Stormwater Utility Monthly Report

**PURPOSE:** The purpose of this item is to provide the first monthly update regarding Stormwater Utility projects and initiatives.

**DEPARTMENT:** Public Works

**CONTACT INFORMATION:** Randy Dodd, Stormwater Utility Manager, 919 918-7341

**INFORMATION:** The report identifies 16 separate projects and initiatives that Stormwater staff are and will/could be involved in within the next 12-18 months. These are specific efforts, some time limited and others part of ongoing stormwater program development, that are above and beyond the baseline workload associated with, for example: general program administration, e.g., coordination with and reporting to other Carrboro staff, the Stormwater Advisory Commission, and the Board as well as local, state, and federal agencies and contractors; tracking impervious surfaces; responding to billing and other community member inquiries; MS4 inspections; reviewing development plans; stream determinations/buffer reviews; and illicit discharge response and pollution prevention.

**FISCAL & STAFF IMPACT:** There is no fiscal impact associated with this update. There will be nearer and longer term fiscal and staff impacts, as presented in the report.

**RECOMMENDATION:** It is recommended that the Board receive the staff report.
