INFORMATION: The property owner's representative, Ed Lammas, has requested an extension of the date on which a previously issued Special Use Permit-A (SUP-A) would otherwise expire on June 7, 2024. The Council originally granted this CUP on June 7, 2022. The permit allows construction of a three-story commercial building with multiple commercial uses allowed to operate within the new structure once it is completed. Construction of the project has not commenced. A resolution approving the request is included as Attachment A should the Council choose to approve it.

The applicant has submitted a letter, included as Attachment B, related to compliance with LUO Section 15-62 and specifically requesting a two-year extension. A staff report regarding compliance with Section 15-62 is included as well as Attachment C.

FISCAL IMPACT: The applicant is paying the applicable fee associated with this request. No other impact is noted.

RECOMMENDATION: Town Staff recommends that the Town Council adopt the attached resolution approving the permit extension request. The new expiration date for the permit would be June 7, 2026.
