## ECONOMIC SUSTAINABILITY PLAN 2017

ADOPTED NOVEMBER 28, 2017

## PURPOSE STATEMENT

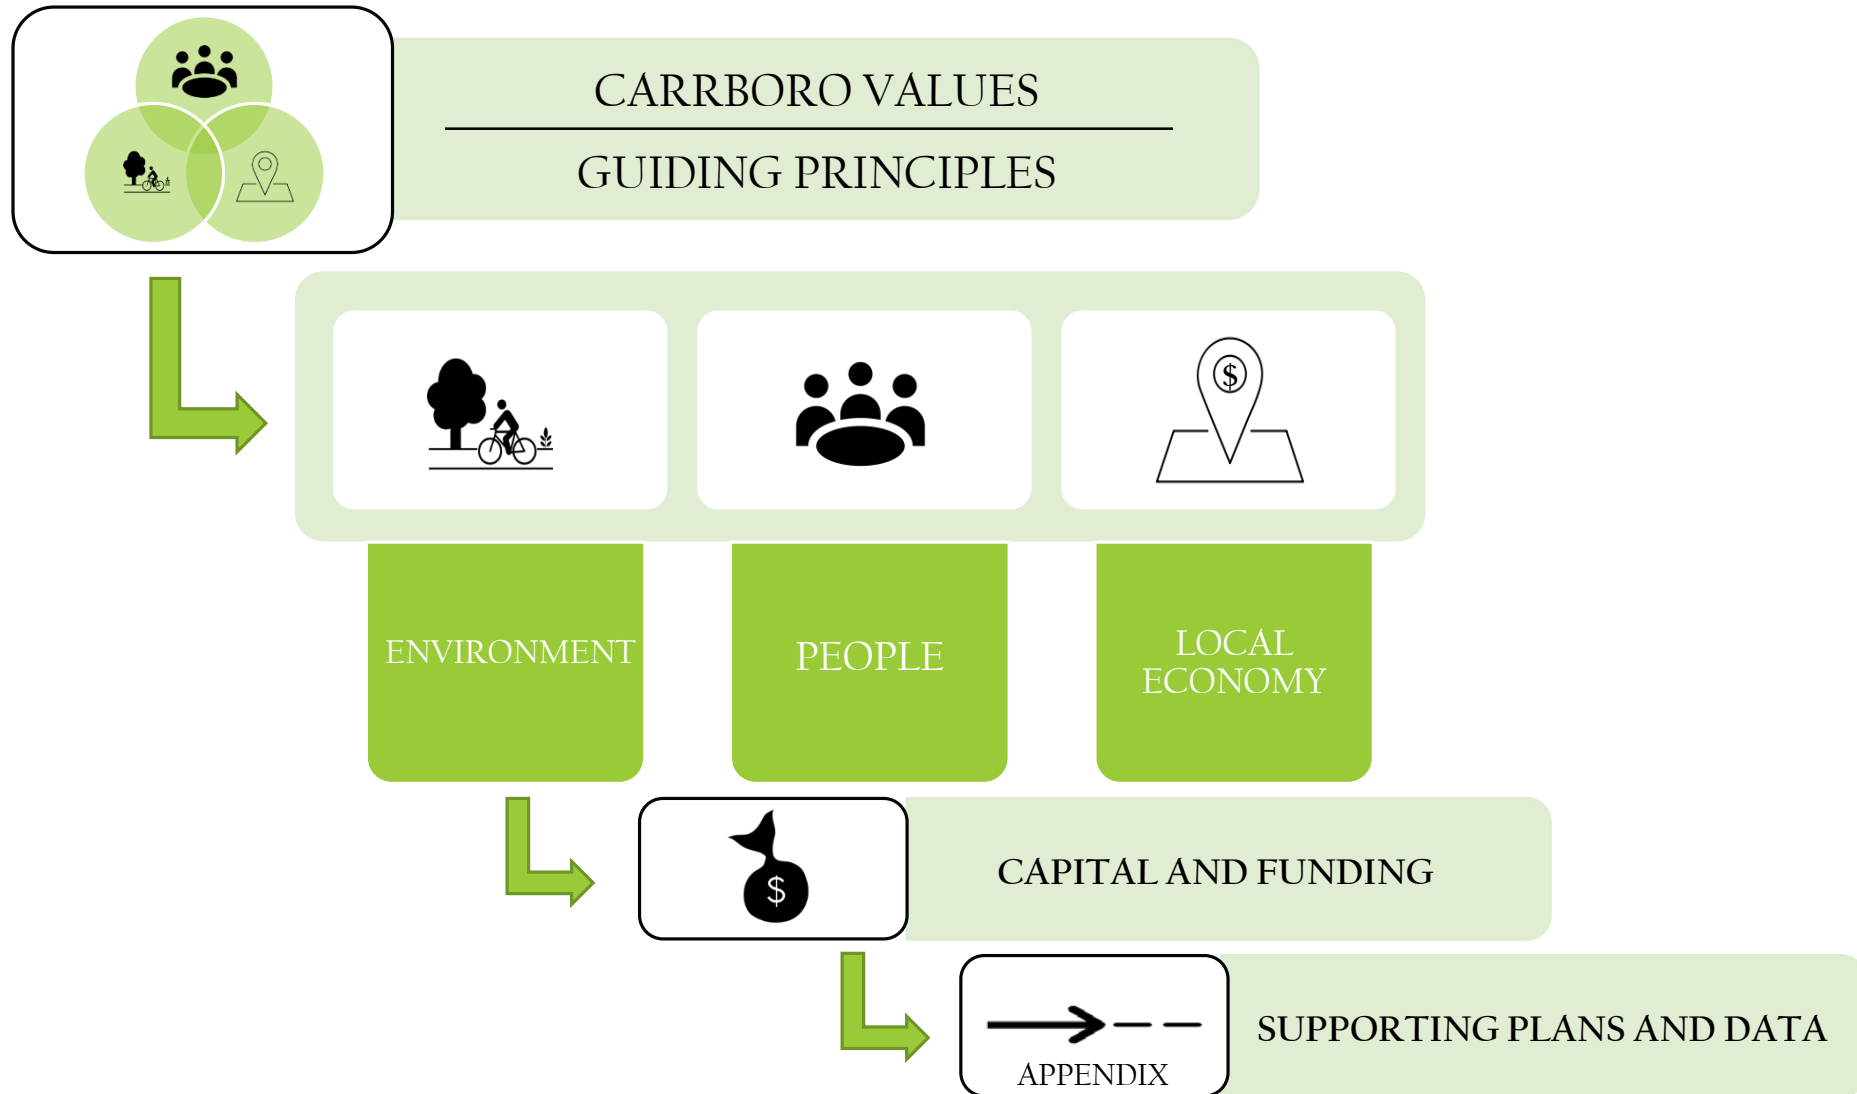

This document is intended to be a simple to use set of values, guiding principles, and action items for the continued development and economic well being of the Town. It is expected that the document will be reviewed and updated bi-annually as action items are addressed and values and guiding principles continue to evolve. Further studies related to this plan should include prioritizing, needs assessments, implementation strategies, funding options, and partnership opportunities for action items. The Economic Sustainability Plan seeks to be a guiding document for the community and the Economic Sustainability Commission's review of applications for loans, zoning permits, ordinance amendments, development plans and other documents submitted to them by the Board of Aldermen consistent with their duties and responsibilities.

### DUTIES AND RESPONSIBILITIES OF THE ESC

- Evaluate commercial growth, development, and redevelopment to ensure projects correspond with the town's sustainability goals and the triple bottom-line sustainability principles:
  - Do no harm to the environment and protect natural resources.
  - Adhere to the principles of social justice and equity in economic and community development efforts.
  - Return strong stakeholders value.
- Promote the development and expansion of diverse job opportunities, providing for economic opportunity and mobility.
- Administer the Revolving Loan Fund.
- Work closely with the Town Manager or his designee for dealing with sustainability issues.
- Make studies and recommend to the board plans, goals, and objectives relating to the growth, development, and redevelopment of the town.
- Recommend to the board site-specific plans for the commercial development of various lots within the town, showing recommended types of development for these specific lots.
- Recommend to the board plans for the improvement of access to and circulation within the town by motorists (including parking), public transportation users, bicyclists, and pedestrians.
- Upon request of the board of adjustment or Board of Aldermen, make recommendations to the respective board on requests for special or conditional use permits, land use ordinance text or zoning map changes.
- Perform any other duties assigned by the board.

# PLAN ORGANIZATION

# CARRBORO VALUES

Foundational to the Community, the Economic Sustainability Commission and the Department of Economic and Community Development is the principle of sustainability, a value identified by Board of Aldermen.

## SUSTAINABILITY

We value an equitable, fair, just, resilient, self-reliant, and sustainable local economic system. The value of sustainability affects how we plan for **people**, **environment**, and a **local economy**.

