

Northern Transition Area Advisory Committee

Forms Attached:

- 1) All paperwork provided by the chair.
- 2) Advisory board application(s)

To Board Chairs: Please summarize applications as received; contact each applicant for any update one year after last contact; when positions are open, invite each applicant to attend a board meeting prior to making a recommendation.

ADVISORY BOARD NAME: Northern Transition Area Advisory Committee (NTAAC)
Applicant(s) recommended at this time (1 per open seat)

Applicant 1: Jay Bryan

Outstanding qualifications: Excellent experience and expertise with Zoning/Land Use ordinances/language. Experiences include serving on the Carrboro Board of Aldermen, Carrboro Planning Board, and the Orange County Planning Board.

How applicant compliments current board composition: Currently serves on the NTAAC and frequently brings/shares his expertise with less experienced community members (Previous NTAAC Chair, and Chair of the Northern Study Area Plan Implementation Review Committee (NSAPIRC) 2007-8; Participated in 2011 DAD NSA Workshop.) Jay's many years of service also bring a historical perspective to the NTAAC that other member's lack.

Other comments: Jay has applied to renew his Town of Carrboro pointed to NTAAC; He has not applied to another Adivosry Board and has lived in the Northern Study Area for many years.

(Please note that only the first page of the advisory board application was received.)

Applicant 2: Amy Jeroloman

Outstanding qualifications: Has served and participated in NSA committees and/or workshops since 2007. Many of the review items presented coming before the NTAAC required the historical knowledge of these events.

How applicant compliments current board composition: Currently serves on the NTAAC as Chair and shares expertise with less experienced community members (Current NTAAC Chair; Served on the Northern Study Area Plan Implementation Review Committee (NSAPIRC) 2007-8; Participated in 2011 DAD NSA Workshop.) Frequently brings her organizing/computer skills and attention to details to facilitate committee meetings and items for review. (IE Mapped out the FLX ordinances in Visio so committee members and the BoA visually see the complexity of the steps. Organized the NTAAC in order to notify NSA neighborhoods about an upcoming FLX Public Hearing.)

Other comments: Amy has applied to renew her Orange County pointed to NTAAC; She has not applied to another Adivosry Board and has lived in the Northern Study Area for many years.

Applicant 3: Linda Bowerman

Outstanding qualifications: Has previously served on the NTAAC but not recently (ie not within the last 5 years.) Has work experience involving environmental testing, including water for bacterial contamination, and biological indoor air quality.

How applicant compliments current board composition: Could full the 5th Seat (the 3rd Orange County Representative) on the NTAAC which has been vacant for years.

Other comments: Applicant's first choice is to serve on the Environmental Advisory Board. Given her work experiences this may be the best fit. (Linda confirmed this by phone on 12/29/2016. Also states she has scheduled to attend one Environmental Advisory Board's meetings.)

Continue if additional applicants are recommended

To Board Chairs: Please summarize applications as received; contact each applicant for any update one year after last contact; when positions are open, invite each applicant to attend a board meeting prior to making a recommendation.
