In previous years, the Board of Aldermen has developed a package of legislative issues to discuss with the delegation. Occasionally, this package has included local legislation that the Board of Aldermen would like to get passed. Included in the packet is draft legislation provided by Alderman Chaney that would establish a statewide State Tax Credit Program to augment the federal New Market tax Credit program. This bill was introduced previously but died in the Senate Finance Committee so it will require refileing. This bill is not considered a local bill.

Staff will continue to monitor legislation in the General Assembly and will report to the Board as topics arise.

Legislative monitoring will continue throughout the session by using sources including, but not limited to:

- 1) General Assembly Website
- 2) UNC School of Government monitoring and reporting service
- 3) NCLM legislative monitoring and reporting service
- 4) The NC Metro Mayors Coalition

Attachments included are:

- A. Resolution
- B. Draft New Markets Legislation
- C. 2013-2014 Legislative Goals

FISCAL & STAFF IMPACT: N/A

RECOMMENDATION: Town staff recommends that the Board discuss the resolution establishing a list of legislative issues/priorities to discuss with our local delegation and, where appropriate, to propose local legislation in the upcoming session of the General Assembly.
