THE TOWN OF CARRBORO

CONDITIONAL USE PERMIT GRANTED

On the date(s) listed below, the Board of Aldermen of the Town of Carrboro met and held a public hearing to consider the following application.

Applicant William L. O'Brien, Jr. (Agent for Harris, Inc.)

Property Location 306 Highway 54 Bypass  
Street Address

Tax Map 114 Block        Lot 17E Zone B-4

Proposed Use of Property Construction and operation of a wholesale distribution facility for Anheuser-Busch and Eagle Brand  
Meeting Date(s) October 26, 1982 Snack Foods

PIN 9778-35-1569  
Assigned by: phs 7.11.82..17 E

Having heard all the evidence and argument presented at the hearing, the Board finds that the application is complete, that the application complies with all of the applicable requirements of the Carrboro Land Use Code for the development proposed, and that therefore the application to make use of the above described property for the purpose indicated is hereby approved, subject to all applicable provisions of the Land Use Code and the following conditions:

- 1) The applicant shall complete the development strictly in accordance with the plans submitted to and approved by this Board, a copy of which is filed in the Carrboro Town Hall.
- 2) If any of the conditions affixed hereto or any part thereof shall be held invalid or void, then this permit shall be void and of no effect.
- 3) In accordance with Section 15-213(a) of the Carrboro Land Use Ordinance, and subject to final design approval from the N.C. Dept. of Transportation, the applicant shall construct left-turn lanes along N.C. 54 Bypass at the intersection of Oleander Road and the driveway serving the Harris Distributing Company project. The applicant should construct a 100-foot left-turn lane with a 440-ft. taper southeast of the driveway along the southwestern side of Highway 54 Bypass. The turn lane will require widening the southwestern side of the Bypass to 27½ feet from the existing centerline of the highway with shoulder replacement.

Northwest of the driveway, a left-turn lane designed to accommodate one automobile (approximately 25 feet) should be provided by widening the southwestern side of the Bypass to 27½ feet from the existing centerline of the highway with shoulder replacement. A taper should be constructed to the northwest of this turn lane. This taper should tie in with the existing curvature of the highway and will be approximately 200 feet in length.

If this permit authorizes development on a tract of land in excess of one acre, nothing authorized by the permit may be done until the property owner properly executes and returns to the Town of Carrboro the attached acknowledgment of the issuance of this permit so that the town may have it recorded in the Orange County Registry.
