INFORMATION: Bladder cancer is the 5th most commonly diagnosed cancer and is one of the lowest in funding. The Triangle Chapter of the BCAN has successfully hosted the National Walk for Bladder Cancer in Hillsborough, NC but the event has continued to grow and now has over 125 participants. The chapter feels that it is to best support the growing event by enlisting the help of Fleetfeet Sports in Carrboro.

A map of the proposed closure is attached. The applicant has agreed to start the event at 7:00 AM to minimize impact to the downtown area.

In accordance with Section 7-19 of the Town Code, a Public Hearing to receive public input prior to issuing a Street Closing Permit is required for this event.
