive acquisition requests that arise outside the established funding cycles.

In June of 2018, the Board of Aldermen passed a half cent property tax increase. This will provide a yearly source of revenue for the fund of approximately \$112,500.

APPROVAL

In 2018 the Board of Aldermen voted to allow the Town Manager to approve or deny funding applications for no more than \$5,000 or 15% of the existing fund, whichever is lower. These applications do not have to provide performance measures and can apply outside of the funding cycles.

Any requests over this threshold that are not appropriated by the Board of Aldermen during the budget cycle will complete the following application. The application will be reviewed by the AHAC and their recommendation to approve or deny funding will go to the Board of Aldermen.

ELIGIBILITY

Nonprofits and individuals working with nonprofits may apply for funds to be used to address projects that meet the Town's affordable housing goals. Please see our website for a list of local housing providers: <http://www.townofcarrboro.org/982/Affordable-Housing>

In order to qualify for participation in the Affordable Housing Special Revenue Fund process, the following criteria must be met by the beneficiaries (individuals), if applicable, and substantiated by the applicant (nonprofit organizations):

- a. Beneficiaries must be a resident of Carrboro or the Carrboro planning jurisdiction, or purchasing a home in Carrboro or the Carrboro planning jurisdiction;
- b. Beneficiaries or applicants must be unable to obtain a loan, either subsidized or unsubsidized, on comparable terms and conditions;
- c. Beneficiaries or applicants must be the owner of the property in fee simple or leasehold estate and have paid or have appropriate arrangements with the county tax assessor to pay the tax bill, if the property is to be rehabilitated, or have clear title if the property is to be purchased or constructed;
- d. Beneficiaries must be residing in the property to be rehabilitated, or if purchased or constructed, occupy the property when the acquisition is completed. The building or affordable unit that is subject to program funding must have an anticipated life of at least 20 years after rehabilitation, or 30 years, if constructed or acquired;
- e. Beneficiaries must have a gross household income of 115% of the Area Median Income or less, with priority given to households at 80% of AMI and below for homeowners, and 60% of AMI and below for renters, unless otherwise described (Please see Attachment A for current income limits.);
- f. Beneficiaries must also have an intact homeowner's insurance policy, if applicable.

PROJECT REPORTING AND MONITORING

Recipients of funds for development are required to submit written progress reports to the Town by the end of the fiscal year (June 30) to monitor progress and performance, financial and administrative management, and compliance with the terms of the performance agreements. Reporting information may include: progress toward achieving performance goals, description of activities/challenges, and revisions of proposed project timelines/budgets. Please submit annual reports electronically by June 30 to: rbuzzard@townofcarrboro.org

Recipients of funds for home repairs/rehab are to submit details of work completed when submitting invoices for reimbursement of funds.

PERMITTED USES OF FUNDING

Development & Acquisition

Loans: 1. To guarantee the payment of loans or subsidize the interest rate on loans made by financial institutions to beneficiaries for the purpose of acquiring affordable housing.

2. To provide direct deferred payment loans to beneficiaries to supplement loans made by financial institutions for the purpose of acquiring affordable housing.

Land Banking: To assist in the purchase of land for conveyance to nonprofit affordable housing agencies.

Construction: To pay some or all of the expenses associated with the construction of affordable housing.

Acquisition: To acquire developed properties suitable for resale to individuals or families. Applicants qualifying under the percentage of FAMI shall be approved in advance by the Board of Aldermen.

Pre-development Costs: To pay some or all of the pre-development costs (such as feasibility studies, appraisals, land options and preparation of an application) for projects to be developed for the purpose of providing rental or owner-occupied affordable housing.

Land Trust: To provide grants to organizations for land trust projects that guarantee long-term affordability of a property through a 99-year renewable ground leases or for maintenance of land trust housing stock.

Subsidy: To provide permanent subsidies to reduce the sale price of new or existing housing units so as to make them more affordable.

Rehabilitation & Preservation

- To provide for emergency home repairs of properties in the affordable housing stock. *
- To provide for the maintenance of properties in the affordable housing stock that are falling into disrepair.*
- To guarantee the payment of loans or subsidize the interest rate on loans made by financial institutions to beneficiaries for the purpose of rehabilitating affordable housing.
- To provide direct deferred payment loans to beneficiaries to supplement loans made by financial institutions for the purpose of rehabilitating affordable housing.
- To provide grants or loans to nonprofits to avoid losing homes in the permanent affordable housing stock as a result of foreclosure.

Housing Stabilization

- To provide rental and/or utility deposit grants for Housing Choice Voucher, Permanent Supportive Housing (PSH), Rapid Re-housing, HUD-VASH and Housing Opportunities for Persons w/ AIDS (HOPWA) recipients relocating to rental units in Carrboro as a result of their current rental units no longer accepting a housing subsidy listed above.*
- To provide rental and/or utility deposit grants for those who have been assessed by the Coordinated Entry process as it relates to homelessness and have identified safe, decent, and affordable housing. *
- Assistance may be used for payment of security deposits, utility connections and/or rental payments given extenuating circumstances.*

*Starred items requesting no more than \$5,000 or 15% of the existing fund, whichever is lower, do not have to provide performance measures and can apply outside of the funding cycles.

FUNDING PRIORITIES

The fund is dedicated to the development and preservation of affordable housing. Priority goals include increasing the supply of affordable housing units, increasing the quality of housing stock while maintaining affordability, and helping people stay in the homes they have (both owners and renters).

Priority project areas include:

- Rental projects that serve households with incomes 60% and below the Area Median Income (AMI) -
- Homeownership projects that serve households with incomes 80% and below the AMI.

GENERAL APPLICATION INFORMATION AND PROCEDURES

Funding applications are accepted three times a year: October 1, January 1, and April 1. Funding is based on the availability of funds. Only as many funding cycles will be completed as necessary to use the available

funds. All application documents should be submitted electronically to Rebecca Buzzard, 919-918-7438 or rbuzzard@townofcarrboro.org. Applications are reviewed by the Affordable Housing Advisory Commission and evaluated using a scoring rubric, which is available as Attachment C. The AHAC's recommendations for funding are then forwarded to the Board of Aldermen for final approval.

Development & Acquisition

Proposed Use of Funds Requested (*provide a concise description of proposed project and how it meets the criteria of eligible uses*):

EmPOWERment has been one of the largest property managers for affordable rentals for more than 23 years. It continues to address the affordable rental demand for households at the moderate to low income range.

EmPOWERment's rental program maintains, protects and promotes the well-being of residents by providing affordable rental housing for the most vulnerable populations in Chapel Hill, Carrboro and Orange County. Typical residents are transitioning from homelessness, living at the poverty level, veterans, seniors, disabled and Housing Choice Voucher holders. Our tenants earn between 30% and 60% of the area's median income. EmPOWERment started assisting displaced mobile home tenants and has added mobile units to our rental inventory. A HUD-certified housing agency, the staff counsels at various levels of housing needs from finding rentals, home ownership education, to avoiding evictions and foreclosures.

To the best of my knowledge and belief all information and data in this application are true and current. The document has been duly authorized by the governing board of the applicant.

Section 2: PROJECT DESCRIPTION

Please provide a thorough description of the project (by answering the "who," "what," "when," and "where" questions about your project). **Do not assume the reader knows anything about the project.**

A. Project Name

1. Project Name: Property Manager Program

B. "Who"

1. Who is the target population to be served and **how will their needs be addressed through this project?** ? If this is a repair or rehabilitation project, please address how the beneficiary meets eligibility requirements and provide substantiation, such as a deed, homeowner insurance policy statement, etc.

Typical residents are transitioning from homelessness, living at the poverty level, veterans, seniors, disabled and Housing Choice Voucher holders. More than 55% of our tenants are Housing Choice Voucher holders, 10% are seniors and 30% have a disability. Our tenants earn between 30% and 60% of the area's median income. EmPOWERment has begun assisting displaced mobile home tenants and has added mobile home units to our rental inventory. EmPOWERment's Rental Program addresses the needs of its target population by providing them safe and affordable housing which increases their livelihood and security.

