

A RESOLUTION ADOPTING A STATEMENT EXPLAINING THE BOARD OF ALDERMEN'S
REASONS FOR ADOPTING AN AMENDMENT TO THE TEXT OF THE CARRBORO LAND
USE ORDINANCE

Draft Resolution No.

WHEREAS, an amendment to the text of the Carrboro Land Use Ordinance has been proposed, which amendment is described or identified as follows: AN ORDINANCE AMENDING THE CARRBORO LAND USE ORDINANCE TO ESTABLISH REGULATIONS FOR FACILITIES THAT PROVIDE SOCIAL SERVICES INCLUDING DINING.

NOW, THEREFORE, the Board of Aldermen of the Town of Carrboro Resolves:

Section 1. The Board concludes that the above described amendment is consistent with *Carrboro Vision 2020*, particularly the following provisions relating to Carrboro's support of human services and inclusion of the interests of all citizens when making development decisions as described below:

1.0 Programming, Services, and Amenities

1.3 Human Services

Carrboro citizens are vocal in their concern for each other. Our citizens also desire the security of knowing how their town works, thereby facilitating our delivery of human services.

1.32 The town should continue to support human service needs that are above and beyond those met by the County.

1.35 The town should consider the impact of its ordinances and policies on the wellbeing of its most vulnerable citizens, including the elderly, children, those with disabilities and those living on low-, middle-, or fixed incomes.

1.44 The town should continue to seek opportunities to exercise more local control of revenue options and community health and welfare options.

2.0 Development

Carrboro's development should take place in a manner consistent with a set of adopted values. The health and safety of citizens should be protected. Respect for and protection of the natural environment should be integrated into the town's policies as a high priority in enriching the quality of life. As much as possible, Carrboro's town character should be preserved; and the town should respond to citizen initiatives toward that goal. The community should continue to foster diversity, welcoming people of all races, ages, ethnicity, sexual orientations, and social and economic backgrounds. Growth should occur in a balanced fashion, and at a rate that does not jeopardize the values set forth by Vision202. The interests of all members of the community, including property owners, neighbors, and other interested citizens should be considered when making development decisions.

- 2.11 Infill development should take place in a manner that fulfills the town's goals and enhances neighboring areas. The town should develop policies that mitigate the adverse impact of infill development, with particular consideration given to roads, sidewalks, and aesthetic compatibility. The town should develop a process to mediate disagreements between developers and residents of existing neighborhoods.

Section 2. The Board further concludes that the above described amendment is reasonable and in the public interest because it expands the use of a mechanism that allows rezonings to occur under very specific conditions so as to ensure compatibility with surrounding and proposed uses.

Section 3. This resolution becomes effective upon adoption.
