PUBLIC NOTICE: Proposed conditional use rezoning of properties at 802 and 806 Merritt Mill Rd

You are receiving this letter because your property or residence is within 1,000 feet of property under consideration for rezoning.

The Town has received an application from the CASA NC for a conditional use rezoning/conditional use permit for property at 802 and 806 South Merritt Mill Road to allow for the construction of four connected three-story buildings consisting of two-bedroom multi-family residential units. The total project encompasses four properties, two in the Town of Carrboro and two in the Town of Chapel Hill. The Carrboro parcels are currently zoned R-7.5. The proposal is to rezone both parcels to R-2-Conditional Use (R-2-CU). The parcels may be more specifically described by their Orange County PIN numbers 9778-93-1183 and 9778-93-0153, as shown in dark outline on a map on the reserve side of this letter.

The Board of Aldermen will hold a public hearing to consider the conditional use rezoning/conditional use permit per this request on Tuesday, March 27, 2018 at 7:30 p.m. in the Town Hall Board Room (Room 110) located at 301 West Main Street. You are invited to attend this hearing and to make your opinions on the requested rezoning known.

Additional information regarding the rezoning under consideration is available from the Planning Department located on the second floor of Town Hall and will also be available on the Town's website a few days before the meetings. The Board of Aldermen's agenda materials for the public hearing may be found at <https://carrboro.legistar.com/Calendar.aspx>. Substantial changes to the proposed amendment to the Town's zoning map may be made following the public hearing.