2. Please indicate the income of the beneficiaries (households) to be served through the proposed project. Please see **Attachment A** for the current income limits for the Durham-Chapel Hill MSA. Please also provide documented income data for the intended recipients, such as the most recent tax return, if submitting on behalf of an individual.

Income Group (Area Median Income)	Number of Beneficiaries	% of Total Beneficiaries

TOTAL	310	100

3. **Project Staff.** Please provide names of staff, contractors, and/or volunteers that will be involved with the project. Describe their responsibilities with the project and track record in successful completion of similar projects in the past:

EmPOWERment, Inc. has been in the property management business for 23 years. The Property Manager and her team carry out all program activities. A special projects manager was added recently to handle new projects. They operate out of the EmPOWERment Office located in the Midway Business Center, Chapel Hill, NC. All of the EmPOWERment staff, UNC Bonner students (2) and volunteers are trained to help with the Rental Program. Our current property manager, Valencia Thompson (previous Assistant Property Manager) holds a MBA in Accounting and Finance and has been a Real Estate Broker for ten years. This role includes overseeing the Rental Property management program including but not limited to: rental counseling, apartment turnovers, maintenance, negotiating with vendors, rent collection, working with tenants, handling administrative rental duties, data collection and Website management of the Rental Program.

LaTanya Davis, the Operations Manager holds a BA in Business Management, BS in Economics and a Masters in Business Education. She is also a Broker-in-Charge with over twenty years of experience. Ms. Davis was the previous Property Manager for ten years. She now oversees the Whole Rental Program and works closely the Executive Director in procuring acquisitions and renovation projects.

Sarita Nwachukwu, the Director of Community Programs, has a BS in Business Management and spends 30% of her time supporting the Rental Program as intake specialist. She manages registration of clients, phone calls and receives maintenance requests.

Mark Weller, Special Projects Manager, is a general contractor and comes to us with over 20 years in the construction business.

Sharon Reid, HUD certified Housing Counselor has the primary responsibility for managing EmPOWERment, Inc.'s rental and homeownership education program, providing individualized counseling to prepare families for rental or homeownership.

Volunteers assist with administrative duties and apartment turn-overs. The Bonner students are UNC students who spend four years with EmPOWERment to complete their work-study hours. They are trained to work on many aspects of the Rental Program with Ms. Thompson and provide tremendous support.

The Executive Director, Delores Bailey, has 20 years of rental property management experience with EmPOWERment, Inc. With the approval of the Board, Ms. Bailey researches and negotiates potential affordable rental projects. These units will be included in EmPOWERment's affordable rental inventory.

Section 3: PERFORMANCE MEASUREMENTS

A. Goals and Objectives

Please complete the following chart with information about the project's goals and objectives.

Goal/Objective	Measurement
<i>Ex: Provide housing for low- to moderate-income households.</i>	<i>Ex: By 2020, build ten units that are affordable to households earning less than 80%AMI.</i>
Increase the number of low to moderate income rental units (currently have 50 units)	Acquire and rehab at least 3 properties that can become part of EI's affordable rental inventory
To provide housing for the most vulnerable population: i.e. homeless, disabled, and veteran populations	Collaborate with other agencies to reach at least 3 of the most vulnerable populations
Maintain a low vacancy rate of online units and complete inspections.	Chart 5% or less monthly vacancies and document at least 90% of inspections on HQS form.

B. Alignment with Town Goals and adopted affordable housing strategies.

Please explain how the proposed project aligns with the Board of Aldermen Goals and adopted affordable housing strategies.

The Orange County five year consolidated plan has Rental as a "High Priority" item that includes providing safe and affordable rental units for low to moderate income families.

Town/Council goal - Adopt and implement affordable housing strategies.

There is a critical need for affordable rental. EmPOWERment's rental program fully embodies these objectives. It is one of the largest residential landlord that accepts Housing Choice Vouchers, when other landlords refused to accept them. EmPOWERment Inc. continues to purchase units to fill and create inventory to address the critical need for affordable housing in Orange County. EmPOWERment, Inc.'s rental program has a proven track record of implementing safe, clean and affordable places for low to moderate income families to live. We have provided these services for the past 20 years. Our inventory of units has increased to 50 owned by the organization.

Section 4: PROJECT BUDGET AND PRO-FORMA

A. Project Budget N/A

☐ Attach a **detailed project budget** in Excel format showing all sources and uses of funds. Indicate which funds are committed or pending and include the % of committed funds toward this project. Attach funding commitment letters where available or copies of funding applications previously submitted.

☐ Has an appraisal been conducted? If so, please attach.

B. Terms of Project Funding

Please specify the type of funding request for which you are applying:

☐ Grant ☐ Loan

C. Pro-forma (for rental property only) N/A

☐ If you are developing a property for rent, please attach a 20-year pro-forma showing estimated income, expenses, net operating income, debt service, and cash flow.

Section 5: ORGANIZATION DESCRIPTION

A. Organization

What is your organization's . . .

1. Mission statement? **The mission of EmPOWERment, Inc. is to empower people and communities to determine their own destinies through affordable housing, community organizing and grassroots economic development.**
2. Incorporation date (Month and Year)? **1996**
3. Estimated Total Agency Budget for this fiscal year? **\$ 714,136.00**
4. Total number of agency staff (full time equivalents): **9**

B. Organization Track Record and Community Support

Please describe your organization's experience and ability to carry out the proposed project, including:

1. Evidence of coordination of this application with other organizations to complement and/or support the proposed project
EmPOWERment Inc. collaborates with Social Services, Habitat for Humanity, Community Home Trust, Interfaith Council, Family Success Alliance, Club Nova, UNC Chapel Hill School of Medicine's Department of Psychiatry and Community Empowerment Fund to help place qualified residents in affordable rental units.
2. Involvement of intended beneficiaries of the project in the planning process
EmPOWERment gives each tenant a survey yearly to document any concerns they may have. Each survey is reviewed and concerns are addressed with the tenant during a one-on-one feedback counseling session and at lease renewal for current tenants. These suggestions and commits are used in the planning process of other projects to better our rental program.
3. Past achievements in carrying out similar projects and evidence of successful record of meeting proposed budgets and timetables **N/A**
4. Collaborative relationships with other agencies,
EmPOWERment has partnerships with local churches and faith based organizations to provide temporary financial assistance to residents in need. EI continues to search out funding sources for emergency assistance programs that were established in 2015. In 2017 the M.O.M utility

fund was funded by BB&T which allows EI to assist over 50 families by providing assistance with utilities when tenants are experiencing financial hardships. Empowerment continues to partner with Community Empowerment Fund to transition homeless individuals into permanent housing through "home sharing" as housemates when possible.

5. Plans to develop linkages with other programs and projects to coordinate activities so solutions are holistic and comprehensive

EmPOWERment works constantly with the area police departments, our Community Outreach Program, and with UNC students and administrators to address the needs of underserved individuals in our community through program assistance and information sharing.

EmPOWERment actively collaborates with nonprofits such as Family Success Alliance and Justice United to bring light to neighborhood issues that may require Orange County attention. In conjunction with Justice United and the UNC Chapel Hill School of Public Policy, we have conducted surveys with tenants about the condition of their units. In 2017, EI collaborated with FSA to bring exposure to the traffic profiling issue and conducted surveys in our mobile home communities.

EmPOWERment, Inc. continues to collaborate with Chapel of the Cross Church and local developers to provide free gently used furniture and appliances to low income families.

6. Any other features relating to organization capacity that you consider relevant, (i.e. property management experience, including accepting Section 8 Vouchers, etc.).

EmPOWERment, Inc. has created a one-stop shop for affordable rental management programs and services that serves the populations throughout Orange County. EmPOWERment, Inc. is the primary provider of much needed affordable rentals in Orange County. EmPOWERment will continue to tailor the services of the affordable rental program to include more Housing Choice voucher holders, veterans, individuals transitioning from homelessness, seniors and disabled populations. The property manager position is responsible for the management of 50 rental units throughout Orange County. These units are made available for families and individuals at income levels that range from 30 - 60% Area Media Income. Unfortunately, the waiting list for affordable rentals moves very slowly. Families are forced to live in expensive units they can't really afford or substandard apartments with little recourse. The EmPOWERment Inc. Rental Property Management Program is intentional about our units and the families we try to serve.

