**Any Other Information About Sponsor Or Event:** Bladder Cancer is the 5th most commonly diagnosed cancer and is one of the lowest in funding. To this end, each spring over the past 8 years, the Triangle Chapter of the Bladder Cancer Advocacy Network (BCAN) has successfully hosted the National Walk for Bladder Cancer in Hillsborough NC with the attendance up to 100 – 125 people and up to \$13,500 raised from both corporate and individual contributors. The chapter feels it is time to grow this event and has enlisted the help of Fleetfeet Sports in Carrboro, NC.

Our plan is to begin and end a 5k road race at the Fleetfeet Sports storefront at 310 E. Main St. The route is outlined on an attached map. Race events will include live music, several display and registration tables and an activity/event for the children. We would supply volunteers to be at each turn in the route. We think we can attract up to 200 participants, well meet our goal of over \$15,000 and most importantly, create greater awareness of effects that Bladder Cancer has on lives.

It doesn't have to do with personally. It should either be included in the application or you can ask the town how it should be written on the certificate of insurance (COI). They know what it is. Once they have provided that info and I have all the correct event info i can request the COI.

As a note the COI can usually be provided after the application.

Let me know what they say.

Thanks!

Rebecca
