

A RESOLUTION ADOPTING A STATEMENT EXPLAINING THE BOARD OF ALDERMEN'S
REASONS FOR ADOPTING AN AMENDMENT TO THE TEXT OF THE CARRBORO LAND
USE ORDINANCE

Draft Resolution No.

WHEREAS, an amendment to the text of the Carrboro Land Use Ordinance has been proposed, which amendment is described or identified as follows: AN ORDINANCE AMENDING THE LAND USE ORDINANCE TO MODIFY PROVISIONS RELATING TO SOLAR SETBACKS.

NOW, THEREFORE, the Board of Aldermen of the Town of Carrboro Resolves:

Section 1. The Board concludes that the above described amendment is consistent with Carrboro Vision 2020 regarding development taking place in a manner that is consistent with adopted town values, minimizes negative impacts and promotes energy conservation such as protecting solar access, specifically the following provisions:

2.0 Carrboro's development should take place in a manner consistent with a set of adopted values.

2.11 Infill development should take place in a manner that fulfills the town's goals and enhances neighboring areas. The town should develop policies that mitigate the adverse impact of infill development, with particular consideration given to roads, sidewalks, and aesthetic compatibility. The town should develop a process to mediate disagreements between developers and residents of existing neighborhoods.

3.1 In the interest of environmental preservation, new commercial development must minimize negative environmental impact, it must emphasize appropriate buffers, and it must not compromise the integrity of established neighborhoods.

5.51 The town should publicly promote every available means of energy conservation. The town's own alternative and renewable energy targets should include passive and active solar, and composted waster co-generation to fuel public vehicles and the heating of town facilities.

Section 2. The Board concludes that its adoption of the above described amendment is reasonable and in the public interest because the Town seeks to remain consistent with its adopted plans or policies.

Section 3. This resolution becomes effective upon adoption.

This the 25th day of March 2014.
