

RECYCLING PROGRAM FUNDING OPTIONS

PURPOSE

- Provide an overview of recycling program funding options prior to Assembly of Governments meeting on March 26, 2015.
 - Finalizing selection of a funding option will be discussed at AOG meeting

SWAG

- SOLID WASTE ADVISORY GROUP (SWAG)
 - Board of County Commissioners created SWAG in June 2014.
 - Representatives:
 - Two members from each elected board of Carrboro, Chapel Hill, Hillsborough and Orange County
 - One member from UNC-Chapel Hill
 - One member from UNC Healthcare

SWAG

- SWAG began meeting on August 25 to develop an Interlocal Agreement for recycling and solid waste services currently provided by Orange County.
 - Curbside, Multifamily and Commercial Recycling
 - 24 Hour Recycling Drop-off Centers
 - Staffed Convenience Centers
 - C&D Landfill and Vegetative Debris Mulching Facility
 - Commercial Food Waste Collections
 - HHW, Electronics, White Goods, Tires, Scrap Metal, Clean Wood and Mattress Recycling

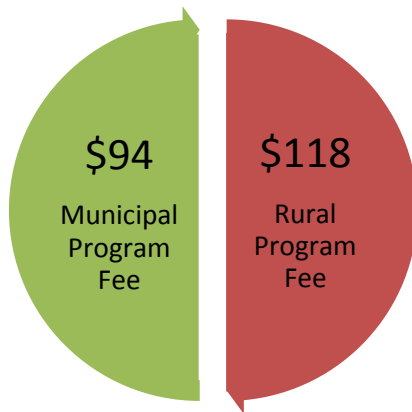

SWAG

- SWAG discussions have included:
 - Funding options for recycling program
 - Interlocal Agreement
 - Partnership Opportunities with UNC-CH and UNC Healthcare
 - Future role of SWAG

SWAG

- Two recycling program funding options are being proposed by the SWAG for consideration by all elected boards.

Option 1

Option 2

UNIVERSAL ELEMENTS

UNIVERSAL ELEMENTS

- All developed properties including tax-exempt properties pay a fee.
- Undeveloped properties do not pay a fee.
- The fee structure is stable and predictable.
- Some property owners may consider the proposed fee rates a significant increase because no fee for rural or urban curbside service or multi-family service has been assessed for the past two years.
- Both options include the phased expansion of rural curbside collection service to all remaining ~7,000 rural residential units, increasing the recycling and waste reduction rate.

UNIVERSAL ELEMENTS

- All options assume the current use of fees to fund approximately 35% of Solid Waste Convenience Centers (SWCC) costs, and assumes approximately \$1.85 million in General Fund contributions to fund the remaining costs.

UNIVERSAL ELEMENTS

- Funding option proposals are based on FY 2014-15 budget revenue requirements. For FY 2015-16, minor fee adjustments may be implemented to align with the actual FY 2015-16 budget revenue requirements.

UNIVERSAL ELEMENTS

- Failure of elected boards to approve a funding mechanism may lead to suspension of services or further debiting of the solid waste landfill closure and post-closure reserves account.
- Orange County will continue to provide financial assistance for qualifying low-income residents who are unable to pay for solid waste program fees. In 2014, approximately 700 parcels were provided assistance through the County's 3-R Fee Financial Assistance program.

OPTION #1

- **KEY FACTORS**

- Simplified fee structure: 2 Fees
- Easy to administer, manage & explain
- Incremental rural fee increase over phased expansion of rural curbside service
- Single family, multi-family, and developed non-residential property owners in the rural sector pay \$24 more than property owners in the urban sector.

OPTION #2

- **KEY FACTORS**

- Simplified fee structure: 1 Fee
- Easy to administer, manage, and explain
- Incremental fee increase over phased expansion of rural curbside service
- All developed properties pay the same amount, although eligibility for services may vary between jurisdictions and sectors.
- This option presents a new funding paradigm and new way of viewing solid waste program funding by offering a singular fee. This holistic approach to funding eliminates any division between rural and urban boundaries, creating a truly integrated and comprehensive approach to program funding county-wide.

NEXT STEPS

- Assembly of Governments meeting on March 26
 - Selection of funding option
- Approval of funding option by each elected board to authorize County to charge fee
 - Approval needed before end of April
- Finalize Comprehensive Interlocal Agreement by January 1, 2016
