TITLE:

Stormwater Utility Monthly Report

PURPOSE: The purpose of this item is to provide the monthly update regarding Stormwater Utility projects and initiatives.

DEPARTMENT: Public Works

CONTACT INFORMATION: Randy Dodd, Stormwater Utility Manager, 919 918-7341

INFORMATION: The report identifies 7 separate projects and initiatives that Stormwater staff are currently involved in. (Updates are provided **in bold**). These are specific efforts, some time-limited and others part of ongoing stormwater program development, that are above and beyond the baseline workload that includes but is not limited to: program administration; responding to requests for support and community outreach; stormwater system inspection and maintenance; reviewing development plans; stream determinations/buffer reviews; and illicit discharge response and pollution prevention.

In late May/early June, Stormwater staff received input from residents in the upper Toms Creek watershed, and will be following up with other staff and the residents in the coming weeks. Staff have not received a response from NCDEQ regarding the 319 grant application recently submitted. Staff will share any update on the application as soon as it is received.

FISCAL & STAFF IMPACT: There is no fiscal impact associated with this update. There are/will be nearer and longer term fiscal and staff impacts, as presented in the report.

RECOMMENDATION: It is recommended that the Council receive the staff report.
