# RECOMMENDATION

**May 21, 2020**

Motion to approve made by Kaufman, seconded by O'Connor, that the EAB recommends the Town Council approve the Community Climate Action Plan Modules Project and consider the following recommendations for project implementation:

- Provide a list of all modules in each presentation
- Modules should be reviewed and approved by the Town Environmental Sustainability Coordinator
- Hold train-the-trainer sessions
- Modules should be available to be viewed on the town website
  - Downloads of the slides could be made available to individuals who have completed train-the-trainer sessions
  - Provide links to modules on relevant Town Departmental website pages
- To the extent possible, show relative emissions reduction impact or energy savings for each recommended action
  - Use graphics to visualize impacts
  - Provide links to online calculators
  - Provide cost information for each action for comparison
- Make sure all information on slides and Town website is kept regularly updated
  - The Climate Action Sustainability Commission should be charged with keeping the materials updated

The EAB would like to thank Town Council Member Randee Haven-O'Donnell, Katie Veleta, Lauren Nyland, and all Carrboro residents who worked on this project.
