**Community Activities/Organizational Memberships\***

While still fairly new to Carrboro, I have been in the Raleigh-Durham area for about two and a half years, and wish to contribute to the community by serving on a board or commission. I am a former lawyer, now working in education research, and have experience working for Legal Aid and helping secure affordable housing for residents of various communities. Further, I conduct research in schools, with an eye towards improving public education for all kids, including those who need special or additional services.

Please enter the requested information.

**Experience to Aid You in Working on Advisory Boards\***

My background as a lawyer will be helpful in interpreting city policies. I was a Deputy Legislative Counsel for a state legislature for two years, responsible for drafting proposed legislation and regulations, which will also aid the city, I think, as I can envision how policy changes would benefit constituents.

**Reasons You Wish to be Appointed\***

I am interested in helping the Carrboro community be accessible and affordable, and a key component to meeting those goals is in the housing arena. Accordingly, I seek to use my background to work with other townspeople to ensure Carrboro meets the housing needs of its citizens. I'm also interested in balancing the goals of growth and affordability moving forward.

After completing two full terms, a member must take off one year before applying for re-appointment to the advisory board. However, a board member may apply to serve on another advisory board if he/she desires. The Board of Aldermen may make exceptions to this rule under the following circumstances: 1. To retain diversity on an advisory board; 2. To provide continuity in oversight of a major, on-going project; 3. To keep a member who provides expertise otherwise unavailable on an advisory board (e.g., an engineer on the Planning Board or Board of Adjustment); or 4. A lack of qualified applicants.