Section 6: DISCLOSURE OF POTENTIAL CONFLICTS OF INTEREST

Are any of the Board Members or employees of the agency which will be carrying out this project, or members of their immediate families, or their business associates:

AGREEMENT

AN AGREEMENT made and entered into as of the 18 day of June, 2018 by and between the TOWN OF CARRBORO, a North Carolina municipality with its principal offices at 301 West Main Street, Carrboro, North Carolina, 27510 (the "Town"), and EmPOWERment Inc. (The Grantee), located at 109 N. Graham Street, Suite 200, Chapel Hill, NC 27516.

Whereas, the Grantee, has requested an appropriation from the Town; and

Whereas, the Town has determined that said Grantee will perform for and on behalf of the Town certain services that the Town itself is authorized by law to perform, and has therefore awarded **\$16,000** as appropriated in the budget ordinance for fiscal year 2018-19; and

Whereas, the Town desires to insure that funds will be used for the purposes intended by the Town in making this appropriation and for no other purposes; and

Whereas, Grantee agrees and promises to abide by the conditions set forth in this agreement.

NOW THEREFORE based on the mutual promises herein and other good and valuable Consideration the sufficiency of which is hereby acknowledged, the Town and Grantee agree as follows:

1. Grantee will perform the following : Property manager salary and materials for Rental Property Program.
2. Funds may be released monthly, quarterly, or according to any other schedule deemed appropriate by the Town's Director of Economic and Community Development. Grantee shall submit a written request for each fund distribution, and any such request shall contain a certification that the Grantee shall use the funds received only to provide the services described in Section 1 above.
3. Not later than March 31st of the current fiscal year or at the time of application for new funds, the Grantee shall account to the Town for the use of the funds appropriated by the Town by
 - a. Furnishing a detailed description, quantified to the extent practicable, of the extent to which the Grantee has performed services for or on behalf of the Town or its citizens during this fiscal year, and

- b. Providing the Town with a copy of Grantee's most recent audit, financial statement, or other financial information.

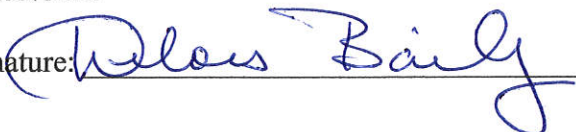

For Grantees not requesting new funds a report shall be submitted to the Town furnishing a detailed description, quantified to the extent practicable, of the extent to which such grantee has performed services for or on the behalf of the Town or its citizens during this fiscal year, and providing the Town with a copy of Grantee's most recent audit, financial statement, or other financial information requested by Town.

In addition, the Grantee agrees to allow the Town to inspect its financial books and records upon reasonable notice during normal working hours

4. Grantee shall not discriminate against any employee or applicant for employment because of age, sex, race, creed, national origin, disability or on the basis of sexual orientation or gender expression/identity. Grantee shall take affirmative action to ensure that applicants are employed and that employees are treated fairly and legally during employment with regard to their age, sex, race, creed, national origin, disability or on the basis of sexual orientation or gender expression/identity. In the event he Grantee is determined by the final order of an appropriate agency or court to be in violation of any non-discrimination provision of federal, state or local law or this provision, this Contract may be canceled, terminated or suspended in whole or in part by TOWN, and Grantee may be declared ineligible for further TOWN contracts.

5. Grantee acknowledges that any appropriations in the budget ordinance to Grantee have been made on the condition that Grantee execute and comply with all the terms of this agreement. Grantee further agrees that, if it fails to comply with each and every condition specified in paragraphs 1 through 4 above, it will repay in full to the Town all sums paid by the Town to Grantee pursuant to this agreement.

2018-2019
PERFORMANCE AGREEMENT

THIS AGREEMENT, made and entered into the 29th day of AUGUST, 2018 by and between the Town of Chapel Hill, a North Carolina Municipal Corporation, 405 Martin Luther King Jr. Boulevard, Chapel Hill, NC 27514, herein "Town," and "EmPOWERment, Inc." 109 North Graham Street, Suite 200, Chapel Hill, NC 27516.

WITNESSETH

WHEREAS, EmPOWERment, Inc. intends to provide affordable rental management services; and

WHEREAS, the focus will be on providing rental housing management services to households with income levels at or below 80% of the area's median income level; and

WHEREAS, the Town has made commitments to the promotion of low- and moderate-income affordable housing opportunities, in the form of statements in the Chapel Hill 2020 comprehensive plan and the Consolidated Plan, and its allocation of General Fund revenues to affordable housing initiatives;

NOW THEREFORE, in consideration of the above and mutual covenants and conditions hereinafter set forth, the Town and EmPOWERment, Inc. agree as follows:

1. Town Support

EmPOWERment, Inc. agrees to provide services as described in submitted application (on file), and according to the Work Statement and Budget (attached as Exhibit A) hereto and incorporated herein by reference and to maintain a high level of professionalism in the provision of these services. The Town Council adopted an ordinance that would provide the sum of thirteen thousand, five hundred dollars (\$13,500) for affordable rental housing property management services for fiscal year 2018-2019.

The Town does not obligate itself to provide any other support to EmPOWERment, Inc. this fiscal year or continued support in succeeding years.

2. Payment and Documentation

The appropriation shall be paid to EmPOWERment, Inc. in quarterly installments upon meeting all reporting requirements, including quarterly progress reports detailing the progress of activities. Each quarterly installment shall be no greater than three thousand, three hundred and seventy-five dollars (\$3,375). Payments will be made by the Town within thirty (30) days of receipt of an accurate invoice and adequate supporting documentation, approved by the contact person or his/her designee.

3. Financial Records

EmPOWERment, Inc. agrees to furnish the Town with quarterly financial statements related to the rental properties. In addition, EmPOWERment agrees to allow the Town to inspect its financial books and records upon reasonable notice during normal working hours.

4. Scope of Work

EmPOWERment, Inc. agrees to provide those services described in the Scope of Work attached as Exhibit A hereto and incorporated herein by reference, to residents of Chapel Hill and to maintain a high level of professionalism in the provision of these services.

5. Indemnification and Hold Harmless

EmPOWERment, Inc. agrees to indemnify and hold harmless the Town of Chapel Hill and its officers, agents and employees from all loss, liability, claims or expense (including reasonable attorneys' fees) arising from bodily injury, including death or property damage to any person or persons caused in whole or in part by the negligence or willful misconduct of EmPOWERment, Inc. except to the extent same are caused by the negligence or misconduct of the Town.

EmPOWERment, Inc. hereby agrees to hold the Town harmless against any claims or actions from damage, injury, or death relating to or arising out of EmPOWERment, Inc.'s use of Town funds or due to acts or omissions of EmPOWERment, Inc.'s officers, employees, contractors or agents.

6. Insurance Provisions

The Town requires evidence of Contractor's current valid insurance (if applicable) in the amounts stated below during the duration of the named project and further requires that the Town be named as an additional insured for Comprehensive General Liability and Business Automobile policies. The required coverage limits are: 1) Comprehensive General Liability and Business Automobile - \$1,000,000 per occurrence and 2) Workers' Compensation - \$100,000 for both employer's liability and bodily injury by disease for each employee and \$500,000 for the disease policy limit.

7. Nondiscrimination

EmPOWERment, Inc. will not discriminate against any employee or applicant for employment because of race, color, creed, religion, ancestry, national origin, sex, and disability or other handicap, age marital/familial status, sexual orientation, gender identity, gender expression, or status with regard to public assistance. EmPOWERment, Inc. will take affirmative action to insure that all employment practices are free from such discrimination. Such employment practices include but are not limited to the following: hiring, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff, termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. EmPOWERment, Inc. agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting agency setting forth the provisions of this nondiscrimination clause.

