

A RESOLUTION ADOPTING A STATEMENT EXPLAINING THE BOARD OF ALDERMEN'S  
REASONS FOR ADOPTING AN AMENDMENT TO THE TEXT OF THE CARRBORO LAND  
USE ORDINANCE

Draft Resolution No.

WHEREAS, an amendment to the text of the Carrboro Land Use Ordinance has been proposed, which amendment is described or identified as follows: AN ORDINANCE AMENDING THE LAND USE ORDINANCE TO MODIFY SETBACK PROVISIONS RELATING TO ROOF OVERHANGS.

NOW, THEREFORE, the Board of Aldermen of the Town of Carrboro Resolves:

Section 1. The Board concludes that the above described amendment is consistent with Carrboro Vision 2020, particularly the following provisions relating to development taking place in a manner that is consistent with adopted town values, minimizes negative impacts and promotes energy conservation such as protecting solar access.

2.11 Infill development should take place in a manner that fulfills the town's goals and enhances neighboring areas. The town should develop policies that mitigate the adverse impact of infill development, with particular consideration given to roads, sidewalks, and aesthetic compatibility. The town should develop a process to mediate disagreements between developers and residents of existing neighborhoods.

5.41 The town should encourage the reduction of waste materials in the course of new construction or renovation. The town should promote, be a leader in, and require, where practical, the use of recycled building materials, recycling plans for construction and demolition materials, and the extent to which "green building" techniques are being employed.

5.51 The town should publicly promote every available means of energy conservation. The town's own alternative and renewable energy targets should include passive and active solar, and composted waster co-generation to fuel public vehicles and the heating of town facilities.

Section 2. The Board concludes that its adoption of the above described amendment is reasonable and in the public interest because the Town seeks to remain consistent with its adopted plans or policies.

Section 3. This resolution becomes effective upon adoption.

This the 22<sup>nd</sup> day of April 2014.
