## 2016 Potential Bills/Issues of Interest

- **Carrboro/Housing Discrimination** - filed on March 4, 2015 and referred to the Committee on Rules and Operations of the Senate on March 5, 2015. This bill would amend the Town's Charter to add sexual orientation, gender identification, or gender expression to the list for protection against housing discrimination. This bill did not make crossover but is a local bill that could be reintroduced and considered in the short session. The bill is attached to this agenda item.
- **Carrboro Building Codes** - SB 179/H 219 filed on March 4, 2015 and referred to the Committee on Rules and Operations of the Senate on March 5, 2015. This act would allow the

Town of Carrboro to adopt and enforce the 2012 Energy Conservation Code and the 2012 Residential Code specifically the “additional voluntary criteria for Increasing Energy Efficiency (High Efficiency Residential Option).” This bill did not make crossover but is a local bill that could be reintroduced and considered in the short session. The bill is attached to this agenda item.

- **Billboards** - HB 304/SB320 Under the proposal, an existing billboard could be moved from its current location to any other non-residential zone in a city, regardless of a local community’s restrictions on location. Further, those relocated billboards could be enlarged, made taller, or converted to digital displays, even if a municipality’s ordinance state otherwise.
- **Study of MPO/RPO Oversight** - HB 74 calls for the creation of a 10 member study committee on Metropolitan Planning Organizations and Rural Transportation Planning Organizations to examine the structure and role of these organizations.
- **Rental Registration** - HB 530/SB 442 intended to restrict a cities’ ability to operate rental inspections and rental registration programs. (Usually used to force absentee landlords to address repeated criminal and housing violations on their properties.) The Energy and Climate Action Task Force has recommended that the Town consider a rental registry for the energy performance of rental housing. The Affordable Housing Task Force has a goal of reducing erosion of rental housing quality and affordability via a voluntary rental registry model. Staff does not anticipate that this bill will affect a voluntary model.
- **Study of Municipal Elections in Even Years** - HB 402 would study whether municipal elections should be held in even numbered years rather than odd numbered years, as most municipalities currently hold their elections.

Staff continues to monitor legislation in the General Assembly and will report to the Board as topics arise. Legislative monitoring will continue throughout the short session by using sources including, but not limited to:

1. General Assembly Website
2. UNC School of Government monitoring and reporting service
3. NCLM legislative monitoring and reporting service
4. The NC Metro Mayors Coalition

The 2016 Legislative Breakfast will take place on Monday, March 14, 2016. As in the past, the breakfast will take place at Town Hall and begin at 7:30 a.m.

**FISCAL & STAFF IMPACT:** The cost of the annual breakfast is a budgeted expense in the 2015-16 Annual Budget.

**RECOMMENDATION:** Town staff recommends that the Board discuss the item and establish a list of legislative issues/priorities to share with our local delegation and, where appropriate, to propose local legislation in the upcoming session of the General Assembly.
