Amick Equipment makes every effort when quoting your new equipment to meet all Federal, State and Local weight requirements. It is up to the end-user NOT to exceed the weight limits for your area regardless of chassis GVRW. Over weight equipment can lead to DOT fines, damage to the equipment or injury to the operator and others. All refuse and street equipment has the potential to be over weight if improperly operated.

Thank you for considering Amick Equipment as a vendor. We will do our best to meet and exceed your expectations.
