

A RESOLUTION ADOPTING A STATEMENT EXPLAINING THE BOARD OF ALDERMEN'S
REASONS FOR ADOPTING AN AMENDMENT TO THE TEXT OF THE CARRBORO LAND
USE ORDINANCE

Draft Resolution No.

WHEREAS, an amendment to the text of the Carrboro Land Use Ordinance has been proposed, which amendment is described or identified as follows: AN ORDINANCE AMENDING THE CARRBORO LAND USE ORDINANCE TO ESTABLISH REGULATIONS FOR DATA SERVICE PROVIDER FACILITIES NOT OTHERWISE REGULATED.

NOW, THEREFORE, the Board of Aldermen of the Town of Carrboro Resolves:

Section 1. The Board concludes that the above described amendment is consistent with *Carrboro Vision 2020* particularly the statements under Section 3.4 relating to technology:

- 3.42 Carrboro should continue to explore new technologies and should actively recruit private companies to supply Carrboro with the most up-to-date technology available, encouraging its distribution throughout the town.
- 3.43 Carrboro should help local businesses grow and expand by taking full advantage of the Internet and other new technologies that become available.

Section 2. The Board further concludes that the above described amendment is reasonable and in the public interest because the performance standards should allow the Town to embrace new technologies in a way that ensures compatibility with surrounding and proposed uses.

Section 3. This resolution becomes effective upon adoption.

This the 23rd day of June 2015.
