

**Estes Drive (SR 1780) & Greensboro Street (SR 1772) Intersection Improvements
Carrboro, Orange County, STIP Project U-5846**

Public Meeting - Monday, November 14, 2016, 4 to 7 pm

LOCATION: Town Hall Board Room

The North Carolina Department of Transportation is currently studying a proposed project that would improve the intersection of Estes Drive (SR 1780) & Greensboro Street (SR 1772), located within the Town of Carrboro, in Orange County. The purpose of this project is to make the intersection safer and more effective in handling existing and future traffic. Both Estes Drive and Greensboro Street are two-lane roadways and the existing intersection is signalized.

At the Public Meeting representatives from the project study team will share information, answer questions, and receive comments regarding the proposed project in an open house style setting. There will not be a formal presentation, and participants are encouraged to drop in at any time during the meeting hours. You may also submit comments or questions at the meeting or later to the contacts listed to the left by December 15.

For questions or comments about the project, to be added to the project mailing list, and/or to receive future newsletters please contact:
