Title: Continuation of Discussion on Joint Planning Public Hearing Item - Amendments to Allow for the Possibility of Locating Agricultural Support Enterprises in the Rural Buffer

PURPOSE: The purpose of this item is to continue the discussion and consider coming to a decision on proposed amendments to the Joint Planning Area Land Use Plan and Joint Planning Agreement which will make agricultural support enterprises allowable within the Rural Buffer portion of the Joint Planning Area. These changes are necessary in order for Orange County to approve proposed text amendments to its Unified Development Ordinance that will allow the new uses to occur within the Rural Buffer.
