CARRBORO, NORTH CAROLINA 27510

**ORANGE COUNTY
NORTH CAROLINA**

**TOWN OF CARRBORO
CONDITIONAL USE PERMIT GRANTED
The Butler Mixed Use Building**

On the date(s) listed below, the Board of Aldermen of the Town of Carrboro met and held a public hearing to consider the following application:

APPLICANT: Downtown Urban Ventures, LLC and Edwin Andrews Properties, Inc.
OWNERS: Downtown Urban Ventures, LLC and Edwin Andrews Properties, Inc.
PROPERTY LOCATION (Street Address): 120 Brewer Lane
TAX MAP, BLOCK, LOT(S): 7.92.A.22 <i>9778-96-8060</i>
PROPOSED USE OF PROPERTY: Construction of a five-story mixed use building.
CARRBORO LAND USE ORDINANCE USE CATEGORY: Building Site: 27.000, Combination Use including: 1.310, 3.110, 3.120, 3.130, 3.150, 3.210, 3.220, 3.250
MEETING DATES: June 24 and August 26, 2008

Having heard all the evidence and arguments presented at the hearing, the Board finds that the application is complete, that the application complies with all of the applicable requirements of the Carrboro Land Use Ordinance for the development proposed, and that therefore the application to make use of the above-described property for the purpose indicated is hereby approved, subject to all applicable provisions of the Land Use Ordinance and the following conditions:

1. The applicant shall complete the development strictly in accordance with the plans submitted to and approved by this Board, a copy of which is filed in the Carrboro Town Hall. Any deviations from or changes in these plans must be submitted to the Development Review Administrator in writing and specific written approval obtained as provided in Section 15-64 of the Land Use Ordinance.
2. If any of the conditions affixed hereto or any part thereof shall be held invalid or void, then this permit shall be void of no effect.

3. That no size-limited unit may be enlarged for one year after issuance of a certificate of occupancy.
4. That the applicant make a payment-in-lieu of affordable housing for four (4) of the nine (9) proposed affordable units in the amount not to exceed \$100,000 per unit to be paid to the Town of Carrboro's Affordable Housing Special Review Fund, and that the remaining five (5) affordable dwellings provided be, at a minimum, one-bedroom units.
5. That a fee in-lieu of recreation points equivalent to 44.93 points @ \$186.98 per point, or \$8,401.00 (subject to fee change on July 1, 2008) be paid to the Town of Carrboro prior to construction plan approval.
6. That the trellis facility in the courtyard is equipped with outdoor furniture (tables, chairs, benches, etc.) sufficient to adequately serve the residents of the building, per the submitted rendering (Attachment E-2).
7. That prior to construction plan approval, the applicant provide to the Town of Carrboro evidence of a shared access easement (or equivalent) agreed upon by the owners of the 110 Brewer Lane mixed-use project so as to secure access to the proposed project at 120 Brewer Lane and that said easement will be shown and referenced on any plat associated with the project.
8. That the applicant be allowed to deviate from the presumptive parking standard requirement 149 spaces by providing 136 spaces based upon their written justification that anticipates shared use of spaces between business and residential uses (Attachment G).
9. That the applicant must receive a Town of Carrboro driveway permit for Brewer Lane prior to construction plan approval (if found to be necessary).
10. That, per the provisions of Section 15-309 of the Carrboro Land Use Ordinance, the screening requirements of Section 15-308 are waived as they do not create a substantial benefit to the adjacent properties and because the project is to be rezoned to B-1(c), which has no setback requirements, based upon the applicant's screening justification letter (Attachment I).
11. That screening gates be provided for the proposed dumpster (on 110 Brewer Lane) to prevent views of the dumpster from the south, while still allowing access as needed.
12. That, prior to approval of any plat submitted for the project, a maintenance agreement for stormwater facilities used jointly by the owners of the 110 and 120 Brewer lane be approved by the Town Attorney and addressed in the condominium owners association documents.
13. That the applicant shall provide to the Carrboro Zoning Division, prior to the recordation of the final plat for the project or before the release of a bond if some features are not yet in place at the time of the recording of the final plat, Mylar and digital as-builts for the stormwater features of the project. Digital as-builts shall be in DXF format and shall include a base map of the whole project and all separate plan sheets. As-built DXF files shall include all layers or tables containing storm drainage features. Storm drainage features will be clearly delineated in a data table. The data will be tied to horizontal controls.
14. That the developer shall include a detailed stormwater system maintenance plan specifying responsible entity and schedule. The plan shall include scheduled maintenance activities for each unit in the development (including cisterns, bio-retention areas, swales, check dams, and irrigation pond, performance evaluation protocol, and frequency of self-reporting requirements, including a proposed self-reporting form) on maintenance and performance. The plan and supporting documentation shall be submitted to the Town of Carrboro engineer and Environmental Planner for approval prior to construction plan approval. Upon approval, the plans shall be included in the homeowners' association documentation.

