

A RESOLUTION RECEIVING PUBLIC COMMENT ON THE PARKING STUDY REPORT
AND ASSOCIATED RECOMMENDATIONS

WHEREAS, The Town of Carrboro entered into a contract with VHB Engineering in November 2015 to conduct a parking study of the downtown; and

WHEREAS, the Board of Aldermen received the report and associated recommendations on February 21, 2017, and referred the materials to the Planning Board, the Transportation Advisory Board, the Environmental Advisory Board, the Northern Transition Area Advisory Committee, the Economic Sustainability Commission, and the Recreation and Parks Commission; and

WHEREAS, the advisory boards received a presentation from VHB Engineering on April 6, 2017, and have submitted comments on the report and associated recommendations; and

WHEREAS, the Board seeks to provide ample opportunities for the public to comment on parking study as well.

NOW, THEREFORE BE IT RESOLVED that the Board adopts the report with its analysis and associated recommendations as the Parking Plan and directs staff to begin developing a strategy and timeline for its implementation.

BE IT FURTHER RESOLVED that the Board directs staff to incorporate the following into the plan as part of its adoption:

1. _____
2. _____
3. _____
4. _____

This is the 25th day of April in the year 2017.
