INFORMATION: Coulter, Jewell, Thames, Inc. (CJT) has been working with the Town on the completion of the project design. The ordinance also authorizes the Town Manager to execute a contract amendment with CJT.

FISCAL & STAFF IMPACT: The fiscal impact of the recommended action is the allocation of \$250,000 in Bond funds from projects that were completed under budget.

RECOMMENDATION: It is recommended that the Board of Aldermen approve the amendment to the Morgan Creek Greenway Capital Project Ordinance transferring funds from the Bond Fund to the Morgan Creek Greenway project (*Attachment A*) and authorizing the Town Manager to execute a contract amendment

with CJT.
