Dear Assistant to the Town Manager for Affordable Housing:

I'm writing on behalf of Paul Yenchik, a Member at the Community Empowerment Fund (CEF). He currently has a Housing Choice Voucher, and has secured a place to live at 103 W. Main Street, Carrboro, NC 27510. He now needs financial assistance to pay for his security deposit. His security deposit is \$639.00. We are requesting assistance on his behalf through the Rental Deposit Program of the Carrboro Affordable Housing Fund.

Since he will be living in Carrboro and has a Housing Choice Voucher, I believe that he qualifies for these funds. This financial assistance will help him to secure stable housing after experiencing homelessness.

Please feel free to contact me if you have additional questions. Thank you!

Sincerely,

Maggie West
