KEY STEPS TO GOLD

- » Continue to expand the on and off street bike network and to increase network connectivity to parts of town that are cutoff by barriers (Highway 54, railroad) and to Chapel Hill. On roads with posted speed limits of more than 35 mph, such as Estes Drive, it is recommended to provide protected bicycle infrastructure.
- » Develop a system of bicycle boulevards, utilizing quiet neighborhood streets.
- » Make intersections safer and more comfortable for cyclists.
- » Increase the amount of high quality bicycle parking throughout the community and upgrade substandard bike parking.
- » Expand the Safe Routes to School program.

- » Continue to expand your public education campaign promoting the share the road message.
- » Offer a greater variety of bicycling skills training opportunities for adults.
- » Promote cycling throughout the year by offering or supporting more family-oriented community or social rides.
- » Establish a formal communication channel between the Carrboro Police Department and the cycling community. Ask police officers to step up enforcement of both motorist and cyclist infractions.
- » Update your bike plan and establish a dedicated funding source for the implementation.
