Community
Activities/Organizational
Memberships

I currently am the Chairperson of the Juvenile Crime Prevention Council of Orange County and I am an ex-officio board member of the Chapel Hill/ Orange County Visitor's Bureau Board – both appointed by the Orange County Board of Commissioners. I have been a volunteer with the community organization PORCH for three years. I am active in and have several professional organizational memberships including the NC Downtown Development Association, International Downtown Association, Engaging Local Government Leaders, North Carolina Center for Nonprofits, and CH/Carrboro Chamber of Commerce.

Experience to Aid You
in Working on Advisory
Boards

My job has afforded me numerous opportunities to work alongside and in supportive roles with local government elected officials, advisory boards, and community organizations throughout the county. As a Director of a nonprofit agency, I have extensive experience in working with a 15 member board of directors too. I am the current chairperson of a 30 member, county-wide advisory board, and have served in this role for 5

years. I have a strong understanding of advisory board operations and how to balance peoples' interests to ensure all are heard, respected, and included in discussions and decision making.

Reasons You Wish to be Appointed

I have lived in the Morris Grove Heights neighborhood for 15 years in June. I adore my neighborhood and neighbors. The neighborhood is right at the intersection of Old 86 HWY and Eubanks Road; an area of the county that hasn't seen much change in those years, however it is poised for much to come. Several years ago I greatly enjoyed participating in the charrette discussions about development in our area. As this area grows and welcomes new businesses and neighbors, I have a great interest in being a part of the collective decisions we make about how that change happens and what direction it goes. All of my professional experience aside, I am excited about the opportunity to be a part of an advisory board whose decisions and actions directly impact my families wonderful slice of the community.