8. Federal and State Legal Compliance

EmPOWERment, Inc. must be in full compliance with all federal and state laws, including those on immigration.

9. E-Verify

The Contractor shall comply with the requirements of Article 2 of Chapter 64 of the North Carolina General Statutes. Further, should Contractor utilize a subcontractor(s), Contractor shall require the subcontractor(s) to comply with the requirements of Article 2, Chapter 64 of the General Statutes.

10. Amendments

The Town or EmPOWERment, Inc. may amend this Agreement at any time provided that such amendments make specified reference to this Agreement, and are executed in writing, signed by a duly authorized representative of both organizations, and approved by the Town Manager or his designee. Such amendments shall not invalidate this Agreement, nor relieve or release the Town or EmPOWERment, Inc. from its obligations under this Agreement.

The Town may, in its discretion, amend this Agreement to conform with Federal, state, or local governmental guidelines, policies and available funding amounts, or for other reasons. If such amendments result in a change in the funding, the scope of services, or schedule of the activities to be undertaken as part of this Agreement, such modifications will be incorporated only by written amendment signed by both the Town and EmPOWERment, Inc.

11. Termination for Cause or Convenience

Either the Town or EmPOWERment, Inc. may terminate this contract at any time by giving written notice to the other party of such termination and specifying the effective date thereof at least 30 days before the effective date of such termination. In the event of any termination for convenience, all unfinished documents, data, reports, or other materials prepared by EmPOWERment, Inc. under this Agreement shall, at the option of the Town, become the property of the Town and EmPOWERment, Inc. shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents or materials prior to the termination.

In the event that EmPOWERment, Inc. shall cease to exist as an organization or shall enter bankruptcy proceedings, or be declared insolvent, or liquidate all or substantially all of its assets, or shall significantly reduce its services during the term of this Agreement, or in the event that EmPOWERment, Inc. shall fail to render a satisfactory accounting as provided herein, then and in that event the Town may terminate this Agreement, and may require EmPOWERment, Inc. to return all payments already made to it by the Town for services which have not been provided or for which no satisfactory accounting has been rendered.

12. Interpretation/Venue

This Contract shall be construed and enforced under the laws of North Carolina. The courts and the authorities of the State of North Carolina shall have exclusive jurisdiction over all controversies between the parties which may arise under or in relation to this Contract. In the event of any dispute between the parties, venue is properly laid in Orange County, North Carolina for any state court action and in the Middle District of North Carolina for any federal court action. Contrary to any provision that may be contained in any exhibit attached hereto the Town shall not consent to 1) resolving any dispute by means of arbitration and/or 2) waiver of a trial by jury.

13. Preference

In the event that the terms of any exhibit attached hereto are not consistent with the terms of this Contract, this Contract shall have preference; provided that where either any exhibit attached hereto or this Contract establishes higher standards for performance by either party, the higher standard, wherever located, shall apply.

14. Severability

If any provision of this Agreement is held invalid, the remainder of the Agreement shall not be affected thereby and all other parts of this Agreement shall nevertheless be in full force and effect.

15. Assignment

This Contract shall not be assigned without the prior written consent of the parties.

16. Entire Agreement

This Contract shall constitute the entire agreement of the parties and no other warranties, inducements, considerations, promises, or interpretations shall be implied or impressed upon this Contract that are not expressly addressed herein. All prior agreements, understandings and discussions are hereby superseded by this Contract.

17. Time of Performance

This Agreement, unless amended as provided herein, shall be in effect until June 30, 2019.

This Contract is between the Town of Chapel Hill and EmPOWERment Inc. for use of \$13,500 towards Affordable Rental Property Management Services.

IN WITNESS WHEREOF, the parties hereto cause this agreement to be executed in their respective names.

OUTSIDE AGENCY PERFORMANCE AGREEMENT

THIS AGREEMENT, made and entered into the first day of July 2018, ("Effective Date") by and between the County of Orange, a political subdivision of the State of North Carolina, 200 South Cameron Street, Hillsborough, North Carolina, 27278, ("County") and EmPOWERment, Inc., a not-for-profit corporation, located at 109 N. Graham Street, Suite 200, Chapel Hill, NC 27516 ("Provider").

WITNESSETH:

WHEREAS, it is in the interests of the County that said program be assisted by the County and thereby enhance its availability to residents of the County, and said program addresses an important community human services need, as identified by the Board of Commissioners.

NOW, THEREFORE, in consideration of the above and the mutual covenants and conditions hereafter set forth, the County and EmPOWERment, Inc. agree as follows:

1. **Term of the Agreement.** The term of this Agreement shall be a program year beginning July 1, 2018 to June 30, 2019.
2. **Scope of Services.**
 - a. Provider will provide services, as outlined in the attached Outside Agency Funding Application and any amendments or revision thereto which is attached as Exhibit "A" and incorporated by reference, to the residents of Orange County. The Scope of Services and the Program Budget may be different from the original application based on County appropriation; however, any revisions or amendments to this Agreement must be approved in writing by the County and attached to this Agreement as Exhibit B.
 - b. The Provider shall be solely responsible for the means, methods, techniques, sequence, safety program and procedures necessary to properly and fully complete the work set forth in the Scope of Services.
3. **Funding.**
 - a. The County agrees to appropriate for the provision of services described in Exhibit A, Scope of Services and more particularly described in the Revised Program Budget, the maximum sum of \$28,250.
 - b. All funds appropriated shall be used for purposes described in Exhibit A. Any funds not used for the purposes stated shall be returned to the County. Any changes in the use of funds must be authorized in writing by the County prior to any expenditure of the funds by the Provider. If the funds are expended not in accordance with the Scope of Services, at the discretion of the County the Provider may be required to repay the funds to the County.
 - c. The Provider shall be paid in four equal installments in the amount of \$7,062.50. The first payment is contingent upon receipt of the agency's performance agreement; the remaining payments are contingent upon receipt of the request for reimbursement and related supporting documentation.
 - d. The County's obligation to make the quarterly payments is contingent upon receipt of Progress Reports, which show satisfactory progress toward completion of performance measures and an accounting of expenditures as detailed in the attached Scope of Services.

- e. Once Provider has satisfied its obligations as provided in (d) payment will be made 21 days after receipt of the Progress Report and Request for Reimbursement or 21 days after due date of Progress Report whichever is later.
- f. The County is not obligated to provide any other support to Provider in this or in succeeding fiscal years.

4. Agency Reporting.

- a. Provider will provide Orange County a Progress Report that includes a fiscal report and updates on performance measures as outlined in the Scope of Services. Progress Report dates are: July 1 – December 31; January 1 – March 31 and April 1 - June 30. Reports are due on January 11, April 12, and July 12 of the program fiscal year.
- b. Provider agrees to allow the County to inspect its financial books and records, which document costs of those services, upon reasonable notice during normal working hours.

5. Termination.

- a. In the event of any of the circumstances set forth below (hereinafter referred to as "default"), the County may immediately terminate this Agreement, in whole or in part, and from time to time. Notice of termination must be in writing, state the reason or reasons for the termination, and specify the effective date of the termination:
 - i. In the event that Provider shall cease to exist as an organization or shall enter bankruptcy proceedings, be declared insolvent, or liquidate all or substantially all of its assets, or significantly reduce its services or accessibility to Orange County residents during the term of this Agreement; or
 - ii. In the event that Provider shall fail to render a satisfactory accounting as provided section 4 above, the County may terminate this Agreement and Provider shall return all payments already made to it by the County for services which have not been provided or for which no satisfactory accounting has been rendered; or
 - iii. In the event of any fraudulent representation by the Provider in an invoice or other verification required to obtain payment under this Agreement or other dishonesty on a material matter relating to the performance of services under this Agreement.
 - iv. Nonperformance, incomplete service or performance, or failure to satisfactorily perform any part of the work identified in the Scope of Services or to comply with any provision of this Agreement, as determined by the County in its sole discretion.
 - v. Failure to adhere to the terms of applicable county, state or federal laws, regulations, or stated public policy.
- b. In the event of default by the Provider, the county may elect to terminate this Agreement, in whole or in part and/or require the Provider to repay the funds within ten (10) business days from written notice of default. The County may (but shall not be required to) grant the Provider an opportunity to cure the default without termination of this Agreement. This clause shall not be interpreted to limit the County's remedies in law or in equity.

