PURPOSE: Establish a “Living Wage” as the minimum hourly rate of pay for regular and part-time Town of Carrboro employees.
DEPARTMENT: Human Resources

CONTACT INFORMATION: Matheus Teixeira 919-918-7342

INFORMATION: A living wage is the minimum amount that a worker must earn in order to be able to afford basic necessities, without public or private assistance. Beginning on July 1, 2016, all regular full time and part-time Town of Carrboro employees shall be paid an amount at least equal to the living wage established for Orange County.

FISCAL & STAFF IMPACT: Based on the number of hours part time employees would work over the course of a year, there would be no significant fiscal impact.
