Title: Request-to-set Public Hearings for Voluntary Annexation and Conditional Rezoning at 905 & 921 Homestead Road
PURPOSE: The Town has received petitions to voluntarily annex and to rezone property at 905 and 921 Homestead Road, also known as the Hutchins property. The requested rezoning to R-10-Conditional (R-10-CZ) would allow subsequent submittal of an application to develop an Architecturally Integrated Subdivision (AIS). The Board must receive public comment before considering these petitions. Resolutions setting public hearings are provided for the Board's use.