- c. Notwithstanding the foregoing, either party may terminate the agreement at any time without penalty; provided that written notice of such termination is furnished to the other party at least 30 days prior to termination. In the event of such termination, any payment due shall be prorated to the date of termination and any unused funds shall be returned to the County within 10 days of termination.
- d. Any termination of this Agreement for default under this section that is later deemed to be unjustified shall be deemed a termination for convenience.

6. Insurance.

- a. General Requirements. The Provider shall purchase and maintain, during the period of performance of this Agreement, insurance:

Endorsement of the Orange County Climate Change Committee Participant List

PURPOSE: The purpose of this item is to allow the Board of Aldermen the opportunity to review and endorse the Orange County Climate Change Committee Participant List.

DEPARTMENT: Town Clerk

CONTACT INFORMATION: Cathy Dorando, 919-918-7309

INFORMATION: Orange County Commissioner Mark Marcoplos sent the attached participant list and requested that the Board of Aldermen endorse the list so they can begin to fill the committee slots.

On March 19th the Board of Aldermen officially appointed Alderman Slade as the Board's liaison to the Orange County Climate Change Committee.

FISCAL & STAFF IMPACT: N/A

RECOMMENDATION: It is recommended that the Board of Aldermen approve the attached participant list.

DRAFT PARTICIPANT LIST– Orange County Climate Change Council

It seems important to have strong representation from key sectors of the County. This presents challenges in terms of taking urgent actions, but I think those are surmountable and well worth the value of having a diverse range of participants.

TITLE:

Public Hearing for Jones Creek Greenway (C-5181) 30% Design

PURPOSE: The purpose of this agenda item is to provide an update on the status of the Jones Creek Greenway at 30% design and to receive comments from the Board and members of the public.

DEPARTMENT: Planning

CONTACT INFORMATION: Patricia McGuire - 919-918-7327; Christina Moon - 919-918-7325; Zachary Hallock - 919-918-7329

INFORMATION: At the April 9th Board of Aldermen meeting, the Board received a presentation from Wetherill Engineering on the Jones Creek Greenway at 15% design. The Jones Creek Greenway forms a short segment of the Bolin Creek Greenway system that, when finished, will extend from the northern end of Lake Hogan Farms Road to the existing southern end of Orange County's Jones Creek Greenway.

This is the second formal presentation on the project, now at 30% design, and an opportunity to receive additional public comment. Following the same format as the 15% review, the consultants facilitated a drop-in information on the project prior to the Board meeting to receive comments and questions in a more informal setting. This second drop-in session was held at Morris Grove Elementary School. Much of the discussion at both the drop-in sessions focused on the size and appearance of the proposed bridge which will span the ravine providing a more direct connection from the north end of Lake Hogan Farm Road and the Orange County greenway and on to Morris Grove Elementary School for all users.

Greenway projects typically include check-in points at key intervals in the design process-usually 30% and 60% completion. A third and final drop-in information session and public hearing is tentatively scheduled for June 18th. At 60%, the overall project design is typically considered completed and consultants shift their focus to preparing for permit approvals from appropriate state and federal agencies. Staff will continue to keep the Board apprised on the status of the project following 60% design but does not anticipate seeking additional public comment, in order to keep the project on schedule.

Staff has heard an interest in collecting more accurate user data for existing and future bike-ped infrastructure as part of the comprehensive bicycle transportation plan update and is working with Wetherill Engineering to locate a place for a bike-ped counter along the trail.

Agenda Date: 5/7/2019

File Type:Agendas

In Control: Board of Aldermen

FISCAL & STAFF IMPACT: The anticipated total cost of the project is \$850,250: 80% (\$680,200) to be funded by federal Congestion Mitigation Air Quality Improvement (CMAQ) funds and the remaining 20% (\$170,050) through local match. The use of CMAQ funds includes a Greenhouse Gas emission analysis before and after completion.

RECOMMENDATION: Staff recommends that the Board receive the presentation from Wetherill Engineering, offer feedback and receive public comment to help inform the design for the Jones Creek Greenway.

