CONDITIONAL USE PERMIT - AMENDMENT

THIS DOCUMENT IS FILED TO AMEND THE ORIGINAL CONDITIONAL USE PERMIT DATED January 16, 1996, THAT IS ON FILE IN THE ORANGE COUNTY REGISTRY IN BOOK 1451, PAGE 156.

The Board of Aldermen granted the amendment to the conditional use permit requested by the Yaggy Corporation on March 14, 2000.

9778-83-6729 MR. per phone MAB

The following condition replaces Condition #16 of the January 16, 1996 conditional use permit:

16. As a continuing condition of approval, subject to the conditions set forth herein, the applicant shall fully cooperate with the Town in its efforts to obtain the following agreement to allow access from Old Mill Village (now called Roberson Place) to South Greensboro Street:

- a. An easement from Rogers-Triem, Inc. appurtenant to the Roberson Place property, authorizing egress for the vehicular traffic from the Roberson Place property to South Greensboro Street, and allowing ingress and egress to and from South Greensboro Street for emergency service vehicles and bicycles, such easement to expire automatically upon the acquisition by the town of a public right-of-way providing access from Greensboro Street to the Roberson Place property. The location and configuration of this easement shall be substantially as shown on the attached diagram, which shall become Exhibit "A" to the permit, except that it is understood that this easement may provide that it can be relocated by Rogers-Triem, Inc. at its expense so long as the relocated easement continues to serve the same function. It is further understood that this easement shall be granted contingent upon abandonment by the Town of the existing Rand Road right-of-way, and that the easement shall also recite that, upon redevelopment of the Rogers-Triem property, it is expected that the town will require that a public street be constructed and dedicated providing access from South Greensboro Street through the Rogers-Triem property and connecting to the public street at the southern terminus of the Roberson Place property.
- b. To the extent necessary, an agreement to the matters set forth in paragraph (a) shall be executed by the owners of the property immediately adjoining the Rogers-Triem tract to the southeast.

In addition, the applicant shall post a financial security equal to or in excess of 125% of the cost of construction of the improvements associated with the connection which shall remain in effect for a period of five (5) years. During the five-year period, the Town may draw against the Letter of Credit if, once the necessary easements have been secured, the Yaggy Corporation declines to undertake the construction or fails to complete the construction within six (6) months. The Letter of Credit would expire five years from the date of the recording of this minor modification approval.