15. That prior to construction plan approval, the applicant gain written permission from the UNC Property Office to access their site via the Libba Cotton Bikeway so as to perform work necessary to implement the approved plan.
16. That prior to construction plan approval, a construction traffic management plan be approved by the Town of Carrboro addressing the project's impact during construction on both the Libba Cotton Bikeway and the surrounding streets.
17. That prior to issuance of the Certificate of Occupancy, if it is deemed necessary by the Carrboro Fire Department, the applicant replace the existing bollards on the Libba Cotton bikeway (the ones that directly affect emergency access to the new building) with improved, removable or collapsible bollards.
18. That prior to construction plan approval, the design for the landscape island on the east side of the building be shortened as necessary to facilitate movement of solid waste and recycling trucks, as recommended by Orange County Solid Waste.
19. That prior to construction plan approval, a shared-use and maintenance easement between the owners of 110 and 120 Brewer Lane be approved by the Town Attorney and recorded regarding the solid waste facility arrangement for the two properties.
20. That prior to issuance of the Certificate of Occupancy, the applicant provide evidence that they have fulfilled the relevant terms, provisions and requirement of their recorded Brownfield Agreement with NCDENR.
21. That the applicant must obtain all necessary temporary and permanent easements prior to construction plan approval.
22. That condominium owner's association documents are approved by the Carrboro Town Attorney prior to issuance of the Certificate of Occupancy.
23. That the applicant receive(s) CAPS from the Chapel Hill-Carrboro City Schools district pursuant to Article IV, Part 4 of the Carrboro Land Use Ordinance prior to construction plan approval.
24. That if Orange Community Housing and Land Trust is unable to sell any affordable unit within one year of the date it receives a certificate of occupancy, Downtown Urban Ventures, or its successors or assigns, will be released from its obligation to sell that unit to OCHLT and may instead provide to the Town of Carrboro a payment-in-lieu of providing an affordable unit, consistent with the applicable related Carrboro Land Use Ordinance language.
25. That prior to construction plan approval, the applicant must prepare, and the Town Manager accept, a three-party agreement between the future owner's association, Orange Community Housing and Land Trust, and the Town of Carrboro. The agreement must: 1) stipulate that either the Land Trust or the Town must verify compliance with the applicable provisions of the conditional use permit and Land Use Ordinance relating to affordable housing prior to the sale/resale of any affordable unit; 2) establish and implement a 1% transfer fee program wherein market-rate units will subsidize affordable units within the development; and 3) stipulate that the owner's association covenants must include language regarding the affordable units and properly disclose related information to purchasers of market-rate units information regarding the 1% transfer fee program. Details regarding this condition must be presented to and approved by the Carrboro Town Attorney and Town Manager prior to construction plan approval. Monies collected in the affordable housing transfer fee program, associated with the sale/resale of properties, are to be placed into a fund for the specific purpose of paying condominium and townhome owner's association dues for persons who acquire affordable housing.
26. That the applicant fulfill their agreements as listed in Attachment E-1 (Summary Actions Agreed to by the Applicant Relative to Advisory Board Recommendation), with the revision of #17 to require the pedestrian connection to the north from the courtyard be handicap accessible.

27. That the developer will post in a prominent location on the building site, a contact number for the public to call to report concerns. The contact should be available at all times.

This permit shall automatically expire within two years of the date of issuance if the use has not commenced or less than 10 percent (10%) of total cost of construction has been completed or there has been non-compliance with any other requirements of Section 15-62 of the Carrboro Land Use Ordinance.

All street construction on those streets proposed for acceptance by the Town of Carrboro shall be certified by an engineer. Engineering certification is the inspection by the developer's engineer of the street's subgrade, base material, asphalt paving, sidewalks and curb and gutter, when used. The developer's engineer shall be responsible for reviewing all compaction tests that are required for streets to be dedicated to the town. The developer's engineer shall certify that all work has been constructed to the town's construction specifications.

If this permit authorizes development on a tract of land in excess of one acre, nothing authorized by the permit may be done until the property owner properly executes and returns to the Town of Carrboro the attached acknowledgment of the issuance of this permit so that the town may have it recorded in the Orange County Registry.
