On April 24, 2018, Town Council approved revisions to Article III of Chapter 7 of the Town Code relating to regulation of street or other public events. The revised Town Code removed the requirement for a public hearing prior to approval of a street closing permit by the Town Council. Town Code requires:

Section 7-20 Staff Review - Upon receipt of the permit application, the administrator shall circulate it to the police chief, the fire chief, the public works director, and other appropriate persons, such as the Special Events Committee for their comment. The administrator may arrange to have a conference on the application with the applicant and one or more department heads.

Section 7-24: Street Closing in the Carrboro Town Code: “(a) If the administrator finds that the permit should be issued and that, to conduct the event, it is necessary to close a street or to reroute traffic, the Town Council may pass a resolution authorizing this to be done. No such resolution shall be passed affecting streets that are part of the street system without the approval of the State Department of Transportation.

(b) The resolution shall identify the street or portion thereof to be affected and shall indicate the date and time when the street or portion thereof is to be closed or traffic thereon is to be limited in some way. The resolution shall also direct the administrator to have appropriate traffic control devices installed to give notice of the temporary traffic controls.”