A RESOLUTION RECEIVING PUBLIC COMMENT ON THE JONES CREEK GREENWAY
AT 30% DESIGN

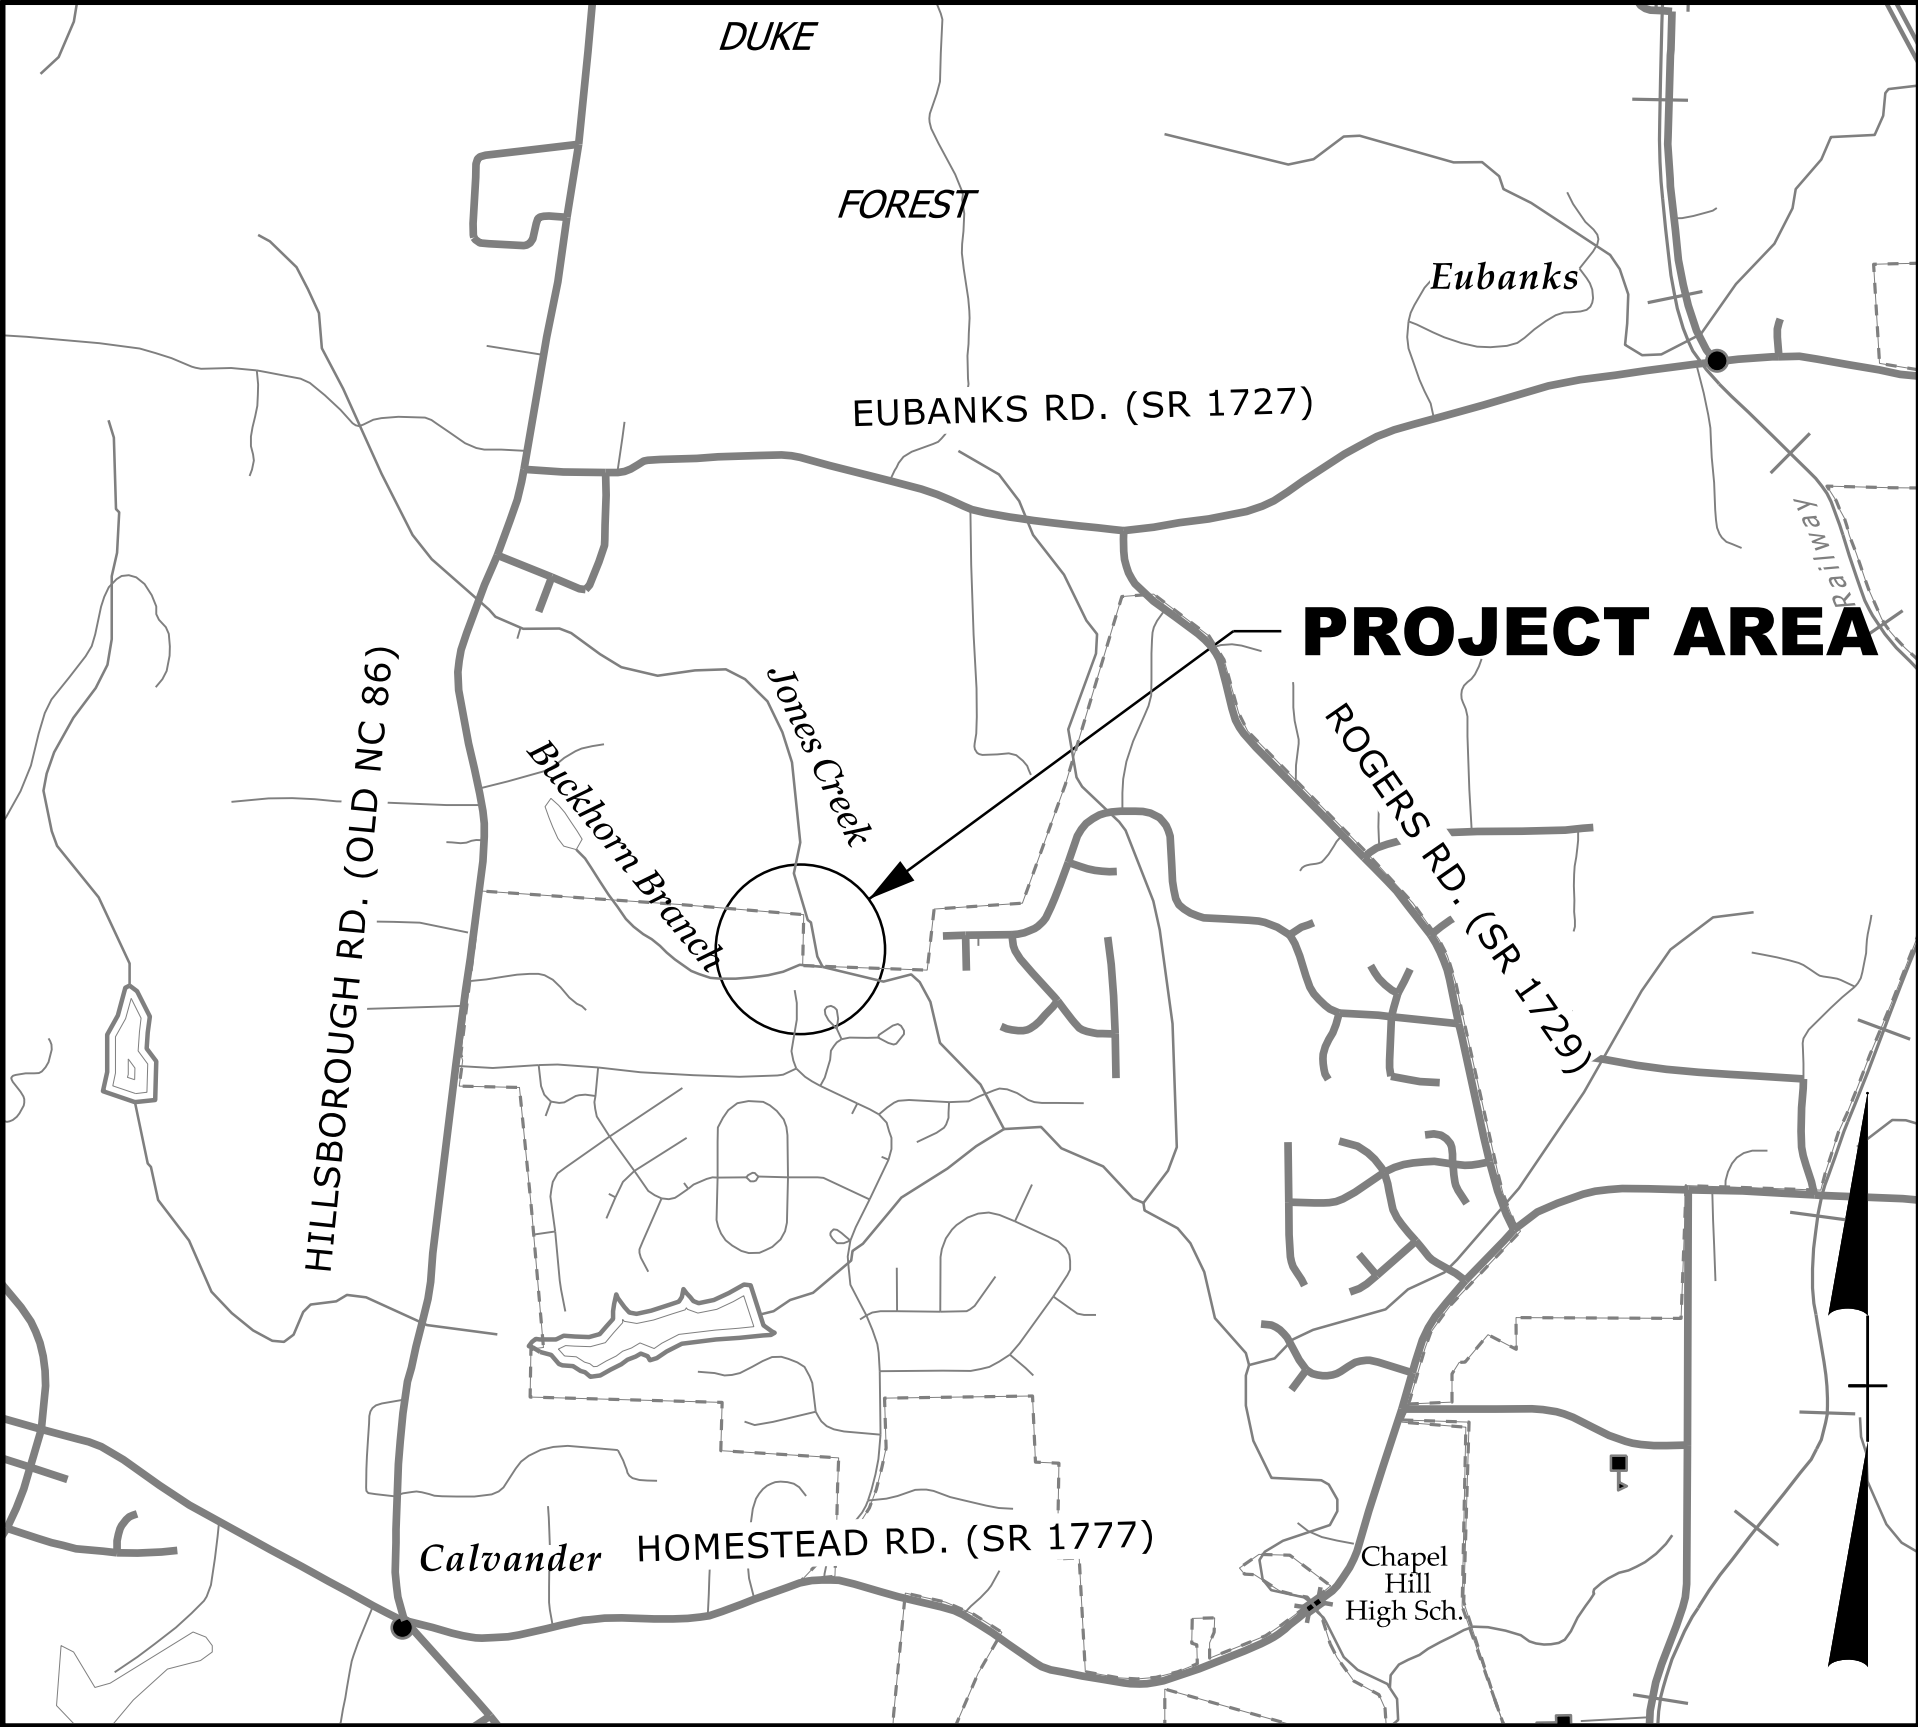

WHEREAS, the Board of Aldermen has made it a policy to hold public hearings on Town projects; and

WHEREAS, the Board of Aldermen has received a presentation on the 30% design for the Jones Creek Greenway; and

WHEREAS, the Board has held a public hearing to receive citizen comment on the Jones Creek Greenway at this milestone.

NOW, THEREFORE, BE IT RESOLVED by the Carrboro Board of Aldermen that the Board makes the following comments:

TITLE:

Presentation of Town Manager's Recommended Budget for Fiscal Year 2019-2020

PURPOSE: The purpose of this agenda item is to receive the Town Manager's Recommended Budget for FY 2019-20 and set the time for a public hearing and budget work sessions.

