### TITLE:

Climate Implementation Advisory Board Update

**PURPOSE:** The purpose of this item is to update the Council on progress developing a charge for a climate advisory board.

**DEPARTMENT:** Planning Department

**CONTACT INFORMATION:** Laura Janway, Environmental Sustainability Coordinator, [ljanway@townofcarrboro.org](mailto:ljanway@townofcarrboro.org), (919) 918-7342; Patricia McGuire, Planning Director, [pmcguire@townofcarrboro.org](mailto:pmcguire@townofcarrboro.org), (919) 918-7327

**INFORMATION:** The purpose of this item is to update the Town Council on progress developing a charge for a climate advisory board based on direction from the June 16, 2020 Town Council Meeting. Staff have discussed the role of a climate advisory board and have developed a plan and yearly meeting schedule for an action-oriented Climate Action Commission (CAC). Staff have also worked with the Environmental Advisory Board (EAB) to develop a work plan for the CAC.

Next Steps: The Town Council will review and discuss this information, including the proposal for a new climate advisory board. Creation of this board would involve a Town Code amendment. We expect that the Town Council could receive a Town Code amendment for consideration in late October or early November, anticipating the EAB's completion of the work plan at their October 1, 2020 meeting.

**FISCAL & STAFF IMPACT:** There is no fiscal or staff impact related to this update.

**RECOMMENDATION:** Staff recommends the Council consider the attached resolution to receive the update.
