PRESENTATION AND FUNDING REQUEST BY THE ORANGE COUNTY VETERANS MEMORIAL COMMITTEE

The purpose of this agenda item was to receive a presentation from the Veterans Memorial Committee and to consider their funding request of \$25,000 in support of the Orange County Veterans Memorial.

Jim Merritt and Bruce Runberg, representing the Veterans Memorial Committee, discussed the proposed memorial with the Board and stated that they are requesting \$25,000 from all entities. It was emphasized that it is a non-political memorial.

Alderman Slade stated that there is a typical cost share proportion that Orange County government employ and that if the town does eventually put up monies in support of this monument it should do so using that formula. Alderman Slade requested that we learn from recent history, specifically that there be an attempt towards time proofing this memorial to veterans in a way that Silent Sam was not. He suggested that there be a candid consideration of truth and morality (in regard to what modern U.S. wars represent) in advance and for this meaning to be captured explicitly in the monument so that it in turn can be in relation to the individuals who sacrificed in war. He expressed the belief that this could more meaningfully acknowledge veterans and the sacrifices that they have made.

Alderman Gist stated that she supports the Town's contribution to the project. She asked staff to look at the budget to see if there is \$25,000 available for such a contribution.

Alderman Chaney asked if the possible allocation would be funded in FY 18-19 or allocated during the 19-20 process. She stated that the perceptions of monuments can change over time, particularly when people view them as static representations of the past. She asked if the memorial would be able to accommodate the fact that there will be Orange County families affected by war in the future, so they can feel it is relevant to them and their experience.

Alderman Haven-O'Donnell stated that proportional funding would be necessary and that it can be examined during the next budget cycle.

David Andrews, the Town Manager, stated that the funding formula for previous joint projects has been 43% Orange County, 43% Chapel Hill, an 14% Carrboro but it would need to be amended to include Hillsborough.

Amber Mathwig, a ten-year Navy veteran, provided data related to veteran populations and stated that the monument should include additional voices and underrepresented veteran populations before the Board approves the funding.

Alderman Seils stated that this memorial could be a forward looking project in how the Town's involvement could include additional voices in the conversations and language that is used for the memorial.

A motion was made by Alderman Haven-O'Donnell, seconded by Alderman Seils, that this resolution be approved.

A RESOLUTION CONCERNING A REQUEST FOR FUNDS TO SUPPORT THE SECOND PHASE OF THE ORANGE COUNTY VETERANS MEMORIAL

WHEREAS, the Town of Carrboro Board of Aldermen has received a presentation from the Orange County Veterans Memorial Committee on January 8, 2019; and

WHEREAS, the Orange County Veterans Memorial is located within Orange County's Southern Government Services Campus on 2501 Homestead Road in Chapel Hill; and

WHEREAS, the Orange County Veterans Memorial honors the memory of all service men and women from all military branches, including residents of Carrboro who have served in those branches; and

WHEREAS, the Orange County Veterans Memorial is designed to provide a place for people to reflect and thank those who have served and are serving, and

WHEREAS, the Orange County Veterans Memorial Committee requests the Town of Carrboro Board of Aldermen fund the next phase of construction of the Orange County Veterans Memorial at the level of \$25,000.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE TOWN OF CARRBORO:

Request that staff look into the funding proportionality equation, to have the monument group reach out to Amber Mathwig to have language suggestions, and to request that the language used is educational and forward thinking, staff could add this discussion to the assembly of governments meeting.

This 8th day of January 2019.

Aye: Mayor Lydia Lavelle, Alderman Bethany Chaney, Alderman Barbara Foushee, Alderman Randee Haven-O'Donnell, Alderman Jacquelyn Gist, Alderman Sammy Slade, Alderman Damon Seils