DEPARTMENT: Town Manager, Finance

CONTACT INFORMATION: David L. Andrews, 918-7315 and Arche L. McAdoo, 918-7439

INFORMATION: By state law, the Town Manager is required to submit a recommended budget for FY 2019-20 and budget message to the Mayor and Board of Aldermen by June 1st. This recommended budget is to be made available for public inspection and the Board is required to hold a public hearing on it prior to adoption.

Major goals for the FY 2019-20 budget were to: 1) implement the Board's strategic priorities, 2) control costs while improving services, 3) develop a balanced budget, and 4) begin development of a long term financial sustainability plan.

With increasing costs for health insurance, retirement system contributions, transit operations, and other items combined with slow revenue growth, difficult decisions had to be made. As priorities were evaluated, careful and balanced choices are presented in the FY 2019-20 recommended budget.

The total budget recommended by the Town Manager is \$58.5 million comprised of General Fund at \$24.2 million, Special Revenue Fund at \$2.1 million, Capital Fund at \$31.3 million, and Storm Water Utility Enterprise Fund at \$787,000. The Storm Water Utility Enterprise Fund was established July 1, 2017 for the purpose of comprehensively addressing the storm water management needs of the Town.

Special Revenue Funds change from year to year depending upon revenues from grants and loan funds. The Affordable Housing Fund is included in this fund and increasing affordable housing is a major goal of the Board of Aldermen. To provide a steady and reliable revenue stream for affordable housing, the FY 2018-19 adopted budget included a ½ cent property tax increase to be dedicated exclusively for affordable housing activities. In the Recommended FY 2019-20 we have proposed another ½ cent property tax increase for the Affordable Housing Fund. This will provide a total of 1 cent property tax increase exclusively for affordable housing activities. Based on the current budget for FY 2018-19 a penny on the tax rate yields \$227,000 in revenue. It is anticipated that another ½ cent increase in the property tax rate will be considered in the FY 2020

-21 budget.

The recommended budget document is provided to the Board on the night of the presentation. Following the Town Manager's budget presentation, the date and time to hold a public hearing needs to be set. Attached is a resolution to set a public hearing for the budget on May 28, 2019 and a notice of public hearing to be published by the Town Clerk.

If the Board desires to hold one or more work sessions on the Town Manager's recommended budget, the following dates have been reserved: May 14 and May 28, 2019. Budget work sessions allow for an opportunity to develop a more thorough understanding of the budget recommendation. Department heads will be available at work sessions to answer questions.

FISCAL & STAFF IMPACT: N/A

RECOMMENDATION: That the Board accept the Town Manager's Recommended Budget for FY 2019-20 and adopt a resolution setting a public hearing on it for May 28, 2019 at 7:00 PM

Memorandum

To: Honorable Mayor and Board of Aldermen

CC: Arche McAdoo, Finance Director

From: David Andrews, Town Manager

Date: May 7, 2019

Re: Budget Follow-Up Memorandum

Several questions, comments, and requests for additional information were made by Board members during the preliminary budget review meetings that were held from April 9-29. This memo provides brief responses and background information regarding these various issues and concerns.

1. Energy Efficiency Revolving Loan Fund (EERL)

The Energy Efficiency Revolving Loan Fund was initially started with a \$55,000 sub-grant from DOE via the Southeast Energy Efficiency Association. The Town transferred \$45,000 from the Revolving Loan Fund to make a total EERLF pool of \$100,000. Because both sources of funding are from federal funds, any re-allocation of the EERLF funds would need to meet federal use requirements.

2. Renovation of Town Facilities

A conditions assessment will lead to the development of a master plan that will take a broad view of Town needs. It will determine costs and prioritize buildings and projects. Staff will bring a scope of work to the Board of Aldermen in order to ensure that the plans address any concerns they may have, including energy efficiency. In the meantime, building systems are continually being upgraded to reduce energy consumption and increase energy efficiency in the most cost effective manner. For example, lighting is being changed out to LED, smart water fountains are reducing energy consumption by shutting off on a programmed schedule, and the bottle filler feature provides clean water and reduces the need for single use plastic bottles. Also, as Public Works progresses through building renovations, they are mindful of energy efficient windows and doors, insulation, roofing materials, etc. In addition, they intend to select building products where manufacturing is environmentally friendly. They are mindful of LEED best practices and desire to implement wherever practical and affordable.

3. Historical Health Insurance Expenses

The following table shows the Town's health insurance expenses for the past 10 years. The increase from FY17-18 Actuals to FY18-19 Budget is due to an increase in premiums and a conservative approach to budgeting that assumes all positions will be filled 100% of the time.

Fiscal Year	Employee Health Insurance	Retiree Health Insurance	Total Health Insurance Cost	Change	Change (%)
2008-09	\$1,023,059	\$94,116	\$1,117,175	-	-
2009-10	\$1,037,028	\$95,865	\$1,132,893	\$15,718	1.41%
2010-11	\$1,181,797	\$127,563	\$1,309,360	\$176,467	15.58%
2011-12	\$1,275,626	\$156,563	\$1,432,189	\$122,829	9.38%
2012-13	\$1,232,449	\$155,299	\$1,387,748	-\$44,441	-3.10%
2013-14	\$1,289,053	\$204,961	\$1,494,014	\$106,266	7.66%
2014-15	\$1,438,786	\$204,224	\$1,643,011	\$148,997	9.97%
2015-16	\$1,535,983	\$235,606	\$1,771,589	\$128,578	7.83%
2016-17	\$1,537,204	\$228,434	\$1,765,638	-\$5,951	-0.34%
2017-18	\$1,612,788	\$255,330	\$1,868,118	\$102,480	5.80%
2018-19 (Budget)	\$2,112,792	\$276,000	\$2,388,792	\$520,674	27.87%
2019-20 (Budget)	\$2,462,048	\$315,000	\$2,777,048	\$388,256	16.25%

4. Expenditure Classifications

Assuming that the Town does not lower its service levels, the primary area for discretionary spending is capital outlay.

Expenses	FY 19-20 Budget	% of Total
Personnel	\$14,439,374	60%
Operations	\$7,990,915	33%
Capital	\$202,000	1%
Debt Service	\$1,245,244	5%
Total Expenditures	\$23,877,533	100%
Transfers Out	\$402,000	-
Total	\$24,279,533	-

5. History of Asset Forfeitures

The following table shows asset forfeitures received by the Town since 2012 (the Town's financial database history does not go back any further) from both State and Federal sources.

Forfeitures	2012	2013	2014	2015	2016	2017	2018	2019	Total
State Seizures Revenues	\$11,476	\$2,546	\$3,221	\$2,146	\$2,494	\$10,589	\$13,175	\$3,767	\$49,414
Federal Seizure Revenues	\$0	\$3,057	\$153,712	\$0	\$0	\$0	\$0	\$0	\$156,769
Total	\$11,476	\$5,603	\$156,933	\$2,146	\$2,494	\$10,589	\$13,175	\$3,767	\$206,183

7. 300 East Main Street Parking Agreement

The East Main Square (previously known as 300 East Main) agreement was extended for a 3 year period beginning August 19, 2018. It will expire on August 19, 2021. The Town can opt out with six months advance notice.

8. Block Grant – Business Revolving Loan Fund

In 1986, the (then) North Carolina Department of Natural Resources and Community Development (NRCD) determined that Community Development Block Grant (CDBG) income may be used to establish a revolving loan fund to provide communities with a source of financing to undertake economic development activities. The Town of Carrboro's Revolving Loan Fund was established under this determination. Changing the requirements of the program would require a program amendment from the (now) NC Department of Commerce. Under the current NCGS 160A-456, the town would not be eligible for this program due to the fact it is not located in a distressed county.

9. Kalisher Agreement Expiration

The Town is in year 5 of a 20 year economic development agreement. This agreement was established for the purpose of aiding and encouraging economic activity to help increase business prospects for the benefit of the Town and its residents.

10. Proposed Telephone System Replacement

The current phone system that serves all Town facilities is nineteen years old. Replacement parts are becoming difficult to find and the manufacturer no longer supports the system. The current phone system also uses older more costly and less efficient communications standards and reliability is becoming a concern. There is no upgrade path available to the Town and a complete replacement of the current phone system is required. The proposed new phone system is IP based, may be integrated with and leverage the Town's current data network and will make use of the Town's existing fiber optic network connecting all Town facilities. Functionality and reliability will be greatly improved with the proposed updated phone system.

