

A RESOLUTION ACCEPTING THE STORMWATER REPORT, DIRECTING STAFF TO  
REPORT BACK ON RATE STRUCTURE OPTIONS, AND AUTHORIZING A  
STORMWATER PILOT PROJECT

**WHEREAS**, the Town of Carrboro created a Stormwater Utility, Stormwater Enterprise Fund, and Stormwater Advisory Commission in 2017; and

**WHEREAS**, the Board of Aldermen adopted a new Stormwater Utility rate structure in 2018, and Town staff have been working since to transition the Utility from a formative to operational stage; and

**WHEREAS**, a report has been provided on past, current, and planned service delivery expansion and options; and

**WHEREAS**, a proposal for a neighborhood pilot “RainReady” project in the upper Toms Creek watershed has been prepared by the Center for Neighborhood Technology to work with residents to identify and pursue residential scale measures to enhance resiliency and contribute to neighborhood and watershed scale flood mitigation efforts;

**NOW, THEREFORE BE IT RESOLVED** by the Carrboro Board of Aldermen that the Aldermen accept the staff report provided, direct staff to prepare a report with one or two rate structure options and public hearing schedule by early 2020, and approve the proposal provide by the Center for Neighborhood Technology and appropriate \$24,990 for this project.

This is the 10th day of September in the year 2019.
