Re: Lloyd Farm

Dear Ms. Albini,

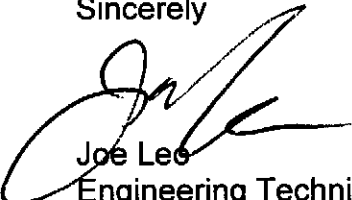

This letter shall serve to advise you of the availability of public water and sewer service to the referenced site.

Public water mains presently exist within NC Highway 54, Old Fayetteville Road, and James Street which are adjacent to the above referenced property. Public sewer mains presently exist on a portion of the referenced property along James Street. These lines are available for connection upon the review and approval of construction drawings by this office for any proposed development on the site.

Please note: **This letter serves to advise of the availability of water and sewer to the site but in no way indicates approval of construction for any project.**

If you have any questions or concerns please feel free to contact this office.

Sincerely

Joe Leo