### ENVIRONMENT

We value a sustainable land ethic and seek to exercise voluntary decency towards the land implementing policies and practices that are respectful of limited resources and the impacts expending resources have on the environment.

### PEOPLE

We value all human life and seek to promote an economic system that provides opportunity, prosperity, justice, equity and dignity for all people.

### LOCAL ECONOMY

We value an economic system that is locally-owned in nature as the basis for a strong, vibrant community.

# GUIDING PRINCIPLES

---

## QUALITY OF LIFE MEASUREMENTS

The quality of life measurements represent any principles that guide an organization throughout its life in all circumstances, irrespective of changes in its goals, strategies, or type of work.

### EQUITY

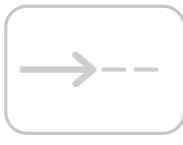

---

\*Equity is the goal to which we aspire where one's race, gender, age, creed, national origin, disability, sexual orientation, gender identity/expression or economic status is not a predictor in how a person fares in life. We will practice social justice as the proactive reinforcement of policies, practices, attitudes and actions that produce equitable power, access, opportunities, treatment, impacts and outcomes for all.

# GUIDING PRINCIPLES

## QUALITY OF LIFE MEASUREMENTS

### ART

Investing in public art and performances is representative of Carrboro's commitment to the creative industries and also its interest in developing inclusive spaces. Incorporating public art in Carrboro's built performances environment will be pursued as a means of supporting the arts and beautifying public spaces.

### COMMUNITY SPACES

We understand vibrant community spaces to be a source of civic pride and community attachment that sparks economic activity and investment. Carrboro seeks to grow shared public spaces that foster creativity and infuse value into our residential and business communities.

### AGE-FRIENDLY

The growing population in Carrboro brings with it the social and economic interests of all ages. Planning for an age-friendly community is essential to growing Carrboro's inclusivity and benefiting local economic interests.

### FRESH FOODS

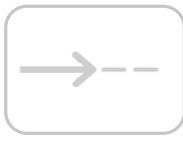

Access to fresh, healthy foods has positive impacts on public health and local agricultural businesses. Carrboro seeks to grow community access to fresh food in pursuit of a sustainable, local economy.

### HEALTHCARE

Greater access and affordability of healthcare options contributes to improved livelihood and economic productivity. Carrboro is committed to growing affordable healthcare options and supporting local businesses as they seek to care for their employees.

# GUIDING PRINCIPLES

## QUALITY OF LIFE MEASUREMENTS

### WALKABILITY

Recognizing that a walkable community provides mobility, exercise, and an affordable transportation option, the Town of Carrboro seeks to grow its pedestrian network and connectivity to businesses.

### PUBLIC TRANSIT

Access to public transit embodies Carrboro's commitment to sustainability, people, environment, and a local economy. Development efforts will use public transit access as a measure of economic success.

### BIKE FRIENDLY

Increasing bikability contributes to the urban vitality of our commercial and residential neighborhoods. Carrboro is committed preserving and growing bikability as a means of attracting people and businesses.

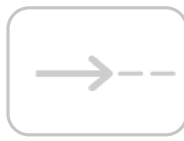

### EDUCATION

The link between strong education systems and economic opportunity is well-established. Carrboro seeks to strengthen partnerships with education and economic development as a means of connecting talent development and community assets.

### BUSINESS

Locally owned and operated businesses are the cornerstone of a vibrant local economy. Carrboro seeks to support and grow its locally owned and operated business community.

# ENVIRONMENT

We value all of nature and the environment and seek to implement policies and practices that are respectful of those limited resources and the impacts expending resources have on the environment.

## CARRBORO VISION 2020

### PURPOSE

To establish guiding principles for growth and development in the Town of Carrboro through the year 2020.

