TITLE:

Update on Traffic Calming on Oak Avenue

PURPOSE: The Board of Aldermen is asked to consider an update on traffic calming efforts on Oak Avenue.

DEPARTMENT: Planning

CONTACT INFORMATION: Jeff Brubaker - 918-7329

INFORMATION: More information is provided in Attachment B.

FISCAL & STAFF IMPACT: No fiscal or staff impacts accrue to receiving the update. A 2014-15 budget request will be forthcoming to install permanent traffic calming measures. Installing a permanent chicane on the 400 block of Oak Ave. and the pedestrian refuge island at the Greensboro-Oak intersection would cost in the range of \$20,000 to \$30,000 each. Speed cushions for the 500 block are being purchased at the time of writing and will not have a budget impact on 2014-15. However, if a permanent measure such as a chicane is also pursued for the 500 block, then this will have an additional budgetary impact of \$20,000 to \$30,000.

RECOMMENDATION: That the Board of Aldermen approved the resolution in Attachment A accepting the staff report.
