TITLE:

Stormwater Utility Monthly Report

PURPOSE: The purpose of this item is to provide the monthly update regarding Stormwater Utility projects and initiatives.

DEPARTMENT: Public Works

CONTACT INFORMATION: Randy Dodd, Stormwater Utility Manager, 919 918-7341

INFORMATION: The report identifies 13 separate projects and initiatives that Stormwater staff are currently or will be involved in in FY 20/21. These are specific efforts, some time-limited and others part of ongoing stormwater program development, that are above and beyond the baseline workload that includes but is not limited to: program administration; responding to requests for support and community outreach; stormwater system inspection and maintenance; reviewing development plans; stream determinations/buffer reviews; and illicit discharge response and pollution prevention.

An emphasis of Stormwater staff work, beyond the core workload, since the last report has been: supporting the Broad Street culvert and Public Works stream restoration active capital projects; follow up from the August NPDES permit audit; drafting of a Homeowner's Watershed and Stormwater Manual; CityWorks implementation for workflow and asset management; preparing for increased Stormwater Control Measure maintenance oversight efforts; and follow up from the 10/11 rain event. Several other activities will be pursued in the coming months, as presented in the report.

FISCAL & STAFF IMPACT: There is no fiscal impact associated with this update. There are/will be nearer and longer term fiscal and staff impacts, as presented in the report.

RECOMMENDATION: It is recommended that the Council receive the staff report.
