### Proposed Beaumont Subdivision – Affordable Housing Review

Motion was made by Gabe Vinas, and seconded by Tyran Hill that the AHAC recommends that the Board of Aldermen consider the following comments/recommendations during their affordable housing review:

1. The Affordable Housing Advisory Commission (AHAC) appreciates that the size-limited aspect of the Beaumont project contributes to initial affordability, but also recognizes that size-limited housing does not guarantee permanent affordability.
2. The AHAC acknowledges that an affordable housing payment in lieu, per the Town of Carrboro fee schedule, would amount to \$57,900.60 for the Beaumont project. As a result, we recommend the developers, Zinn Design Build, make a good faith donation of \$12,000 or donate one lot for the purpose of building permanent affordable housing.
3. The AHAC looks forward to meeting with Zinn Design Build to discuss housing affordability at a later date, per their offer.