11. Historical Retirement Expenses

The following table shows the Town's retirement expenses for the past 10 years.

Fiscal Year	Retirement	Change	Change (%)
2008-09	\$351,198	-	-
2009-10	\$356,544	\$5,347	1.52%
2010-11	\$476,399	\$119,855	33.62%
2011-12	\$514,579	\$38,180	8.01%
2012-13	\$504,702	-\$9,877	-1.92%
2013-14	\$538,006	\$33,304	6.60%
2014-15	\$556,978	\$18,972	3.53%
2015-16	\$535,174	-\$21,804	-3.91%
2016-17	\$594,180	\$59,006	11.03%
2017-18	\$612,384	\$18,204	3.06%
2018-19 (Budget)	\$658,681	\$46,297	7.56%
2019-20 (Budget)	\$819,636	\$160,955	24.44%

12. Insurance Premium Pooling

Retirees under age 65 are pooled with and have the same premiums as active employees on our BlueCross BlueShield PPO. Retirees over 65 are part of the UnitedHealthcare Medicare advantage plan and have the same rate structure. Retirees may pay different out of pocket premium expenses based on their years of service to the town.

13. GARE Timeline

For the next 6-12 months staff will use the GARE surveys to evaluate employees' equity based knowledge and Town practices and procedures. This survey will serve as a baseline and can be conducted every two years. Town staff are working with regional partners to become part of a North Carolina Cohort. If this happens, regional partners will join together to attend GARE facilitated trainings over an 18 month period beginning this summer. Each training will inform the process and move the Town forward in organizing, normalizing, and operationalizing the equity work, which is anticipated to take 3-5 years to be fully implemented. During this time, staff will continue to move the work forward through regular core team meetings and will actively look for grants and funding opportunities.

14. Electric or Energy Efficient Garbage Truck

Staff are investigating the possibility of an all-electric and/or more energy efficient trash truck. A cost benefit analysis will be conducted that will examine total environmental impact from manufacture through scrap, the cost to operate and maintain, its ability to get the job done, etc.. This analysis will help determine how the Town will proceed when it is time to replace the current trucks. Staff will look for grants to help defray the associated costs and should have more definitive answers in the months to come.

15. Comprehensive Plan Process

On March 26th, 2019 the Board was provided with a scope of work that will continue to be refined between now and June in order to allow advertisement for a consultant's services by July 1, 2019. The goal of the effort is to prepare a plan that would guide development and Town operations in ways that are equitable, environmentally responsible and fiscally sustainable. The process will include visioning by the Board to guide the process and help determine the issues and values. Extensive community outreach and engagement, data collection, and review of existing plans and documents will also be involved. The final product will express and establish a framework for achieving the community's vision, expectations and guidance for growth and development/redevelopment, and town services.

16. Cost to End Homelessness on a Regional Basis

The Partnership to End Homelessness is in the process of updating their gaps analysis and will have this number later in May.

Please give Arche or me a call if you have any questions or need additional information.

NOTICE OF PUBLIC HEARING

The Board of Aldermen will hold a public hearing on Tuesday, May 28, 2019 at 7:00 p. m. in Town Hall Board Room to receive citizen comments on the Town of Carrboro Recommended Budget for 2019-20. The budget is available for inspection at Town Hall in the Town Clerk's Office. Citizens are invited to make written or oral comments at the public hearing or email comments to cdorando@townofcarrboro.org. The entire budget document may be viewed at Town Hall in the Town Clerk's Office from 8:30 a.m. to 5:00 p.m. weekdays or on the Town website at www.townofcarrboro.org.

TITLE:

Update to Parking Plan Implementation Strategies

PURPOSE: The purpose of this item is to update the Board on the progress to implementing the recommended strategies found in the Parking Plan.

INFORMATION: In April 2017, the Board of Aldermen officially adopted the parking study and the associated recommendations that came out of the planning process as the town's Parking Plan. By resolution, the Board directed staff to begin to develop a strategy and timeline for the implementation of the plan, including prioritization of the recommended management strategies and the rationale for the prioritization. Section 6 of the plan includes implementation strategies laid out in near-term and long term initiatives. Page 61 Table 15 (Attachment 1) details the recommended parking management strategies by category and implementation year.

The parking plan recommendations include twenty specific management strategies for implementation spread over five categories: Education, Encouragement, Enforcement, Evaluation, and Engineering. Of these specific strategies, five have been advanced in the time since the Parking Plan was adopted: Wayfinding and Regulatory Signage, Alternative Transportation (through the TDM program), Lighting & Sidewalk Improvements (Sidewalk Assessment and S. Greensboro Sidewalk Project), Shared Parking Arrangements (facilitated by the ECD Director), and Structured Parking Options (as part of the 203 S Greensboro project). Staff is preparing an implementation timeline of these action items for review at the meeting Tuesday evening.

A top priority is creation of a wayfinding plan and standardization of the town's regulatory signage. The study found during various peak times of use there was still available parking. Directing users to existing spaces is an effective strategy for managing the existing parking available. The Town engaged AXIA Creative in January of 2018 to assist with development of a wayfinding system that could be implemented town-wide. That project is nearing the end of the design phase. Preliminary estimates indicate the cost of these signs to be \$450,000. A wayfinding system has been identified as a need in the CIP. The CTDA has begun to earmark funds to assist the town in funding a system. Staff intends to return to the Board on June 4, 2019 with a more comprehensive report on the status of that program and a recommendation for phasing the project.

Another high priority of the Parking Plan has been to reach out to coordinate shared parking arrangements among property owners. The ECD Director reached out to businesses who expressed an interest in sharing, i.e. Furniture Lab, did not want their lot opened to the public because they have tenants that use the building afterhours and wanted to ensure ample parking for their tenants' customers. But they were interested in leasing to other businesses, in a controlled way, so they knew who was parking in their lot during evening hours.

When staff reached out to businesses that might be in need of parking during evening hours for their employees, which were restaurants that had expressed parking concerns, there was no interest in a paid lease. Essentially, while there is free parking for employees in the downtown, there is no motivation to pay for parking otherwise. Others simply do not want to obligate parking through formal parking agreements. There is sharing that is occurring between businesses informally, for example, Chapel Hill Tire and Aka Hani. Another example is Pizzeria Mercato and Country Kitchen, initial interaction between these two businesses drove Country Kitchen to rope off their parking during the nighttime. They refused to enter into any type of formal agreement for parking, but over time have relaxed the "roping off" and there is sharing occurring without formal agreements in place. Most businesses that are not sharing simply do not want others to park on their property due to perceived liabilities and simple the desire to have the parking available when needed, even if it is not fully utilized.

The biggest barrier appears to be free parking with unenforced time limits provides no motivation for sharing or a change in parking habits in the downtown. Other factors include convenience and access to public parking from some downtown businesses is a barrier. And finally, due to the perceived inequities of baring the cost of providing parking, there is a reluctance to sharing.

Most of staff efforts in 2018 have been directed at accomplishing a short-term solution to parking during construction of the 203 project. Some businesses are willing to open their lots to the public after-hours, i.e. Fitch, but would require a financial investment from the Town to upgrade the lot suitable for public parking. At this point staff's efforts have been directed toward finding the longer term solution to parking for the 203 Project.

The development of the Parking Plan also included an evaluation of the Town's parking requirements as defined in the Land Use Ordinance. This evaluation indicated that the Town's requirements are similar to those seen in municipalities across North Carolina. Staff has received questions related to other aspects of the study and plan, as well as questions about employee parking and will provide information in response in the presentation.

FISCAL & STAFF IMPACT: Funds in the CTDA budget are anticipated to be sufficient to cover work on wayfinding and sign standardization. Staff impacts to implement the shared parking outreach and arrangements is not anticipated to be extraordinary.