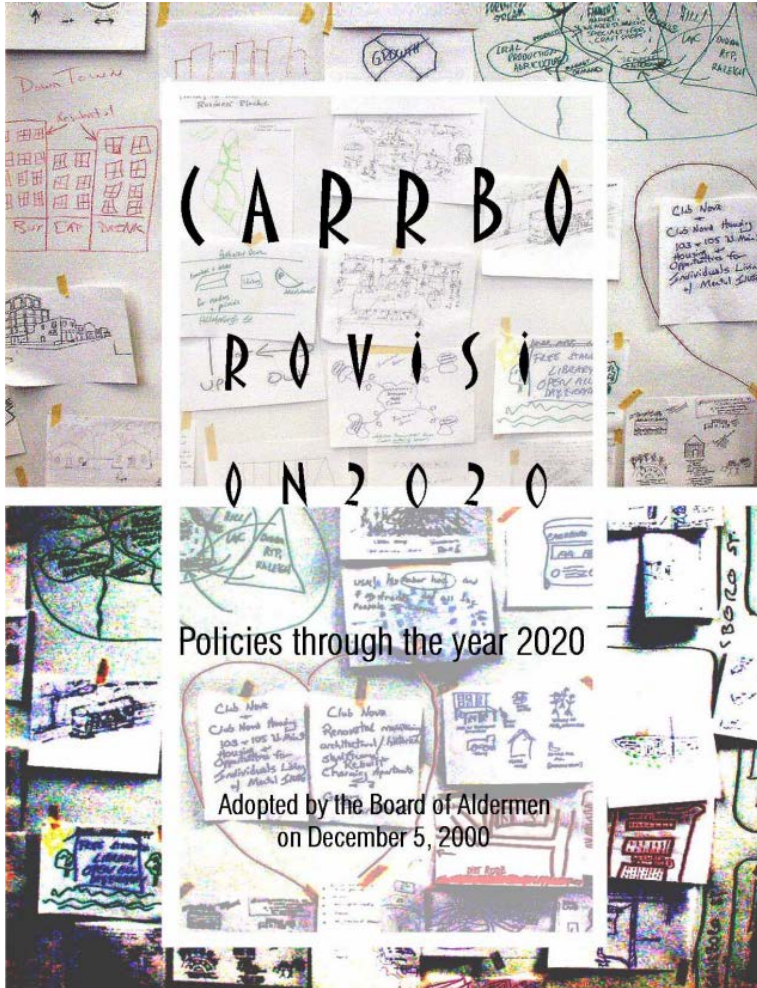

### PROCESS

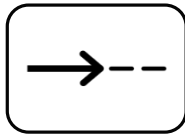

A community-driven plan that involved citizen volunteers who were instrumental in facilitation and collection of ideas and visions for Town services, including economic development resources.

### CONTENT

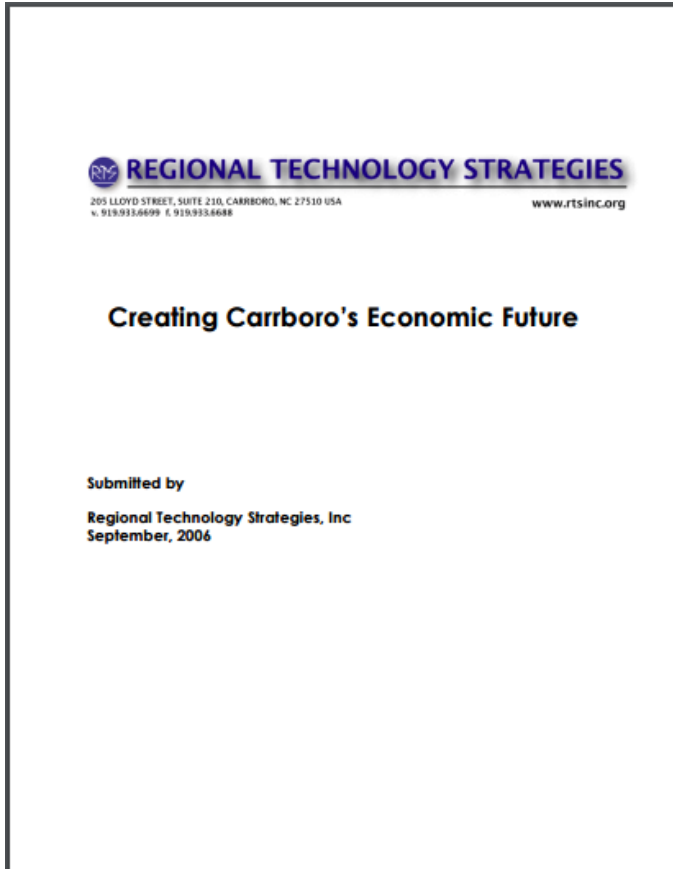

Section 3.1 “With the population of Carrboro expected to increase during the Vision 2020 period, additional commercial development should be anticipated both downtown and in peripheral areas. Carrboro should seek to reduce the tax burden on single-family owners by increasing the percentage of commercial space in town.”

Section 3.2: “Double the percentage of commercial space in the downtown and accomplish this by building up thereby increasing density.”

# EXISTING PLANS

## CREATING CARRBORO'S ECONOMIC FUTURE

### PURPOSE

To expand opportunities for citizens to have “more good jobs” and to “pursue meaningful work.”
